- Fantastic playground area and great for events-
- Feels like the hub of Mukwonago. I love the activities and the ball diamond
- Field park is so underutilized, it has the ability to bring a community together. It hosts many events, has walking loop, playground it would be a great place to light up during holidays and evenings for events being in food truck events, tastings.
- Indiana head is being revitalized the kids love the beach area the bathroom house could use some improvements, I wish there was more signage for where to drop kayaks in at and the map for them. Our area has so much to offer and it's under utilized. We would love to see more community events that bring people together within the community like music in the park, movies in the park, splash pad addition to field park. - I attend events here!
- I can see my kids at the park while I walk/run/bike with friends.
- I can walk or ride bike there-
- I can watch the ballgames and walk the area.-
- I coach soccer there 3+ times a week
- I didn't really know of many others.
- Playground. Easy access-
- I don't really have a favorite but this would be the one most frequented due to the events there. We do go to the Town Park near the Town Hall.
- I enjoy them all. I just had to pick one. I like the boat access and the deck overlooking the water. Mostly I enjoy the camping at Mukwonago Park & the dog park.-
- I grew up taking swimming lessons there as a kid and would like to see that be a thing for my children.
- I have three small kids and I feel like it's away from busy streets and it's safer. We wish there was a better bathroom situation. Some type of water activity would be amazing splash pads fountains anything!
- I like how it has the newer playground for the kids, the path to bike or walk on, and the tennis/pickle ball courts. The bathroom access is nice too.
- I like that the roads basically go around the whole park.-
- I like the events that are held here. Though, I wish this park was more user-friendly for all the teenagers that hang out there. They need a safe place to hang out too-

- I like the fact that they have more events than the other parks.-
- I like the trail through the disc golf course. The large trees are amazing in the summer. It's also really great the trail connects with the sidewalk along Holz Pkwy so you can go for a longer walk.
- I like the variety in equipment
- I like to go fishing there
- I love Minors and live close, but it is not kept up as nicely as Miniwaukan Park. I can run on trail while the kids play-
- I love that hardly anyone is ever there, I walk back to the shoreline of Lower Phantom, and birdwatch. Then it dead ends sort of, it would be phenomenal if there was a real trail there! Although I'd hate to see it become crowded too. Create a lake path trail but keep it a little hidden. :-)
- I love the big and tall trees, and the fact that even though there's 2 busy roads it's still quiet most of the time
- I love the openness of the park with it being surrounded by trees and paths instead of roads etc.
- I love the views of the lake and the trails
- I love the walking path!

My son plays for the Kickers at the soccer fields.

It's a nice, wide open large park.-

- I spend the most time there for baseball
- I supposed it's because that's where everything is held (fairs, farmers market, courts, paths).-
- In the heart of the village. Nice playground equipment. Nice and clean restrooms. Good walking path.-
- Is a big area-
- It has a little of everything for our family from walking, to baseball fields, soccer fields, and playground equipment.-
- It has a newer park area and is good size for multiple children.
- It has a nice size trail that isn't nearly as busy as Field Park-
- It has a wonderful play set and a large area to eat and play disc golf. It's one of the better parks in Mukwonago-
- It has all the activities plus a nice playground.-
- It has an accessible playground-

- It has an area to walk, plenty of Pokémon Go stops incorporated, a playground and is on the larger side. Also ease of access-
- It has bathrooms-
- It has large play equipment and is in a low traffic area.-
- It has many activities throughout the year
- It has recreating options, love the paved bike/walking path, shelter, playground. It is overall a beautiful place to hang out at any age.-
- It has the fun playground equipment.
- It has the most activities for adults to participate in.-
- It has the most festivities , most to do
- It has the most to do for sports and play. I would really like Rosewood Park to expand and add more facilities.
- It has the most variety of things to do-
- It has the playground and is easily accessible. The kids can play while adults circle the walking path.-
- It is centrally located with lots within walking distance.
- It is centrally located, especially for walkers.-
- It is close and it should be utilized more than it has been. Make it more family friendly and stop having gun shows there.-
- It is close proximity wise, but also has a beautiful walking path
- It is close to home and I can walk there with my children and daycare children
- It is closest to our house, has bikeable route, restrooms, and fun park equipment. Is also the host space for many special events (farmers market, egg hunt, basically everything)-
- It is in Walking distance. Otherwise it would be Feild Park.-
- It is large and has different options to play, close to home-sidewalks go all the way to the park from our subdivision-
- It is never busy easy to park.-
- It is never crowded and it is near our house-
- It is peaceful early in the morning.
- It is pretty, and each time I've been there it is quiet.-
- It is the closest to my house (River Park Estates) and has nice equipment for my kids to use and a bench to sit on. The

walking trail could use a little work since the blacktop is breaking up-

- It is the closest.
- It is the closest.
- It is walking distance from our home in Minors Subdivision. Please replace those bridges!-
- It is where my kids play sports!-
- It offers the only Wheelchair accessible playground equipment, has nice paved bike/walkway and mature trees/well manicured grass areas and picnic facilities!-
- It often hosts events-
- It would be nice for this park to have basketball courts as well as tennis (not just pickle ball) courts. We would absolutely LOVE an outdoor pool. We would be there all summer!-
- It's a great mix of playground, walking/biking path, grassy tree lined area and athletic fields.
- It's beautiful
- It's close to every thing and in the middle of the village.-
- It's close to my house-
- It's close to our home and we play soccer there for the club
- It's close.
- It's closest-
- It's got the most to do and the farmers market-
- It's in my neighborhood and we walk to it daily when weather is nice. That trail is awesome. But clean up of the dead trees is needed.
- It's in my subdivision and it was recently revamped! Kids love it.
- It's large and has a lot of different activities would be nice to have more sitting spots and shelters-
- It's the closest and has new equipment. Needs a skatepark back there though.
- It's the closest one to me
- It's the closest to have a walking or biking area for me-
- It's the closest to my house-
- It's the closest, has a walking path, restroom available and a covered pavilion to enjoy lunch
- It's tucked back and quiet
- It's updated
- It's walking distance from my home and has a wide enough path for bicycling and walking with my dog on leash. The open green space is great for playing catch with my children.
- It's where all the activities are-
- It's where my kids have soccer practice

- It's where we play baseball though Tribe-
- It's a very friendly park with a nice walking/biking trail to bring your pup. People can play frisbee golf & parents can bring kids to the playground. It's a very relaxed and chill park. We love it.-
- It's adjacent to the lake.-
- it's clean and well laid out-
- It's close, nice bathrooms, lots of activities, huge, and of course Summerfeste!!!-
- It's close, nice walking path, has nice restrooms (when they're open!!!) and has pickle ball courts.-
- It's huge with many activities
- It's in the most common area and I don't visit many parks but if so this would be the one that possibly used the most. It probably needs a renovation though.-
- Its location. However, something needs to be done about the students in the park. The behaviors some show are unacceptable and dangerous.
- It's somewhat enclosed and I enjoy the festivals.-
- It's the largest park and has beautiful trees and shade. It's also centrally located.-
- Its the one nearest to me.-
- It's the only place I can safely let my 4 kids ride bikes. We lug all of them thereplis bikes to ride on the path and play on the equipment, and we walk our dog there. Its clean, both on the path and playground. (Garbage cans are nice for dog messes)

The disc golf gets a little awkward sometimes because kids love to run in the "open field " but it's not really open because of the disc golf. However the golfers are always understanding and kind.

I also ADORE Indianhead park. It's close to my house even though I have to drive. I can go for a "quick play" or longer so easily there. That park however has a lot of litter! I spend a few minutes every time I'm there picking up trash and there is still quite a lot left around. I dont understand how it gets that way but with the concerts in Summer I'm afraid the trash issue will get worse unfortunately.

- No matter what, you can't go wrong with Mukwonago parks!- I've lived by it most of my life. There is so much to do with the facilities that are well maintained and constantly improved. There are also so many activities held there.-
- Kids love the playground-
- Kids used the playground when they were young, close to where we live to bike to, son uses soccer fields-
- Large size with many offerings.-
- Large space that offered playground, amenities, baseball, and picnic area.
- Large space with parking available
- Largest park, various options for activity all in one spot
- Less teenage kids causing issues around young children.
- Library-
- location-
- Location
- Location
- Location near daycare, access to water, new playground equipment, and new bandshell!
- Location , options for different things
- Location and accessibility to trails-
- Location and events-
- Location and fields and amenities to use
- Location and hiking trails and nature (birds, turtles, etc)-

- Location and playground. Although the new playground is a significant improvement, it does not match the quality that other area parks have chosen with the rubberized flooring material. Anything but sand is an upgrade, but a destination playground like Malone in New Berlin would get people to drive just for that.

With such amazing space, this location should be the site for a new basketball court, local beer gardens, a seasonal ice skating rink, ice sculpture contests, walking Christmas light displays, etc. As the center of the village, it needs a new variety to get people walking around.

- Location and size of the park-
- Location mostly, farmers market and paved walking-
- Location relative to my home.
- Location, new playground and fishing spots
- Location, size, road to walk around, restrooms, covered pavilion
- location. events that are already planned there-
- Looking forward to the live music.

NOTE: GET RID OF THE GEESE! Too much goose poop.-

- Lot of time spent there for sports. Drainage is brutal however for both ball diamonds and soccer fields-
- Lots of activities, great for picnics and walking
- Lots of beautiful trees, great trail for kids to ride their bikes, away from traffic, wonderful playground equipment
- Lots of paths to walk and sports fields for the kids. –

## Do you have any concerns about safety or accessibility in any of our parks?

### Other... Please specify (residents only):

- Field park is kind of junky, worn down,
- Indianhead park has a lot of trash in the summer especially, I think it could be better maintained. There should be some guards around the area at the bottom of the dam, we always worry about the kids falling in there.
- Access Minor Park from the East (walking or biking) on LO.
- After school tweens and teens behaviors in Field Park. Should be patrolled more after school.
- All parks for allergen concerns of people letting their kids eat while playing. It causes a massive risk of an allergic reaction for many children. 1 in 13 children have food allergies.
- Although Field Park is my favorite, at times there are groups of older kids there that I wouldn't want my child to be around (foul language, not moving off equipment meant for children), and I'm curious how much drug and alcohol use is going on there.
- Amount of parking
- As a young women by myself with young kids, I have felt very uncomfortable with the fact that cars can pull right in up to the playground at field park.
- As mentioned before about field park.
- As mentioned in the first question, Miniwaukan Park is my main concern for safety. It is the park that is closest to my family and the one we go most often.
- Beach by Napa. Hard concrete under sand near shore. Restrooms need improvement.
- Bridges off the park / disc golf course.... Really need repair!
- But I do not have a disability or child with a disability
- But if we build bigger and better stuff in this town, we will attract more people which means more riffraff.
- But please have a regular police patrol
- Children ( older then should be playing at a park) using inappropriate language and acting disrespectful at the park .
- Crowded parking lots
- Crowds, and kids can get rowdy at Indian head park. Cussing, littering.
- Dead trees falling
- Difficult car entry due to heavy traffic
- Entering and parking at Field Park. There really should be parking and entering through the subdivision nearest the church.
- Every park had to be accessed by car
- Field park
- Field Park - in the warmer months this is about the only place for the middle schoolers to hang out. There are often fights or other incidents of bad behavior. The teens need somewhere to go and have things to do safely - bike, skateboard, basketball or access sports equipment to borrow
- Field park after school hours is not a good place for small children due to the middle schoolers. Drugs fights and problems occur there.
- Field park after school violent related activities from the high school and middle schoolers

- Field park can get sketchy
- Field Park due to incidents that have happened in the local community which is heavily populated by teenagers.
- Field Park- fights occurring
- Field park for sure. My son will have to walk by it to and from school next year when starting at the high school and I'm scared for him. I've heard it's rough there.
- Field park has the new playground but needs more police presence. Older kids are a problem. Disrespectful, litter, swear, damage property, drugs/ smoking.
- Field park is overrun by rude, swearing students at certain times. It's not a place to bring small children during those times because of the students.
- Field Park makes me a little nervous with the car traffic on the same pavement that the kids walk on inside the park
- Field park my daughter has told me of drug use there after school
- Field park needs vehicles to stay off walking paths near tennis courts
- Field park on Friday's during foot ball season. Middle school kids take over park which is not the problem but the swearing, fighting and disrespect is.
- Field park seems to get pretty soppo and wet after a good rainfall
- Field Park vehicle parking can be expensive and across busy roads
- Field park when the middle or high school kids are hanging out - bad language
- Field park. The middle schoolers make myself and children feel unsafe.
- Field parks swings should be updated.
- Groups of males gathering at Miniwauken park especially near dusk and dark
- Having the trolley tracks in Indianhead park makes wheelchair access to the beach difficult.
- I believe accessibility for users in wheelchairs and access to playground equipment can be improved. Utilizing poured rubber surface on one or all parks would greatly enhance useability for children and everyone using wheelchairs/walkers other motorized means of getting around. This way, all can participate and grandma/grandpa could even push on a swing or sit next to grandchildren playing.
- I don't know the name of it, Indian ? maybe, where there is a swimming beach... it always has people loitering in cars, unsupervised kids and loudness. Near heavy traffic. It's just an unpleasant place to be.
- I don't understand if cars are allowed in Field Park when they're not there for setting up their space for Maxwell street days. A sign about parking would be nice.
- I enjoy swimming with my kids at the beach at Indian Head Park, but there are often large groups of rowdy older kids and teens, and adults under the influence. It would be so nice to have it staffed as it was when I was a kid.
- I fear the safety nannies will use "safety" to clamp down on what we used to call "being a kid". Bring back teeter totters and merry go rounds.
- I have heard of incidents at field park
- I think we need lifeguards back at Indianhead Park.
- I worry about teens safety if something would happen
- I'd love to see more accessible playgrounds like Oconomowoc's Imagination Station, New Berlin's Malone Park, or Delafield's
- If you promote the sale of guns in our village, it is only a matter of time before something happens
- Indian head park. People take over the pavilion and aren't nice to others. The pavilion should have to be rented out and not free for people to use. I know some are concerned about field park because of the amount of teenagers in it. I think it is mostly safe and harmless, but maybe a bit more of a police drive through presence now that it is getting warmer
- Indian head parks makes me nervous with out kids due to the closeness to the dam and my childrens curiosity with the dam
- Indianhead park outside of residents living here there is a lot out of People from the city visiting that often leave the park in a mess.
- Indianhead park- swimming hole bring back paths for village. Residents only. Last summer there was a group from West Allis that over ran the park on weekends.
- Just heard about someone hanging around Lauren Park today asking girls to get into his car. Safety would need to be a priority. And accessibility to indoor practice spaces is a HUGE issue in our community for sports. We are constantly fighting for space with multiple sports programs that all want to be 'year round' athletics. Not only Mukwonago but surrounding area schools using those spaces.
- Just wish there was an outdoor pool to access in Mukwonago instead of having to pay other communities to use theirs.
- Kids cannot bike safely to mukwonago park
- Kids trying to get to the beach and having to go into the street to get over the bridge to the swimming hole.
- Lack of concrete tees on the disc golf course increases risk of injury.
- Last time we were at Miniwalkin dog owner of a Pit Bull and dog were very aggressive towards us. I was there with my husband and three daughters to play disc golf. The dog was not leashed an came after my daughters and myself. Have not returned ass we had a traumatic

- experience previously with a pit bull and choose not to go back to Miniwalkin.
- Lauren park - have had issues confrontations with drunk adults on sledding hill with small kids present. Since not sanctioned sledding, it wasn't the city's issue. Would be nice to have sanctioned sledding and rules in place.
  - Lauren Park recent concern of a car driving up to young kids last ( week of April)
  - Level walking paths for mobility challenged
  - Lighting for safety (at night) of people walking or running....
  - Lighting in general could be improved.
  - Miniwaukan - drainage in the park is terrible. So much standing water on the old Braves field. Not nearly enough parking for all of the sporting events held there.
  - Miniwaukan park all the water that side in football and baseball fields.
  - Miniwaukan Park fields are not graded for good drainage. If you use them in the spring for soccer games they are quickly destroyed. If you cancel to save the fields then you struggle to get games in during the short spring season. Better options for growing area soccer programs are needed.
  - Miniwaukan-more garage receptacles along the asphalt path. All parks- Why aren't there designated recycle receptacles like at the Mukwonago County Park?
  - Miniwauken - the park is hidden/tucked away
  - Miniwauken park I have noticed a few random cars parked in the parking lot where they have no children and are just sitting in their car. It's concerning to me, we usually leave the park when I notice this
  - Miniwauken park. This is an amazing park minus one aspect. The lighting conditions around park are dark and not lit. We live near this park and during the fall, winter, and spring months can not walk during hours of darkness. Which In Wisconsin can sometimes be 1700 hours. We would like to see lights along the walking path so we can enjoy this beautiful park throughout all seasons.
  - Miniwaukin. The sidewalk from the parking lot to the playground is often blocked with picnic tables, a stroller can not get through. The lack of a public restroom results in a child being left outside the port-a-potty while I am helping another child inside or using it myself.
  - Minor's park wooden bridges. Loose nails and boards.
  - Minors Bridges are a safety hazard
  - Minors park bridges
  - Minors park needs to be better maintained
  - More lighting could be added to the park on LO.
  - More lights for night
  - My kids have concerns about field park after school... they avoid because of concerns about vaping/drug use.
  - No bathrooms are open by the beach off season
  - No currently. Although Field Park sometimes is where a lot of unsupervised middle schoolers hang out.
  - No dedicated bike paths to indianhead park and it a busy road
  - Not a concern but sometimes I feel uncomfortable at Indianhead park with beer cans, tobacco chew, cigarettes butts, and goose poop. I feel like I'm on more high alert there.
  - Overall the area is considered safe. Lighting in field park walking trail road path would be lovely
  - People walking in field park w the cars driving the same path.
  - Please don't add any by registered sex offenders
  - Poorly lite and difficult for children to teenagers to visit without close adult supervision.
  - Recent news of a male approaching a teen, asking if she wanted a ride.
  - Repair the black edging near McAdams donation sign in Washington Avenue Park. (By the way, McAdams donation sign is rusty and has condensation collecting inside the sealed sign). Need signs to find these parks! Signage to say "Rosewood Park" in Fairwinds subdivision.
  - Riding bikes from Neighborhoods is extremely dangerous! A bike/walking path would be an amazing addition!
  - Rosewood park created a new soccer field, but it is very rocky and has lots of divots.
  - Safety at field park right after middle school and the high school are dismissed
  - See above (miniwauken)
  - Some areas are not well lit. If you are returning to your car at dusk, it does get quite dark.
  - Some concern about teenage groups in field park.
  - some parks are hard to access due to traffic and entry points.
  - Some stuff could really use fresh paint and a little more maintenance. There has been broken benches at Minor park for years and the wooden bridges are questionable.
  - Sometimes I feel 'scared' in miniwauken park especially when further away from the parking lot where more people may be. I do not walk it alone for that reason.
  - Teenagers at park on hwy nn across from middle school doing drugs & smoking cigarettes. Need police going through more often.
  - Teenagers shouting profanity and racist remarks. Around little kids too. Not cool.
  - Teens need something
  - The bridges in Minors park are repeatedly breaking. Please consider a more

- long-term solution like composite decking.
- The Bridges in the Minors park off LO. Dangerous for every age and activity (walking, biking and strollers)
- The crossings into Indian head park as mentioned, lighting on the north access trail
- The majority of parks do not have paved wheelchair accessible paths to playground equipment, beach access, or baseball diamonds.
- The old trees at Minnewauken Park that seem to be falling down or big limbs breaking off.
- The parking lots for our parks can not handle a large attend. The village has to have at least one park that can handle 200 to 300 people at one time with parking on-site.
- The soccer fields at rosewood park are in very
- 

- rough shape and dangerous. Needs to be tiled and flattened with stones and holes removed.
- traffic, no sidewalks
- Traffic. way people park all over?
- We have seen some safety issues with No lights on the pathway at Miniwaukan park. Also, safety issues at Field Park in the evening hours. Police regularly patrol Field it seems and that seems to help.
- We need more accessible playgrounds. Also at the accessible playground to have the landings to not be wood chips. Ever try getting a walker or w/c through that? Not only for the young but for anyone young to old that uses equipment to get around ex a grandparent that likes to take and join their grandchild on the

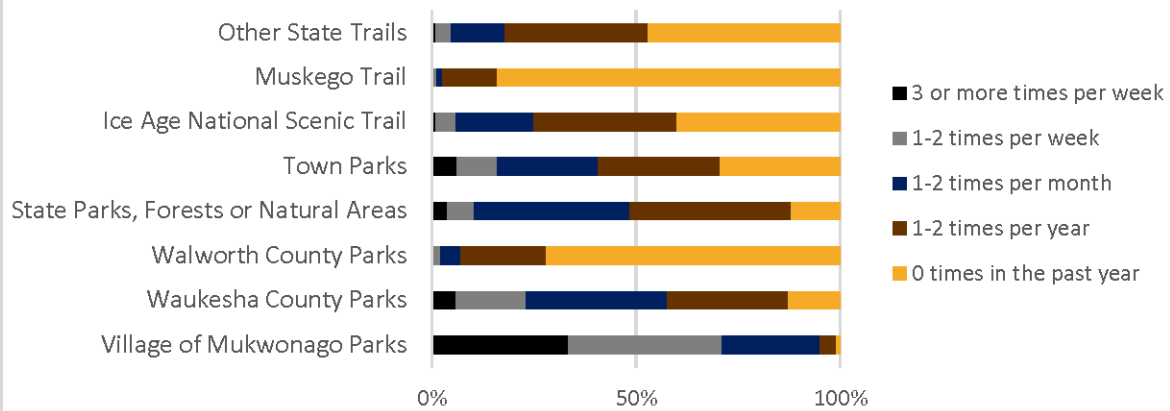

- playground can't because it's wood chips.
- We need parks that are accessible for those with disabilities. I would also like to see two separate areas at Field Park. One for the teenagers and one for the younger children and families
- Witnessed kids using vulgar language and harassing other kids at Indianhead park and field park especially after ParkView gets out. Would like more regular police presence at the parks.
- Would like to see minor disc golf course expanded so not as many throwing by the walking path at mini
- Would love to see an all abilities park somewhere in Mukwonago.
- Young kids thinking it's cool to drive fast, hangout and be rude which makes it very uncomfortable.

- We go to the splash pad in Hartford
- We go to the water park in Hartford in the summer. During the colder months we go to Nixon park in Hartland.

Did anyone in your household participate in Town of Mukwonago sponsored recreation programs in the past year (e.g. youth sports, adult sports, dance, etc.)

Did you participate in a Town-sponsored recreation program because the Village did not offer the activity you needed?

Do you agree or disagree with the following statement: The Town of Mukwonago Recreation Program is adequate for Village residents to use.

Do you agree or disagree with the following statement: The Village should sponsor a recreation program similar to the Town of Mukwonago's Recreation Program.

## Are there any reasons that you or members of your household cannot participate in recreational activities? If yes, check all that apply.

### Other... Please specify (residents only):

- Allergies
  - Allow for varying skill levels.
  - Because we're in the village we don't receive publications and aren't aware of what's offered
  - Don't know all that there is
  - Don't know enough about it to strike my interest but I may look into it after this survey.
  - Expensive
  - I don't know how to sign up
  - I don't like having to pay extra for being in the
- Village versus Town of Mukwonago for activities.
- I don't like the Town charges Village residents more to participate
  - I promise I'll pick up after my dog if I can bring him to the park
  - I wish there were more opportunities for preschool age children outside of the limited and more expensive Y classes. We currently do soccer and dance, but there seems to be a big market for more.
- I would like to see adult Pickleball lessons offered
  - I'm not fully aware of all activities in the village and feel we miss out on things because of this
  - I'm not sure where to locate information for town or village sports. I would like to enter my 5 yr. Old daughter into soccer, but not sure where to find teams in the area
  - I'm physically unable to do a lot. At this time.
  - Instead of making the village's own rec dept, you

- should join with the town and not make the village pay more
- It shouldn't matter if you live in the village or the town of Mukwonago. We are all Mukwonago residents and should have a combined recreational. The town uses Eagle facilities yet because I'm a village resident I have to pay non-resident fees. It's absurd. Growing up in Wind Lake, we were a part of the Muskego Norway School district and were considered residents when paying and participating in Muskego parks and rec programming.
- Kids participate in more school activities.
- lack of available picnic tables during summer at Indianhead park
- Lack of indoor sports complex
- Minor parks course isn't finished yet
- N/A

- Not all grades are offered for rec leagues
- Not easy to find information or offering of programs

- our age
- Our kids will once they are of age- currently 1.5 years and 2.5 years.
- Paying extra for living outside the town
- Physical limitations that are outside of the ability of the Village to accommodate.
- Seems like Village of verson has less to offer and not really sure where to find the services. Mukwonago seems more visible with their services.
- Teenagers behavior
- The village does not offer programs for the elderly residents.
- To not pay the nonresident fees
- Town is great but upcharge for village and fill up quickly
- Unaware of activities, also don't like that we get charged the out of town residence fees.
- Use town programs
- Village residents pay non-resident fees
- Village residents should not have to pay a higher participation fee!!!
- We currently play for Mukwonago club
- We have to pay more if we are in the village so stop putting my kids in it
- With walking trails, I appreciate being able to have access to Village Parks.
- would be nice to indicate if has wheelchair friendly amenities or not. Sorely disappointed when show up and can't do anything.
- Would like more pickleball courts. One in Field park is pretty rough

## Should your community allocate additional funds to be spent on? (residents only)

**Please use the space provided below to identify a type of new recreation program or service that the Village should consider offering.  
(residents only)**

- Fix bridges on Minors park off LO
- 2. Adding more trails in Muk Park
- 3. Adding splash pad and/or indoor play center for kids
- 4. Adding a roller/skate rink for older kids
- A community field house for tennis lessons, walking track, indoor soccer, basketball courts.
- A pool or splash pad
- A pool would be great but if that's not feasible even a splash pad would be amazing.
- A public pool or splash pad. An indoor pool would gather more annual income for the village. Only pool is at the YMCA but have to be a member and not worth the price. Sports teams could use as well gathering additional income, such as creating a swim team for Mukwonago.
- A senior center - the kind where people can get together to play cards or hold special events like dance lessons, cooking lessons, etc... Where they could invite guest speakers to talk about topics like grandparent scams, internet safety, etc... If there is such a group already organized and meeting in the village, perhaps they could get the word out because I've not hear of it.
- A Senior walking or activity program. Over 65 citizens that may be lonely and wanting to get out with people their own age.
- A shooting range, disc golf, pool area and ice skating rinks
- A shooting range.
- A soccer tournament to bring in funds and tennis lessons for kids in summer
- A splash pad for kids in the summer would be great
- A splash pad in Field Park would be a great addition for families in the summer.
- A splash pad or pool!
- A splash pad, community center
- A winter ice skating rink would be interesting and I've heard talk how a skateboard park would be used
- Actual restrooms with running water
- Add swing set or small playground to open space across from Phantom Glen Park (for children requested by parent using park all day for activities).
- Adult programs like the city of Waukesha offers at their park and rec department.
- Adult Rec leagues
- Adult recreation programs, golf, anything artsy, gardening
- Adult soccer league, community pool
- Adult sports and activities for fun
- Adult sports leagues
- An indoor facility that can be rented by club sports for use of athletics. Softball, baseball and soccer. But the village should NOT start their own program. Participation would be too low to field teams.
- An outdoor or indoor pool. An indoor arcade with all day wrist bands.
- An outdoor pool or splash pad would be great for our youth. We go to Waukesha, Burlington and Elkhorn for their pools. A pool would bring people to our community!
- Any would be good for kids
- Anything is better than nothing! Paying non-resident price for all activities right now and my taxes are higher than the town of Mukwonago.
- Aquatic center
- Aquatic center(pool, splash pad)
- Soccer
- Baseball
- Archery Range
- atv
- Atv trails
- Atv trails
- Beer garden
- Better access to restrooms at Indian head park since there is a swimming area. More walking trails around water areas
- Better swimming options would be cool
- Bicycling paths
- Bike trail to east troy
- Bike trail to East troy
- Bike trails
- Bike trails.
- Bring back the village park and rec sports like we had 20+ years ago or bring back the agreement with the town of mukwonago to allow us to participate at resident fees. It's unfair to pay non resident because the village dropped their programming.
- Combine the department with the Town to make ONE Mukwonago parks and recreation department. Having worked for one of the best rec departments in Muskego for over 15 years, I have seen first hand what a quality department like that can do for community growth, athletic success, and overall wellbeing. Why am I paying nonresident prices for a Town of Mukwonago program that feeds students into the same exact district?
- Community outdoor pool
- Community pool and beer garden
- Community pool would be nice or at least an indoor one to be used year round
- Compare against other highly regarded communities
- Daytime under 5 programs
- Definitely the splash pad and pool. That would be super nice in the summer.
- Disc golf

- Do not use taxpayer money to offer anything new, except environmental restoration.
- Dog park. Pickleball
- Driving range
- Enhanced running/walking trails like the one that is near Miniwaukan and along Holz Pkwy (?)
- Exercise equipment in park
- Extending the Bike or walking trail along ES to East Troy
- Facilities/improvements for pop up beer gardens and/or food trucks
- Finishing the disc golf course at Minor Park
- Flag football for 5th grade and up as an alternative to the Braves tackle program.

Summer recreational day programs that are safe and affordable.

- Full Rec program similar to surrounding communities.
- Golf
- Golf
- Golf cart routes to/from parks, via street and trail. Allow for crossing of main hwy, but not travel main hwy. No lift kits on golf carts.
- Have a community center type facility to offer mah jongg, bridge, canasta games.
- I believe the Village should provide a recreational program as robust as the Town. It's a tad ridiculous that we are not considered "residents" and have to pay extra to participate in the Towns recreational programs.

I also think more Disc Golf classes should be offered, as it's a cheap sport to get into (~\$10/disc) and is great for walking and being outdoors.

- I do not think it's fair that members of the village need to pay non-resident fees for use of recreational programs.
- I don't know if movies at a park are offered but they might be nice if it can be

done in a non-disruptive way.

- I like the rec dept options the Town offers but I HATE that the old library director messed that up for people in the Village and now we have to pay DOUBLE just because we live here. It stinks and it keeps us from participating often. If that agreement could be brought back that would be awesome! We think a boat parade or something fun on Phantom would be fun but there's no public land to watch it except the boat launch. We love the new music stage so we're excited for some performances!
- I live in Vernon and have used Mukwonago town recreation for all my sons activities. I think Village money should be used on parks and trails verses another recreation program in the area.

A community center would be WONDERFUL.

- I really like the idea of having an ice rink.
- I think an outdoor pool facility would be a great option for families in Mukwonago.
- I think more classes and activities for adults should be available.
- I think our community would greatly Benefit from an aquatic center or splash pad. With the frowning number of families in the area it would be nice to have a local place to bring our kids to.
- I think that having bike trails, hiking trails, and some kind of large boating facility would improve things.
- I think the Town Rec offerings are fine but have to pay higher rates (as village not town resident) and less convenient locations due to not being Village offered.
- I think the village and town should combine their rec programs so more parks and facilities can be used.

- I think trap shooting and archery would be great recreational programs.
- I think, that Greenridge center should be torn down and put in a park in that area. Trees, picnic tables extra. Greenwald is gone, clean up the village now.
- I wish we had more things to do in the winter and variety. Ice rink would be nice like the one in Waterford for example. Archery would be great for summer.
- I would like to pay what the town residents pays to participate in parks and rec actives like I was years ago especially since the village does not have their own. The cost adds up and keeps my family from enjoying additional activities.
- I would love another place to swim around here instead of the ymca.
- I would love if Mukwonago had a splash pad and/or pool for the summertime months!
- I would love to see something like a Yoga or other exercise class that is offered in early morning hours (like 430am) for those who work. We also really need an ice rink closer- there are a decent amount of kids who play hockey in the area and the closest rinks are easily 20-30 minutes away.
- Ice Rink
- Splash pad
- Ice Rink. One Olympic sheet could bring in people from Mukwonago, Eagle, Palmyra, Wilkhorn, Lake Geneva, Waterford, Muskego. There is no rink close for either myself or my kids to play at. There is also no rink plowed on the lake in the winter which is a huge miss by the village and town, could even flood a park like Waterford
- Ice skating
- Ice skating
- Ice skating arena, skateboarding area, pickle ball courts.
- Ice skating or hockey - provide a central rink in

- the village for winter! Or try to get a local indoor rink
- Ice skating rink in winter/ roller skating rink in summer. Old kids need stuff to do in this town. Maybe outdoor movie theater as well
- Ice skating rink outdoor, skate park. We have families out here, there is not a lot of draw for kids older than 6 to use resources. We frequent field park, Lauren park, Indian head park, mukwonago town park for water but does not have playground near the water or paddle boats, we often drive to find things to do which means we're spending our money not in mukwonago. The other part with town recreation guide is it doesn't have a lot of offerings at least this year it lacked anything for T ball or softball.
- ice skating rink
- ninja obstacle course
- Ice skating!
- I'd love not to pay an extra fee for rec activities. The quality of the coaching as well as the organization or programs we have participated in have been sub par.
- I'd love to have safe archery practice facilities added to Miniwaukan with 20 yard, 30 yard, and 40 yard target holders (leaving it up to the visitor to provide their own target faces). An additional indoor archery range for the winter months would be wonderful as well.
- If you are going to build a new park pavilion, please make it really nice. Spend the extra money as it will be used a lot for decades and decades. A timber frame would be really attractive
- I'm excited for the Indianhead park pavilion concerts this summer.
- Indoor rec center or community center with indoor or outdoor pool!! After school activities for middle schoolers!
- Indoor Sports Complex is highly needed for our

- youth. Our youth sports groups struggle with limited indoor practice/play space and often have to travel far to accommodate.
- Interactive parks, or a nature center
- Disability friendly parks
- It would be great if the little beach area on the river would be in better condition. Use of bathrooms & changing facilities, a concession stand. It could be a really fun spot!
- It would be nice to have a splash pad for the kids or some outdoor water center for summer fun like a wading pool or water stream to our feet in. An indoor pool center would also be nice.
- It would be wonderful to have an outdoor swimming pool for summer months! There could be swim teams, swim lessons, adult lap lanes and classes, and free swimming. Add a splash pad and concessions and you could have a safe facility for families to enjoy.
- Kayaking
- Kayaking
- kayaking/canoeing
- Keep parks in good condition.
- Kids activities, adult activities both athletic and recreational
- Kids within Mukwonago school district should be able to participate in rec activities without paying "non-resident" fees.
- Knitting or crochet for children. Like ages 8+.
- Lacrosse, hockey, swimming lessons,
- Learn to kayak
- Less condos. More nature
- Lifeguards should be brought back to Indian head Park. It would create a more family friendly environment. I hear too many stories of unruly, unsupervised teenagers and children there.
- Pet waste receptacles would be a great addition throughout the village for those of us who walk our dogs.

- Lights for pickle ball courts
- Mens slowpitch softball
- mini golf and/or driving range via public/private partnership.
- More baseball fields.
- Rec level baseball beyond 5th grade.
- More bike trails
- More class options (like Muskego or New Berlin)
- More disc golf
- More disc golf courses with concrete tee boxes.
- More hiking trails
- More homesteading courses. Specifically how to preserve food.
- More permanent Beer garden
- more programs for young kids!
- Mountain biking
- Movies in the park.
- Mtn biking
- Mukwonago needs better ballparks with restrooms and concession stands. A place where we can host tournaments and bring in teams from surrounding areas to spend money here.
- Mukwonago should have swimming classes in Mukwonago. Why do I have to go to East Troy for my kids to learn how to swim?
- Mukwonago should look in to an aquatic center similar to Burlington's. I am sure we would have people outside of our area use it and it could provide a service to the local communities that is really lacking.
- My children attend Section, but live in the village. It's frustrating to have to pay a "non-resident" fee to have them participate in an activity taking place at their school. We need a village program back.

- Outdoor pool & splash pad would be unbelievable. Outdoor lights on a couple of baseball fields would be great as well. Thank you for asking!
- Outdoor pool and swim/diving program. Outdoor slide/play area in pool. Tennis courts. Indoor recreation area for winter. Cross country ski trails.
- Outdoor pool area or splash pad with concessions. Have to drive to Burlington or Elkhorn to utilize something like this.
- Outdoor pool area with water slides and splash pad, Pickle ball courts and beer gardens
- Outdoor pool in summer
- Outdoor pool like horeb or Buchner pools.

- Outdoor pool!
- Outdoor pool, bike trails and bike paths for roads
- Outdoor pool, splash pad

Village Rec Program similar to what the Town offers.

- Outdoor pool, theatre, pop up beer gardens more live music events,

Food truck events, restaurants

- Outdoor pool, water slides and kids splash pad!!
- Outdoor pool. Indoor sports complex
- Outdoor pool/splash pad
- Outdoor swimming pool
- Park Supervisor to work full time and maintain, upgrades & setting programs for parks.
- Parking and vender access.
- parkour / outdoor exercise equipment
- Partner with town to provide athletic opportunities for children after 5th grade who don't want to participate in select sports

- Paved walking/Bike paths! Mountain bike trails
- Perhaps combine with town park/rec for better offerings
- Pickle ball
- Pickle ball
- Pickle ball courts at Indian head
- Pickleball
- Pickleball would be great. Basketball hoops at Miniwaukan Park.
- Please consider a small pay to use off-road riding area like Bong State Recreation Area has. There is not much else like this and it would draw people to this area.
- Pool
- Pool
- Pool

Better beach like Booth Lake

- Pool/splash pad
- Pool/splash pad. Memberships and concessions could be sold to help pay for this.
- Pool/splash pad. We use these in new Berlin because there aren't any.
- Preschool athletics, more swimming opportunities and classes outside of the Y, more youth offerings and activities.
- Public pool,
- Public pool, both indoor and outdoor.
- Railroad depot at Indian head park.
- Recreational Swimming pool
- Reduce cost for village residents to sign up for town rec programs
- Rugby
- Running club for kids who like to run (couple days a week)
- Safe biking
- Sand volleyball
- Security at field park.
- Self defense classes for all age groups
- Show where recreational programs are. Can only find them in East troy and the town
- Sidewalks/shoulders on/near roads.
- Skate park
- Skate park for the kids.
- Skatepark, great spot for kids to get out energy.

Oconomowoc just had an amazing park installed, super busy and a great addition to community.

- Skatepark.
- Skating rink or summer water activities.
- Soccer specific complex and baseball/softball specific complex. There are simply not enough fields. They should have access to better restroom facilities, a concession stand, and more parking. Each facility should ideally have some turf capability for weather events and lights so they can be used at a maximum capacity. It would allow tournaments, which would bring money into the community.
- Some outdoor activities using the new shelter by the Village Hall. Music venues with food and beverage trucks.
- Some type of outdoor pool or splash pad would be nice.

- Splash pad or outdoor pool
- Splash pad or outdoor pool. There's nothing close by or in the area like this. Miniwauken park would make an ideal location.
- Splash pad or outdoor swimming pool

- Splash pad similar to what Sussex has.
- Splash pad with beer garden!
- Splash pad would be awesome to have. It's for all ages! There's not much to offer for water play in our area. The closest one we have is 35-40 minutes away. It would accommodate all ages and even give the chance for children with disabilities to enjoy the fun in the sun at the splash pad! It helps get family's out of the home and enjoy what the community has to offer. From meeting new faces and making friends.
- Splash pad!
- Splash pad!
- Splash pad, beach
- Splash pad, infant play area
- Splash pad. Community center with multi functions for classes, activities, indoor park and rec activities then the town and village of Mukwonago could have a joint park rec offerings instead of current partnership with East Troy. Any indoor activities are held in East Troy due to no space in town or village.
- Splash pad/aquatic center for summer
- Splash pad/outdoor pool
- Splash pad/outdoor pool with water slides for older kids to have somewhere to go /work in summer months.
- Splash pad/pool, indoor kids play area for winter
- Splash pad/swimming pool

- Summer Activity Days you can drop in verses sign up for
- Summer pool and/ or splash pad
- Swim
- Swim lessons, teen classes

- Swimming
- Swimming
- Swimming lessons at Indianhead park more visit from Law enforcement.
- Teens and young adults would benefit from a skate park.
- Tennis courts
- Tennis courts as I am not aware of any tennis courts available in the village for public use.
- The town park and rec should dissolve its partnership with East Troy and the town and village of Mukwonago should team up.
- The village needs a skate park for the kids.
- The village needs to have a dedicated staff person to oversee its parks system. To see to park maintain, programs, events & working with outside group events.
- The village/ town combined has few offerings compared to towns of similar size (hartford, slinger, monroe) look at these towns offerings/set up
- Toddler gymnastics or toddler activities in general would be amazing!
- Town and village should share the activitie programs. Having to pay as a non resident is not right.
- Trap shooting
- Turf fields, or indoor facility for baseball, soccer, LAX, etc.
- Upgrading minor park! It's so nice but feels like it's wasted... how about a nicer trail to the lake? Full 18 disc golf course! With signs and pads?
- Village should work with the town to provide resident rates for Park and Rec activities.
- Water Park with lazy river, splash pad, skateboard ramps and play ground

equipment.

A teen space. Bouncy houses.

- We need a pool and a full time park and rec director.
- We need an outdoor splash pad for the summer and an outdoor lighted skating rink for the winter.
- We need more for young children to do. Would love a splash pad or outdoor pool please!!
- We need more soccer fields. As a coach for the local club We are running low on space.
- We need much better baseball diamonds for our youth programs to play on. These fields are unplayable when it rains even a little bit.
- We should have a splash pad here in the village for our children to use so we don't have to go out of town to use one, and we should have a village recreation program so we don't have to go to the Town of Mukwonago for sports programs.
- What was said already
- Why not just partner with the Town... they're doing a fantastic job
- Wish that a portion of Field Park could be flooded for a winter ice skating rink. Fun for all ages
- Would love better parks in Mukwonago! It's a but sports town, so please upgrade our facilities to keep kids playing here & not go to other towns. The parks need restrooms, not just port-o-potties that are never cleaned. A splash pad or indoor/outdoor pool would be a wonderful addition to our community.
- Yoga, kids sports, toddler and up
- Youth sports
- Youth sports programs

**Please use this space to provide any other comments relating to pedestrian, bicycle, park and recreation services or facilities in the Village of Mukwonago. (residents only)**

- A designated bike route would be nice to connect all the parks with controlled pedestrian Crossings
- A public indoor or outdoor pool would be amazing! The Y is too expensive and not an option unless you are a member.
- A safe way to get over the Fox River would be great.
- All was said
- An outdoor pool or water recreation center would be nice.
- Avid nature lover and new mom, love the access to a variety of playgrounds throughout village. We're just lacking winter options!
- Bathroom buildings instead of port-a-poties would be really great.
- Bathrooms! (Not Portable Toilets)
- Be wonderful to see some more bike trails, and even a local facility that allows canoe or small boats rentals so families without boats could really enjoy beautiful phantom lake.
- Before creating new services and facilities, please improve existing. The parkway on LO between the Minors subdivisions needs the bridges fixed and improved.
- Better access and safety to downtown area, bike racks, etc. Difficult to even walk-through d/t current traffic flow and limited community congregation areas (ex East Troy's/Elkhorn/Delavan's Square). HWY83 through traffic should be enforced (semi and large trucks especially) to get bypassed down NN to either the I-43 alt or consider 2nd Mukwonago freeway entrance/exit at Edgewood. Then eliminate current X intersection 83/ES traffic and create a rectangle one way traffic with central park and angled parking. This will slow down traffic, easier access to businesses in downtown, more parking and better walking/congregating area.
- Better biking availability needed
- Better groomed and available soccer and baseball fields, Mini is terrible for water issues
- Bicycle license are silly.
- Bike lane to East Troy
- Bike lanes
- Bike lanes around the downtown area would be much appreciated.
- Bike trails and dog friendly.
- Bike trails into town from new neighborhoods Hwy E and NN to town
- Boardwalks on path in Minors Park (Cth LO) are in dire need of replacement and seem unsafe for use.
- Community pool for residents only
- Completely replace the bridges off minor park on LO
- connect Minors Park trails to Hwy 83.
- Connect to other trails.
- Definitely pool or splash pad!
- Desperately need places to ride bikes; especially connecting to adjoining trails and local businesses.
- Disk golf at Miniwaukan in desperate need of updating, as a 1st time user I could barely read signs. I walk my dog here daily and the park is highly utilized...
- Disk golf course could use some new paint on the number signs above the cages.
- Downtown traffic is horrible to even cross the street. Even with the lighted crosswalk signs. People don't pay attention. I've almost got hit quite a few times.
- Equestrian facilities such as riding trails and show facilities would be wonderful.
- field park pavilion needs to be replaced with larger, year around facility for 200-300 people
- Fix pickleball courts in Field park ASAP!
- Funding-State Grants-Federal Grants. Also, Foundations-Sierra Club, etc.
- Goose population needs to be reduced (goose poop all over the place at Indianhead park). Concentrate on eliminating geese that winter in Mukwonago
- Having more bicycle trails in Mukwonago would give bikes a chance to ride safely to and from places. Especially with littles.
- Honestly, it's hard to search and find information about the parks and what is offered at each one.
- Hope you consider smaller bands for the new bandshell, also allowing carry-ins especially food. Waterford has a fantastic venue you could look at and model after.
- I am glad to see the pedestrian crosswalks that have flashing lights and are more visible to drivers this way.
- I am very grateful to be part of this community and think the Village and Town are doing a wonderful job of making this a great place to live. I certainly think there are areas to be improved upon, but thank you for everything you do!
- I cannot stress how much the HS needs sidewalks to Minor's subdivision and around the perimeter.
- I don't understand why sports and other activities differ by town and village. I've heard there used to be some reciprocal agreement but now there isn't. As a newer resident I'm not even sure what parks and rec facilities are available to me and my family.

- I feel there were parks listed on here that I didn't know about...is there a good map/brochure/park use communication out there? Is there a FB page or ?
- I like walking paths with sidewalks makes me feel safe and steady on my feet
- I love the past improvements made to bike routes and sidewalks in Mukwonago. I can bike or run 10+ miles easily- and safely! Great job, Village Board and Staff. I appreciate you.
- I overall love how there is sidewalks everywhere. I really would love to see a splash pad area for kids.
- I run and walk throughout the village a lot with my dog and have come close to being hit by cars who refuse to stop for pedestrians in crosswalks. We need to somehow re-educate drivers that pedestrians have the right of way.
- I think the village does a very good job of maintaining the parks.
- I thought precovid there was talk of connecting the bike trail to the Muskego trail. That would be a huge benefit!
- I wanted to add to my comment about lack of sidewalk on ES across the Fox River bridge. With the new subdivision that is there (Fox River View) with many young families the safety concern for children riding their bike or walking on that stretch is high. And as the kids get older and the option of riding their bikes independently increases the ability to cross that bridge safely is very low.
- I was really happy to see all the new playgrounds around Mukwonago.
- I wish there were sidewalks in the neighborhoods off Mukwonago Drive but we have the green space. The parking on Mukwonago drive is dangerous to pedestrians because of the curve of the road, and speeds at which cars fly by. I'm afraid with my 4 small kids plus a dog to walk a lot in our neighborhood so we walk to the next neighborhood by Elegant Farmer (we cross busy Honeywell to get there) because they have sidewalks.
- I would bike more often if there were lanes available.
- I would like to see more safe bike/ hiking trails in the village to make the village more accessible without having to drive to local businesses
- I would love a bike trail that connects the outlying parks of the city to allow for safe bike transportation. Many people try to walk/run and bike on National but it is very dangerous with the hills and limited space to the side of the road.
- I would love to see an ice skating ring at one of our Village parks in the winter time. My family and I would definitely utilize it.
- I would love to see bike trails put in to make our more rural areas have accessibility to parks and businesses within the village.
- I would love to see more trash cans placed along the trails and main sidewalks to help with litter control
- I would really like to see a splash pad available for the kids. We need more Lacrosse fields, it is a fast growing sport and it is only going to get bigger.
- I'd love there to be biking/walking access to all parks, library, elegant farmer etc.
- I'd love to see more playgrounds, park space and bike trails in and around Mukwonago
- In the bulletins that are mailed to Village and Town residents there should be a highlighted section (on the front), in BOLD the rules of the road: walk against traffic and bike with. Too many people in the town (specifically because we don't have sidewalks) walk with the traffic and it's beyond annoying! They need to be told that they are doing it wrong!
- It has been a disappointment to live here the past 7 years with limited facilities and no park/rec dept.
- It would be great if the Village & the Town collaborated as much as possible. Outside of municipal boundary lines, we are one community. No need for an us vs. them mentality....it's just us.
- It would be nice to be able to safely walk from the village are into town from the area of heaven city.
- It would be nice to cross the Fox River and get to the new subdivision without feeling like you are going to get hit by a car. No sidewalk for kids to cross safely. My son's in 8th grade and it makes me nervous everytime he goes from our subdivision River Park Estates to meet a friend in Fox River View subdivision. I also would love a place to go fishing on the Fox River that you could bike/walk to with a Pier or some kind of platform.
- It would be nice to have a paved bike trail
- It would be nice to see further investments in the rec facilities such as improving the fields at miniwauken. The kickers program seems to be outgrowing its spaces and they are always so swampy.
- It would be really nice if the Towns rec program could become 'all Mukwonago' so that those of us living in the village wouldn't have to pay extra to participate. I think it is good that all the kids grow up playing together since there are so many schools and it is a good opportunity for them to meet people outside of their school, but I do think there is opportunity to create a unified program that would be even more

- beneficial to our whole community.
- It would be wonderful to have a hiking trail with a walking path that is pet friendly.
  - kayaking/canoeing
  - Keep connecting the trails.
  - Keep up the good work!
  - Lights and bathrooms
  - Lights for pickle ball courts
  - Look into making the landowners feels safe if going to put a bike path into their backyard (the car line that goes from Big Bend to Mukwonago).
  - Love the area but you have to drive to other municipalities to get to things that can be used.
  - Love the town offerings but not the increase in price for being a village citizen. Very frustrating. Intersection by wonago biking is chaos, leads people to cut through on shore drive, speed like demons and rude to citizens walking or biking on a 'quiet' street they live on. Stop signs blown the whole way down. Peak times 4-530
  - Make boat launch safer on national ave / fox st. Blind curve. Traffic too fast
  - Make considerations for auto traffic areas, i.e. excessive congestion on 83.
  - Make the parks more appealing! Better facilities all around will keep young families in Mukwonago. Upgrade/add restrooms and snack areas.
  - Making the "5 points" of the village more pedestrian friendly - near museum
  - Maybe the Town of Mukwonago and the Village could coordinate some of their athletic programs together. Dshare the expense.
  - Miniwauken Park needs to improve their soccer fields. Not sure how but the fields are very poor and often get flooded and are muddy.
  - Minors park beer garden and fix the bridges
  - Minors park needs better/ newer equipment
  - More trails would be nice. The trail on the bypass is used frequently but there's not much around the end of town by High School.
  - Mukwonago has been notorious for doing things on the cheap. A little extra upfront is worth it over the long term of its use.
  - Mukwonago has had this type of survey twice, but hasn't made any improvements regarding biker safety and paths. Driving down LO and NN multiple times a week, I always see bikers and am concerned for their safety. There is no shoulder, winding roads and hills making it difficult as a driver to see them. I miss biking and used to do it often when living in Wind Lake because we had a nice path out to Burlington. I'm disappointed with the lack of care Mukwonago residents and the community have towards improving our facilities and outdoor accessibilities.
  - Mukwonago is a growing population with new, younger families. It's time to start thinking about new and innovative ways to work for them instead of maintaining the status quo.
  - Mukwonago needs a connection from Miniwaukan Park to the Village core.
  - Mukwonago needs an outdoor pool and/or splash pad
  - Mukwonago needs more kid friendly activities and family friendly options

  - Overall this is a very user friendly town. I'm biking longer distances than your average person, so I'd love to see bike-safe connections to other nearby towns.
  - Paved parking lot at the kayak and canoe park would be really nice.
  - Please add off-road bike trail/sidewalks. Not only downtown but along main roads to get to downtown (ie County Road NN)
  - Please build a bike path from the Town to the Village along NN. It will connect all of the subdivisions and bring more activity into the Village.
  - Please consider a Splash Pad for Mukwonago kiddos
  - Please consider the increasing use of e-bikes. The higher speeds they reach can make the shared paths less pedestrian friendly.
  - Please invest!!!
  - Please make the center of village safer by coffee shop on square safer. A concrete barrier would make me feel safer by the museum.
  - Please plan holistically...if there's a way to pool funds to make something great, do it...avoid redundancy (Example: instead of the standalone School District office, could've incorporated it into the high school remodeling plans and added one court and an indoor track to be a field house on par with or better than other schools in the area.
  - Safe crossing areas downtown
  - Same as above. Many towns of similar size have much more to offer as parks, space, activities
  - See above
  - Should be able to safely ride into the village from the town of Muk.
  - Sidewalks in the village need to be taken care of. They are often uneven or the cement is cracked making it difficult to run/walk on, especially in the downtown area.
  - Skatepark!!
  - Some of the upgrades have been nice, but we really need to go to the

next level as a community. New Berlin and Muskego have much better systems than we do. I realize their taxes are higher but I'm willing to pay more in taxes for this - as long as our new village board members don't stifle growth and limit tax diversity to accommodate growth. Most people want growth, done the right way..... like the parks (and growing the tax base to pay for it!)

- Stop allowing Maxwell street day and farmers market to destroy field park all summer. The lawn is pure trash after each event. It's been left rutted and crap after all these years. It's a park not a parking lot. Not worth the headache destroying the turf each and every year.
- Teens need something to do in this town. A community center give an opportunity for this.
- Thank you for all that we already have and the people that maintain it. . . Maybe time to start looking at including areas in the parks for more native plants and no pesticide use.
- The "place of the bear" should be a place where we embrace nature and it's lands, not destroy it with building new condos, apartments and businesses. The more accessible we make our lands, the more we can see it's importance, love it, and protect it. If not, we will lose our identity and look more like Brookfield, Franklin, New Berlin or Muskego.
- The concept that East Troy has done with the square is phenomenal. Bringing local business and the community together. The traffic is becoming unbearable. Our family would love to cross the street to get to the library across 83 around the cemetery and we can easily wait there for 5 minutes before crossing.

- The increase in car traffic in the village is a concern for pedestrians and bikes. A park with trails would be safer.
- The loop around the village is nice but lacking in LO between the park and Main Street. We have to take our young kids through the neighborhoods and cross busy LO on a blind hill. It would be nice to carry the path from the park all the way along the road to avoid crossing the busy road with young kids. Please add off road bike trails through the wooded areas of the parks. Please add an outdoor pool for families to gather over summer.
- The Mukwonago Park could really use a playground. We often go there for events hosted there and there's not much for the kids to do while the event is going on. We would also love to see better soccer fields at the Washington Ave park. It is quite rough for these kids and often get stuck in a hole and twist their ankles or trip and fall on the ground. Miniwaukan's small soccer fields could also use a little upkeep. We'd really appreciate that!
- The new grandstand venue is a great amenity! Appreciate the future events to be hosted there. With this being said, the parking facility and open grass seating area make it VERY HARD to use for family members in wheels. Old, young, and everyone in between should be afforded the opportunity to utilize ALL park amenities. It only takes a little more effort to plan (not always more money).
- The park on Phantom Lake really needs to be cleaned up, it is basically weeds and isn't kept up.
- The port a john by Mukwonago canoe launch should be left there all year long
- The soccer fields have poor drainage, additional turf fields would be a huge

benefit for the many soccer/clubs in the area!

- The tennis courts converting to pickle ball courts was a good idea ... but the base is too worn and cracked. The entire surface needs to be removed and redone.
- The Town has a wonderful dog park - the Village needs one too. Consider charging a fee to cover the cost of a lifeguard for the beach area.
- The trees in the parks need attention! I'd hate to see someone hurt or killed because a dead branch fell on them.
- The village park system has only recently seen some upgrades to parking lots & play equipment. Field Park need a new year round large building so winter events can be held.
- The Village should allocate resources to build and maintain better baseball diamonds.
- The village should subsidize the cost of participating in the town Rec programs since they offer none.
- The wooden bridges at Minor park should really be repaired before adding additional trails.
- There needs to be a continuation of the trail on 83 that goes from the train bridge over to the path that leads to Indianhead Park, please. Perhaps add a playground at the public boat launch or in that open lot that's north of the public boat landing. Our lake is so nice but so exclusive! I know it's all about tax revenue but perhaps a little room could be left for those who can't afford \$1 million dollar homes. Also, it's super easy to chase off the geese from the walking trails. Dog clubs in other towns have set up a schedule where they bring a dog during the day/evening and their presence deters the geese. The boat launch area is so gross that without taking care of the

- goose poo, a playground wouldn't get used.
- There should be more sidewalks in the village. My family lives on Crestview and there are no sidewalks at all and people do not slow down or stop at the stop sign on Crestview and spring street and we have several young children on this street. There should be more sidewalks to make it safer for the kids.
- There should be playground equipment on Andrews street near the public launch
- Think there are plenty of parks, just need to optimize the space better.
- Town is great for pedestrians outside of the bridge on main Street
- Trails from the town into the village to make it safe to travel on bike or foot would be helpful.
- Update Pickleball courts to permanent courts and repair courts
- Usable features and equipment would be most useful to the families. There is a park adjacent to field park that is just grass, I've never seen anything go on there except parking. Community splash pad/ice rink, skate boarding/bmx park?
- Village and this area is a beautiful growing area. Many of the requested information shows how much people care.
- Village needs a pool and splash pad
- We have a beautiful area. It would be nice to have

- Mukwonago be a destination and not a drive through village
- We have basically no street lights in our neighborhood, it would be nice to have street lights and sidewalks
  - We have so many people who walk and have a desire to walk or bike. We NEED to have a cohesive path system in the village.
  - We love Miniwaukan park, but the picnic tables in the pavilion are very old and are in very poor shape. We would love some new picnic tables there- then it would be perfect for a family reunion or birthday party.
  - We need a splash pad!
  - We need benches or tables at playgrounds and accessible and clean bathrooms
  - We need more bike/walking paths to connect the Town of Mukwonago to the Village of Mukwonago.
  - We need more for our kids to do. It would be nice to have more play grounds in the village that children can easily get to without needing a parent to drive them there
  - We need more inter-urban biking and walking trails. Mukwonago is one of the few areas in the state that has a very poor biking/ walking trail connection to other counties.
  - We need more lighting on our ball fields for our youth sports.
  - We need more walking paths! Areas for families

- (of all ages) to enjoy....alot of time parks are geared towards young children, but I am sure our 8 year olds and up would enjoy recreation too! (i.e., outdoor swimming pool, walking paths, bike paths, tennis courts, driving range, etc.)
- We need more!
  - We need signage! ;Trying to explain where some of the parks are was difficult. Have a map of all the Village Parks on website for wayfinding,
  - We use Waukeshia park and Rec services. I didn't even know Mukwonago had any.
  - Would be nice to have designated bicycles paths.
  - Would love for my kids to have more access to bike trails, especially to safely get to town from the East.
  - Would love to have a splash pad for kids, and the grand stand for performances that was mentioned many times in the last few years.
  - Would love to see more scenic places to take a walk with water and or floral attractiveness. Mukwonago really doesn't have a place for taking fun pictures either (formal events etc)
  - ~~100~~ % need safer walking conditions!! More flashing signs and Real police enforcement!

**Name a specific location or destination in the Village of Mukwonago that needs to be improved for bicycle or pedestrian safety. (Residents Only)**

- Hwy L.O. west of Minors park to Hwy. I
- 83 and NN
- 83 and NN
- 83 to and LO
- 83, and that street on pick n save by that school
- 83, NN, I, ES
- A bicycle path between East Troy and the Village would be good and could follow along the trolley line.
- A cross walk needs to be added between minors dr and minors park. there is a bike crossing but no pedestrian crossing signs. Vehicles do not stop and it is the only place that children can cross to get to the playground equipment
- A path connecting Minors Drive to the high school would prevent kids from walking or biking through the snow to get to the high school (from this subdivision that does not have bus service).
- A safe way to get from the downtown area to the YMCA area for bikes and pedestrians.
- A walking/bike path on LO that connects to 83. Between Minor Park and W side Avenue is very unsafe.
- A walking/bike path over the railroad tracks from Meadow Park Estates to the downtown area (or finish Plank Road across the tracks).
- Access to Mukwonago Town Park / lauren park.
- Add illuminated stop signs on NN where the driver only has to stop when stop sign is flashing red for a pedestrian. Most people keep driving with the current crosswalk sign and lights.
- All crosswalks. Drivers don't like to stop for pedestrians at the crosswalks.
- All of downtown
- All of Hillview Drive. It is a very curvy road with many blind spots. I would love to take my kids on bike rides but feel it is not very safe.
- All roadways should have a bike lane
- All streets to be bike/people-friendly. Downtown, near the parks, and schools.
- All the cross walks that cross hwy 83 (N Rochester St). Cars don't stop as they should and it's very dangerous.
- Almost anywhere. I don't think that most of the Village is safe for biking.
- Along 83
- Along 83
- Along 83/ES
- Along ES in front of Elegant Farmer to East Troy. Would love a walking trail or bike path all along ES. Imagine the people that would bike or walk from town of Mukwonago to East Troy! That is my dream for this city. We could bike to get ice cream at Elegant Farmer in the summer!
- Along hwy 83 between village and hwy I round-about.
- Along national avenue
- Along National Avenue near oakdale and national intersection.
- Along NN between Two Rivers subdivision and west to the railroad overpass.
- Andrews Street
- any village parks to a destination like the shops and restaurants "downtown"
- Area around 43 and 83. Not easy to get around to the little that we have to walk to. Would love to bike but way too dangerous!
- Areas near the high school, middle school in Clarendon are especially concerning. When school is let out there should be police or crossing guards present.
- Around downtown
- Around field park, park view middle school
- Around the High School
- Around the middle school and high school.
- At the entrance of the Two Rivers Subdivision - needs a sidewalk that connects to the path on Holz Pkwy to allow for walking/biking to library and other places in the village.
- Better crosswalk signage for pedestrians would be great in the entire village. Maybe vehicles don't stop as they should for pedestrians
- Between bridge by the swimming hole and Village Liquor mini mart. I'd love a multi use pass over the Fox River Bridge on ES.
- Between high school and Main street
- Between kiwanis park and field park
- Between pick n save and Culver's.
- Beulah Road between rolling hills and section.
- Beulah Road! There are a ton of people walking/ riding bikes and it's very unsafe on the winding roads. From rolling hills all the way to Beulah lake.
- Bicycle - everywhere. There are no safe roads (other than neighborhoods) for bicycling in the village. Start with 83 from Wolf Run all the way north to Bear Pass. Pedestrian - the I43 overpass sidewalk is on the wrong side. Most pedestrians crossing 43 are heading to Aldi or Walmart.
- Bike/pedestrian path needed on ES (National) from the bypass east to the Fox River. Crossing 83 is dangerous, even with the lighted pedestrian crossway. Cars in one direction may stop, but not always in the other.
- Biking along National specifically from Eastern Trail to Veterans Parkway (NN)
- Biking around Phantom Lake
- Bompl BL walfqueens
- Bridge on ES

- Bridge over 43 and wolf run
- Bridge over the Fox River. There should be a walking lane or bike lane.
- bridges like the one on National Ave
- By 83
- By elegant farmer
- By Phantom Lake
- By the fox river on ES should be a walking path.
- By the middle school
- By the police station. Would like sidewalk on the short road fo walking safety. Extend the side walk to go all the way to the park side walk
- By the rivers and also any path heading down to the post office, dollar general.
- By Walgreens
- Can't think of any.
- Center of Town, near Walgreens, Fork in the road..etc.
- Connect ES into town. Would be nice to have a sidewalk all the way up to the railroad tracks.
- Connect sidewalk on County road LO from Rochester St to Minor Park
- Connect the path on the bypass to Hwy NN.
- Connecting 83 going west to Minor's park on LO.
- Connecting the Town of Mukwonago to the Village. Example subdivisions north of intersection NN and I.
- Connection between town and village. Roads offer little or no shoulders, there are only sidewalks around some subdivisions, and there are only busy roads connecting the town and village.
- Connection of eastside of river with walking/bike trails. There is an extreme danger of crossing the ES river bridge preventing people from accessing the trails and community by bike and on foot.
- continue a sidewalk/paved trail from the trainbridge (by the police dept) over to the pared path that leads to Indianhead park.
- Continue sidewalk on LO from Hwy 83 to CTH-I
- Corner of HWY 83 and ES.
- Corner of NN and ES up to Walgreens square
- Could use a foot bridge on Fox St. from the Edgewood over the Fox River. It would be nice to walk from my subdivision into town or to the other bike trails.
- County LO
- County Park
- Lauren Park
- Minor Park
- Miniwauken Park
- County Road NN... From eagle into Mukwonago should all be bike friendly. How many hundreds of high-income homes live along this strip? It would provide parent's with with an opportunity to plan family bike outings to Mukwonago. Spend family dollars within our community. Plus, think about how many children could be an added workforce and could bike to work safely each day. Not to mention the amount of bike competitions held in the Palmyra/eagle area that could be extended to Mukwonago.
- County roads to downtown area. Hyw LO in particular.
- create a bile path throughout the city where you can ride your bike off the main roads
- Create a path from more western subdivisions into town. Ie corner of NN and E to high school area
- Cross walks going to field park and Clarendon area.
- Crossing ES near fire station
- Crossing Hy 83 at Bayview rd
- Crossing over National Ave where Mckenzie Dr and Oakland Ave meet
- Crosswalk for middle school students across 83
- CTH ES from CTH NN to STH 83
- STH 83 from CTH ES South to Police Station
- Double NN and EE...walking paths on these highways would be amazing...
- Down ES going towards 83.
- Down town area crosswalks
- downtown
- Downtown
- Downtown
- downtown
- Downtown
- Downtown
- Downtown
- Downtown and near the middle school
- Downtown and Rochester St., and all of NN
- Downtown and the stretch on ES from Dollar General to Pearl
- Downtown area
- Downtown area can be very congested where many streets meet and can be confusing if you don't live here. I would not ride my bike there.
- Downtown Hwy 83, Cth LO from baseball diamonds to Hwy 83, improvements to YMCA from bypass.
- Downtown lacks bicycle safety. Id love to have my kids be safe to cross through near the museum, but traffic is congested and the sidewalk is very narrow next to the Wilted Rose.
- Downtown mukwonago
- Downtown near Walgreens
- Downtown on Square
- Downtown Strip
- Downtown where 83 meets ES.
- E and S sweets area
- Eagle Lake Avenue from Hwy 83 to Minor Park
- ES / National Avenue Road- no sidewalks available and cars drive rather fast. Not safe to try and walk/bike on.
- ES across the bridge heading east towards edgewood dr
- ES between NN and just past the old Sentry across from Aptar. Also, the crosswalks on Veterans Way. Even if you push the button people do not stop for pedestrians trying to cross the road.
- ES between Regees and Bayview, narrow and no curb. Also Bayview rd between ES and 83, sidewalk is narrow and very close to the busy road. Also over the

- phantom lake bridge on ES. Better access to the bike path @Miniwaukan park, extend the bike path. Also Honeywell rd, no sidewalk. I'd love to bike more but the traffic is busy on those streets.
- ES from square to the River. RO (from 83) to city park. ES to Easy Troy.
  - ES from the fire station to downtown
  - ES, 83 fork intersection. Scary, people flying, sidewalk is spilling into the street. With little ones new to bikes we end up going behind the businesses to avoid the chaos. Back behind olive church, espresso love, fork , cousins
  - ES/Fox Street from E. Veterans Highway to S. Rochester
  - Every crosswalk on Main Street. Especially by Main Street and McArthur
  - Everywhere with hey 83. Cars do not stop for either when crossing.
  - Everywhere, it would be a good idea to model off of Bentonville Arkansas
  - Everywhere.
  - Everywhere. Seems real dangerous to ride my bike while towing my 1 1/2 year old on the side of the road in town.
  - Exiting path from swimming hole to Jefferson St. . . .hard ro see if there are approaching cars.
  - Field Park
  - Field Park area
  - Field Park should have better parking and handy Parking access for people who walk in the park.
  - Field Park. Schools, library.
  - For bikes: NN in front of the high school all the way to Clarendon, and 83 between NN and ES. There is no safe way to bike without being on the sidewalk with pedestrians.
  - Fox River Bridge on Hwy ES National Ave Downtown
  - Fox river view neighborhood connection to rest of the village. Crossing the river at national is not a safe option due to narrowness of road and speed of vehicles.
  - Fox river view subdivision to middle and high schools
  - Fox street by BMO Harris Bank
  - Fox Street to Veterans
  - From North prairie to the high school
  - From the high school to field park
  - From the village to Minor Park. Or all the way to Mukwonago Park.
  - Getting across 43 to the stores.
  - Getting from one neighborhood to another, there's not enough sidewalks.
  - Getting out of pick and save when park view middle school is being dismissed.
  - Have not observed any issues lately.
  - Hey 83
  - Hey 83
  - Hey 83 and bay view. Sidewalks on Bayview are very close to traffic. The intersection is hard to cross because people run red lights. Also there is no complete sidewalk to downtown from Mukwonago estates area. Downtown intersection is difficult at times.
  - Hey ES into town from East Troy
  - Highway 83 needs a bike path
  - Highway es both sides and through town
  - Highway ES so subdivisions could hook up with the downtown
  - Highway J. Connection between highway J and walking path by subdivision on main street
  - Highway ES along industrial park
  - Highway NN by rolling hills elementary
  - Holtz parkway crosswalks Path in miniwaukan park
  - Holz parkway north. Trail extended between Minnewakin Park and 83. Bike path down LO. Bike path to elegant farmer.
  - Holz Parkway.
  - Holz/Perkins. The flashing lights are great addition but the zebra pedestrian crossing needs to be re-painted (completely faded) and still dangerous to cross.
  - hotz parkway and perkins st.;
  - Hwy 83
  - Hwy 83
  - Hwy 83
  - Hwy 83
  - Hwy 83
  - Hwy 83 between Hwy LO and Main St (around Fork in the Road).
  - Hwy 83 by Clarendon
  - Hwy 83 East to hwy ES
  - Hwy 83 from ES to NN - very dangerous due to increased traffic.
  - HWY 83 from Kwik Trip to a Walmart
  - Hwy 83 north into town from Sugden/Frog Alley
  - Hwy EE
  - Hwy EE between town hall and the High School
  - Hwy EE from the high school to Hwy I. Lots of kids walk on that road. It's very narrow and dangerous for walkers and bikers.
  - Hwy ES
  - Hwy ES from Edgewood Ave to Holz Pkwy
  - HWY LO from 83 west & NN past high school going west towards Eagle
  - Hwy LO from Rochester to Baseball diamonds across from Minors Homestead.
  - Hwy LO to the county park
  - Hwy LO
  - Hwy NN
  - Hwy NN
  - Hwy NN from Eagle to Mukwonago
  - Hwy NN towards Eagle
  - Hwy NN west of the high school all the way to Hwy E. I would bike more of it was safe to ride on NN, but it's way too dangerous.
  - Hwy. LO and Hwy ES East
  - I can't think of any
  - I don't think it is safe for bike traffic going through town at all
  - I dont bike but my teens do, so anywhere would be great
  - I don't know.
  - I know this isn't the village, but Hwy EE needs a bike lane for those wanting to

bike and/or walk from nearby subdivisions to the high school. It is too dangerous as it is, especially the section of EE between Hwy I and Hwy NN. However, the bike lane should reach as far as Beulah (or at least Lauren's Parkway).

- I live in the "astronaut courts" and we have no sidewalks once you get to the top of the hill. Mukwonago drive is relatively busy and there are no sidewalks. So to ride bikes, my kids need to go to one of the newer neighborhoods
- I live in the town
- I live in the Town of Muk (I know this is a Village based questionnaire). I would love to see a sidewalk that would extend down County Road EE from Beulah to W. Veterans Way. This would connect several neighborhoods to Lauren Park and also to the Village in general.
- I think that the current few cross walk flashing light indicators should be changed to an actual red/yellow/green light. I have seen them other places. I see people still speed past those flashing indicators because I don't think they fully understand they need to stop. A red light means stop
- I would encourage Mukwonago and Vernon to work on a bike path under the electric line that is already in place from Big Bend to Mukwonago (and longer). I would want more sidewalks if possible in all areas in the Village that "make sense". Currently Maple Ave. in Mukwonago has a narrow road and needs upkeep. Rather than discouraging walkers or bikers, I would rather welcome them. Maple Ave. often has 20 bikers in a row, early in the morning on a weekend and I want them to feel safe. The shoulders of the road, especially Maple Ave. need to be better maintained and actually "there". A road with no

shoulders is not great for pedestrian or bicyclist.

- I would like to see a bike path from rolling hills to the high school
- Indian Head park
- Indian head park.
- Indianhead Park
- Intersection by Field Park and for access to Miniwaukan Park
- Intersection by pick n save, middle school, and park.
- Intersection by the middle school and park
- Intersection of 83 and Bayview. Trying to cross that street to access the bike trails is terrible
- Intersection of 83 and NN
- Intersection of E and NN
- Intersection of Fox river run / grey fox trail and Edgewood ave.
- Intersection of Hwy 83 and ES at Walgreens
- Intersection of Veterans and National (by fire station)
- It is not safe crossing HWY LO as a pedestrian or on bicycle from Minors Subdivision.
- It would be nice if there were a way to more safely walk or bike across the bridge near The Villshe Pump/Bay View Family restaurant and if there were a sidewalk in that area.
- It would be nice to have a bike path that follows the old tracks to Big Bend. Something similar to the Bugline in Sussex, Lannon, Meno. Falls.
- Lengths of 83 an also along the length of ES.
- Library
- LO
- LO
- LO bike path extension to the sidewalk
- LO East of Minor's Park
- LO from the park to Main Street.
- LO into Eagle, please!
- LO- There is a bike path that goes through the park, but stops well before 83 with minimal shoulder. It would be great to have easy bike access to "downtown" MUK to get lunch/ice cream/coffee

Would love a bike path on hwy I for exercise use-the hills are great, but I would never ride on it due to blind areas and no shoulder.

- LO to the high school
- LO where the bike trial ends is o 83 Veterans way/NN and 83 until it connects to the bypass trail. Bayview to Main Street Main st to 83
- Longer trail along Highway LO and trails/paths that can connect a huge loop to and around holtz parkway
- Main intersection of Hwy 83 and Veteran's Parkway. Crossing is a pain in the ass and it feels like crossing the 8+ lanes of traffic (with turn lanes) exposes oneself to possible hitting by vehicle. Also, would like to see better pedestrian pathways along either side of Hwy 83 in the downtown area. What happened with the plans for the "Bear Paw" theme and creating separation from parking areas and walkways in downtown?
- Main park by the middle school, that intersection is dangerous for pedestrians and bikes! Better markings alternative routes needed to avoid that intersection
- Main Roads, HWY NN, HWY LO
- Main street
- Main Street
- Main Street and Bay View Road.
- Main Street and oaths leading towards buelah.
- Main Street, side of ES and 83.
- Major intersections of Hwy 83 — NN, ES.
- Middle school and high school
- Miniwalkin park
- Miniwaukan Park
- Miniwaukan Park
- Miniwauken
- Miniwauken park
- Miniwauken park. Suggest connecting downtown village to park via Plank Rd, such as pedestrian bridge or tunnel.
- Miniwauken park. This is an amazing park minus

one aspect. The lighting conditions around park are dark and not lit. We live near this park and during the fall, winter, and spring months can not walk during hours of darkness. Which In Wisconsin can sometimes be 1700 hours. We would like to see lights along the walking path so we can enjoy this beautiful park throughout all seasons.

- Minors park
- Minors park bridges
- More paths and sidewalks
- Mostly just road crossing to traverse from one trail area to another. Nice trail along LO bit short stretch, same with along Veterans Parkway but again doesn't easily connect.
- Mukwonago HS!!!!!!
- N Rochester St around Eagle Lake Ave. Lots of cars speed to make that yellow light and then traffic is at a standstill just south of Lake St.
- N/A
- N/A

- National ave
- National Ave
- National Ave
- National Avenue specifically by Semper Fi over the bridge and towards town. Very dangerous trying to get from Edgewood and National over to the Two Rivers subdivision.
- Near Indian Head Park
- Near the high school
- Near the Mukwonago dog park
- Near the river/Phantom Lake
- neighborhoods too parks
- NN
- No sidewalk from Minor Park to 83
- none
- None
- none

- None
- None
- None, but we need to re-educate drivers that pedestrian's have the right of way.

- On 83 going from NN to police station.
- On hwy LO/Eagle Lake Ave between Hwy 83 and the baseball diamonds near Minors Dr. Please extend the bike/walking path, so there's safe travel to the stores and restaurants on hwy 83 in town. It's not currently safe once the the path ends.
- On NN, from neighborhoods to Rolling Hills - it would be great to have a path that connects Eagle to Mukwonago. Better options on Main Street to get over the Phantom lake bridge. Connecting East Troy to Mukwonago with a bike/walking path. Improved walkability around Elegant Farmer.
- On the roads
- over the 143 bridge to shopping district
- Over the bridge on main Street between mobile and napa
- Parks should have more places for bikes and walkers to walk without being worried about safety with cars
- Path from Hwy E and NN to Mukwonago
- Pedestrian crosswalk at intersection of ES and 83 this is a very dangerous area bc vehicles cannot see pedestrians clearly.
- Phantom lake area - sidewalks or bike lane would be nice
- Phantom lake area/ES
- Post office, also going over the river on ES the sidewalk just ends
- Riding a bike from the town into the village. With gas prices on the rise, if it were safer I would bike into the village to get to and from work when the weather is acceptable.
- River park subdivision and NN even though there's a sign I still see motorists sped through and ignore adults and kids (a lot walk or ride to dollar general or miniwaukan)
- Rochester
- Rochester st
- Route from edges of the Village into the downtown area. Specifically, from

Two Rivers and River Park into downtown.

- safe crossing from plank road to downtown Mukwonago over the railroad tracks. This would allow for more patronage from 2-3 subdivisions.
- School zones
- Side walls are cracking. Need to add more sidewalks connecting the village
- Sidewalk on both sides of Main Street heading north from ES & 83 split
- Sidewalk to Greenwald Shopping along ES
- Sidewalks in subdivision behind Dairy Queen and Antigua
- Sidewalks up & down 83.
- Some of the sidewalks are in bad shape and need to be re done with new concrete
- The "downtown" area by Fork in the Road. By PVMS - all the kids walk around and traffic is busy. Need bike paths that make a loop and don't end abruptly.
- The 3 way stop by Walgreens! You can't cross at the lights there is no crosswalk because it's in the middle of the street by badger burger and the resale shop. I've come very close to being hit here due to crossing between cars and no flashing lights!
- The 83 and ES intersection downtown and the 83 and Veterans Intersection
- The areas I frequent are pretty good so far.
- The bridge on ES needs to include a pedestrian path. It is very dangerous and excludes any kids or adults from heading into town who live on the other side of the Fox River. Also, at the main four way stop near PVMS and pick-n-save needs better crossing for students and people. There is so much traffic that it should warrant those walking signs with lights when pressed.
- The bridge on national across the river should

- have a bike or walking lane
- The bridge over the Fox River on ES. It was recently renovated and it does not have a sidewalk or wider path for pedestrians or those that fish.
- The bridge over the fox river on ES. Too narrow and dangerous for safe walking or biking. I live on one side of the river and would walk to more destinations if I felt safe on this bridge.
- The bridge over the fox river! Make it safe for pedestrians!
- The bridges in the park off LO! They need to be completely replaced, that is such a hazard for everyone walking through trails/
- The center of town
- The corner by walgreens/antique & badger burger. By pickin save
- The corner of ES and 83 is difficult to safely cross with the odd crosswalk near Badger Burger that is not on the corner.
- The corner of Hwy 83 and Veteran's Way is a very dangerous intersection for bikes and pedestrians- especially in the spring/ summer months when middle school students get out of school and walk to Pick N Save or McDonald's.
- The corner of Rochester and NN where the big intersection is at.
- The courts off of Mukwonago Drive or any area without sidewalks. ...
- The crossing to the north of Indianhead park, where you go over the bridge, then up to the road. Very dangerous, lots of kids crossing there and likely more pedestrians with the bandshell. (Front street/Jefferson)
- The entire village
- The existing ring around Mukwonago is very good - better than most communities. Hwy LO could use improvement, future connection to Hwy I and then Hwy NN as that part of the Village develops
- The intersection by Walgreens
- The intersection of 83 and ES
- The main intersection by Walgreens & Hwy NN by the High School.
- The Mukwonago Estates subdivisions do not have readily available sidewalks for pedestrians. This requires we walk on several of the busy roads (Mukwonago Drive) when walking or riding bikes.
- The neighborhood behind David Allen Allen needs side walks!
- The parking lot at Miniwaukan Park and the sidewalks that lead to it can be dangerous, specifically where there is a lot of traffic (during games on the fields). Cars rush through the parking lot and there's no real signage for speed, or even speed bumps to prevent people from tearing through the parking lot. My son and I walk or bike to the park often, especially in nicer weather. We've almost been hit on multiple occasions from reckless drivers. Better (and additional) pedestrian walkways along with increased signage, and maybe even speed bumps around the park would be extremely beneficial. In addition, I feel as if the corner of Small Farm Road and McKenzie Dr needs to be an all-way stop. Speeding and cars not watching as they drive down McKenzie, rushing to games at the park, is a problem!
- The parkway on LO between the two Minors subdivisions. The bridges are not safe. Also, the trees that overhang near the cross walk at the end of Minors (subdivision closest to Hwy I) are dangerous. It is hard to see pedestrians. When walking, you have to poke out onto LO and if a car is coming, there is great potential to be clipped. Also, there should be a pedestrian crossing sign there. I think there is only a bike crossing sign.
- the path in Field Park. On Hwy 83 from Culvers to Aldi.
- The path on LO and bridges
- The path on LO by Minors Park (by disc golf). The bridges are not in the best shape.
- The path on the by pass is great could use more like that at the other end by Kroger
- The pathway and bridges at Minors Park; bridges are rotting and feel unsafe
- The schools.
- The service road in miniwauken park could use either more speed bumps or speed humps. People drive way too fast taking their kids to and from practice and games. The current speed bumps do no slow them down at all. Very scary considering the number of children, pedestrians, and pets that are frequently utilizing the park.
- The side walks in general need to be wider up to date
- The square needs to be more accessible so those businesses can thrive. We need more destinations in general.
- The town roads. Some include NN, I, LO. No space on the shoulder for bikes and the gravel is tough at times.
- The west end of the trail in Miniwauken Park does not go anywhere. If there was a good way to cross 83 and maybe a path along Front St, it could connect to Indianhead Park and the lake.
- The whole town and village, you never work with the state or county to follow safe street recommendations.
- the Whole Village
- There are no sidewalks in the neighborhood around Field Park. That neighborhood is a dangerous area to walk because you have to walk on the street and cars regularly exceed the 25 mile an hour speed limit.

- there's already plenty of offerings near me
- Think that is pretty well covered
- Through town
- To and from Mukwonago Park
- To Clarendon elementary
- To Indian Head Park
- To the schools.
- Too much traffic on Rochester. Need an 83 bypass around Mukwonago
- Towards Mukwonago park
- Traffic light area by tractor supply/Dairy Queen
- Traffic lights need to be improved for crossing the streets to connect to paths
- Trails west of town toward Rolling Hills Elementary and the surrounding subdivisions.
- Two Rivers going to Pick and Save, Going to Walgreens, Library, going YMCA !
- Two rivers subdivision. Needs a sidewalk to connect by fire station. Crossing the road from river park subdivision to dollar general subdivision even with lights is dangerous- maybe a different color blinking light to grab attention? Drivers (including officers) don't stop for those trying to cross.
- Unsure
- unsure
- Unsure
- Veterans Dr by Clarendon
- Village Downtown and Highway NN
- Walgreens, Fork in the Road, E&S Sweets, The Library
- Walking from Park View to Pick and Save, there is no wheelchair access to the pick and save parking lot from the sidewalk on the corner of NN and 83.
- Walking trail in Miniwauken Park. It needs a asphalt top coat refinishing.
- We don't bike
- We need an extended sidewalk from the Mobile on Main Street to the Indianhead park area.
- We need bike paths in general. I don't ride on the road anymore because they aren't safe.
- Westside east to shops and village center
- While walking or bicycling from north to south down to the beach there is no sidewalk starting at the corner of front street to over the bridge to get to the beach. I'm son has to go out into the street into heavy traffic. Also lack of side walk down LO. Children often are scene walking on the shoulder of the highway after school. It would be nice if the bike path continued down LO.
- Would love to see a bike/walk/run path on hwy 83 heading north connecting some of these neighborhoods! It would also be nice for the bike path to continue past Minor Park on LO to hwy 83- I see so many kids and families attempt to bike on that portion of the road-so dangerous! Also, it would be nice if there was a bike path/sidewalk on holt parkway and fox street connecting to the sidewalk that is about a 1/8 mile up. I often run on that road and it is very tight!
- Would LOVE to see a nice pathway on 83 between Pheasant Fields Dr and catch up with the other sidewalks closer to Kwik trip, Culvers, etc. I also think section Rd would benefit from a sidewalk! The street is so close to the curb and is so hilly that it gets scary.

## Where would you prioritize the location of new bike facilities, routes, or trails? (Residents Only)

- Subdivisions - Parks-County Roads
- This park needs an individual road off Holz road to avoid subdivision traffic
- To East Troy and Town of Mukwonago
- It would be nice to have a trail going out to Mukwonago City Park on LO and out to Rolling Hills...or all the way to Eagle on NN or LO.
- LO to City Park. ES from square to the River.
- N/A
- Going out Hwy LO towards the county park
- Bike lanes through and around town.
- Downtown
- Extending easy access east through Two Rivers and other neighborhoods close to downtown.
- Bike lane on ES due to traffic volume and speeding.
- Minors park
- Downtown.
- On LO
- by the middle school
- Saver bike routes downtown.
- Same as above - be great if the small existing section trail on highway LO could be expanded all the way to intersection in town -so LO and 83, this would give people more access from the minors subdivisions to readily ride their bikes or walk straight to town.
- West of high school on highway NN
- The Village should build and maintain a parking lot at the entrance to the Vernon Marsh on Hwy NN.
- Connect as many trails as possible. If possible as wide as the trail along Holz Parkway.
- I think it would be cool to have an 'urban' bike trail connecting all the parts of the village - marked with signage and mileage, possible with bike lanes on the roadways - Miniwauken Park to Culver's to the HS. Marked as a loop or segments.
- On 83 going from NN to police station
- The trail at Minor Park feels wasted, it should connect to something ... probably in town. At least a sidewalk.
- Behind Minors Neighborhood
- Around phantom lake
- Lo
- It would be nice of the village and town could somehow be connected by a bike/walk path.
- Beulah road from section to LO.
- There is currently a path under the electric line like I had mentioned so that could help lessen the cost since the path is already there. However you are going to want land owners to feel safe and possibly consider gates in appropriate areas where pedestrians may wander/trespass into the landowners property.
- Not sure
- Connect all of the village with sidewalks/bike trail. There are still portions of the village that don't have sidewalks.
- Between parks and local businesses
- It would be nice to have a trail that continued from the corner of ES and Holz Parkway that ran east on ES and continued over the ES bridge to the path behind the Fox River View subdivision
- trail around phantom lake
- Maybe Hwy EE into the village
- Hwy. NN between the Town of Mukwonago and the Town of Eagle
- On National Ave
- Nice trails connecting parks and getting around down town
- In current subdivisions w/o sidewalks
- LO, ES and it would be awesome to have a bike path along side the trolley tracks leading from the village to down town East Troy or going down LO to Rainbow springs.
- near parks
- The sidewalk on NN could be extended to the Clydesdale Subdivision to make access to Rolling Hills, Lauren Park and Section available to children and families on bikes.
- Near homes
- See above
- Near the Fox and Mukwonago Rivers
- Routes to get kids to school
- Out past MHS on NN or off LO
- EE, NN, LO
- Just improve upon what is present or hy EE to connect elementary school with high school and those neighborhoods
- Not sure.
- Need access to the ice age trail or something similar
- Connecting sidewalks or pathways for bikes & pedestrians from the high school into the town of Mukwonago would be wonderful! I'd love to see paths/sidewalks from HWY NN to HWY EE.
- On NN from the high school to Clarendon and on 83 from NN to ES
- Connect our communities while emphasizing biking and health. Build a bike lane along NN from the Village through the Town and into Eagle. I would bike into the Village for shopping and dining regularly if there was a safe path along NN.
- Improve from area schools to neighborhoods
- I would love a route along ES which could connect residents in Vernon, Hidden Lakes, Fix River View, etc with the village.
- Extend the path by Front Street into Indianhead Park and make a bike lane

- to connect to Phantom Glen Park.
- Along Holz Drive
  - Around Vernon Marsh
  - Any would be nice and appreciated.
  - Bike space all the way into Eagle on LO! I see so many bikers on that road, but there is no shoulder at all! People walk their dogs double wide, too. I would love to bike that route, but wouldn't dare for my safety.
  - ES from the fire station to downtown
- Around the lakes
- Around county E by Lauren Park
- At each park we have like Miniwaukan or on Hwy LO going into the town.
  - Middle school, through village on 83
  - ?
  - Indianhead
  - none
  - Bicycle lanes on 83, ES, Veterans Way and LO. Ideally, connect these to outlying bike trails.
  - The path and bridges on LO
  - Along ES/LO/83
  - LO
- NN
- ES
- Vernon Marsh
  - Hwy LO from Rochester to baseball diamonds across from Minors Homestead.
  - Near Schools, parks and residential neighborhoods, subdivisions
  - Someplace not along a busy road...a field or wooden section would be nice. It would be nice to bike up to Genesee or over to Eagle and East Troy too...
  - I'll walk any where.
  - Along ES or around Lake Beulah
  - Near the Highschool
  - to east troy
  - Hwy 83 and HWY LO
  - I don't know the proposed locations
  - Along LO- great things to see but spotty bike/walking paths. Would love to see it
- connect all the way through the "village"
- How about starting with adding shoulders to the roads, you just went through the LO project with the county, no shoulders. I am sure NN will have no shoulders at all as well.
  - Are there any without invading public hunting grounds?
  - Mukwonago to Eagle
  - Bridge over the fox river.
  - Anywhere that's accessible
  - I would prioritize around all park areas.
  - I guess in my neighborhood :)
  - Along 83 (Rochester) heading towards "downtown" Mukwonago. Holz Parkway has a wonderful walking path, but it stops at 83.
  - Unsure
  - Near locations that have central meeting areas for parking or playgrounds. Miniwaukan Park is simply excellent!
  - All over
  - See above
  - Miniwaukan park
  - Offroad trail somewhere.
  - Hy 83
  - I'd love a trail out toward Elegant Farmer
  - In open area, woods, fields
  - Near the downtown area
  - Something that goes through the downtown area and out to the Village (a loop maybe). Places to stop for ice cream/lunch and take out to a park. Maybe connecting the parks with bike trails.
  - Miniwaukan park
  - Near elegant farmer
  - Between Mukwonago and East Troy along ES
  - In and around the village and town of Mukwonago. Along Hwy NN and Hwy Es.
  - Closer to mukwonago Estates neighborhood
  - Near miniwauken
  - Vernon marsh to Pieper's Porch. Frog Alley/Sugden into town
  - Near playgrounds or shopping
  - Around Phantom Lake and Mukwonago River
- Contine the path down LO to the County park
  - All purpose trails connecting Mukwonago to East Troy along ES.
  - We don't really have trails to use and would love a common path that is safe.
  - LO & ES
  - Along LO
  - Not sure
  - I'd prioritize emergency call boxes/lights along routes, especially with increased apartment housing.
  - Finish bike path down LO to downtown area. Have path continue in both directions to get to other paths
  - None
  - It'd be great to see better trails around Phantom Lake - or even shoulders on the road!
  - Extending them out to the Mukwonago County Park
  - Anywhere away from Hwy 83 and NN
  - Continuation of sidewalk along ES between railway bridge and greenways shopping center.
- Bike/walking path connecting small farms subdivision with downtown Mukwonago ( utilizing the old closed road)
- The community towards big bend and Vernon should be connected by way of a walking path to allow for mobility to school, town and shopping.
  - Biking or walking by the river
  - Bike paths west from Minors 2 subdivision along NN towards Rolling Hills would be great! They would connect more populated areas to the school.
  - unsure
  - Throughout the village
  - holtz parkway or park located on LO
  - Stemming from downtown area
  - I'd like to see a safe route to Minors Park through the subdivision to Eield Park and back
  - A complete village perimeter bike trail and mountain biking trails by the Fox

- By any fishing area
- Trail to a East Troy, connecting Minor Park to downtown possibly along Phantom Lake
- Hwy NN towards Eagle
- Same as above... and into down town and the library... over to Miniwaukan Park.
- Any where that makes sense and has the space to do so.
- Town of Mukwonago area, down NN between Minors Estates and Stone Brook Hollow - lots of open land and conservations. Could look absolutely beautiful and would be a challenge with the rolling hills.
- Connect the east side of Miniwaukan park walking trail with the walking trail along the Holz Parkway. I am referring to a path on the west side of Hwy 83 running north from the railroad tracks at Hwy 83 up to the corner of Hwy 83 and the Holz Parkway at the stop & Go light.
- 83, NN, I, ES
- The center of town or near pick n save
- Bike trails would be nice anywhere in the village.
- Miniwaukan Park as you have to go thru a suburb on a single road or sidewalk to get there. With the amount of traffic it should have its own route into it.
- School zones
- Mukwonago HS!!! They need a path that goes completely around the property for leisure and sidewalks that allow Minors kids to walk safely and cleanly to school. The field is too wet and muddy to walk through in the mornings, especially during spring. It's not fair that there is no bussing yet no walking path that is convenient. The path by the softball field doesn't count as helpful. Plus there needs to be sidewalks in Field Park subdivision for safety when kids are forced to walk to Park View.
- In the downtown area
- Near Indian Head Park
- Around schools, library
- Trails in Mukwonago Park
- I wish the part of the path owned by WE Energies at Miniwaukan park could be opened to the public. That would allow us to walk more places.
- Vernon marsh area would be a cool trail. The trail system should connect to Won-a-go Biking.
- Along River
- Bike trail out in the town that connects to the village
- Bike lanes on main roads. A bike trail would be awesome!
- not needed
- Bypass / Miniwaukan Park
- As above
- To/from elementary schools
- Na
- Not sure
- If you be nice to have access to a bike trail close to the village of eagle to Mukwonago.
- Main Street.
- Downtown area
- Don't know yet.
- With kids we use sidewalks but throughout the village in busy spots as an adult I do not feel safe, use the sidewalk and yeild to pedestrians.
- Bike path on National Ave
- In parks
- ldk
- Unknown
- Connecting to longer biking trails-ie Glacial Drumlin, New Berlin Trail, Etc. To get any distance biking either need to drive there or need to ride roads which isn't safe around here with shoulder, curves, and awareness.
- Like areas
- 8
- New bike trails the connect to waukesha/delafield trail systems would be awesome! I'd love to be able to access a path from Mukwonago and ride 20 miles or so without having to put my bike in my car.
- Around the edges of the village
- See above, connecting existing trails so biking is more accessible for families, especially those with younger kids
- Elegant Farmer to downtown Mukwonago
- Unsure
- I wish Mukwonago could get access to put up a bike path from Hwy 83 by the railroad bridge to Miniwaukan park along the WE Energies access road. This would create a great bike path loop from Miniwaukan to East to Holz parkway then along Holz to 83 then north on 83 to the railroad bridge / WE energies facility and then back to Miniwaukan.
- West side of town toward Rolling Hills Elementary.
- Sidewalk on Fox Street between Dollar general and pearl Street
- Vernon Marsh
- Hwy NN going west
- Vernon marsh area
- Everywhere
- Along the country highways (LO, I, NN, J) so residents can safely ride into the village to use restaurants, parks, library.
- I would like to see a bike lane or trail from Lauren Park or Town Park that kids could ride to the high school. Hwy EE is not safe for kids to ride.
- Connect more neighborhoods to the sidewalk on Boltzmann parkway
- Extend the path that goes from Miniwaukan park to over by the canoe launch.
- Highway 83 off of Holz Pkwy and Fox St. (Between 83 & Holz)...this would provide a safer 'loop' for bikers and pedestrians.
- 83 between Wolf Run and the area from Brooklife to Health Hut
- Vernon Marsh or the preserve along Holz Pkwy
- Between East Troy and Mukwonago
- The northwest side of town. There's not much there for bikes.
- It's about time we connect Mukwonago and east Troy with a bike trail!
- Yes
- Around the lake if at all possible
- Don't know
- Bike /walk lane to East Troy

- Miniwaukan Park
- It would be nice to bridge the gap or extend another bike path already established in Waukesha or Walworth counties for extended riding. This is much needed. Really have been hoping for a bike path since we moved! We used to ride all over the oak leaf trail.
- Maybe a bike lane on the busy roads.
- Larger parks that have the space like field park
- continue the frontage road trail down towards the river and across the bridge to the trail on the east bank
- Hwy LO, Hwy I, Hwy ES, Hwy J
- Between the Village and Lake Beulah would be fantastic!
- Continuing the paths along NN and EE. Making the Village more accessible by walking and biking from the town
- Fox river view subdivision to middle and high schools
- Downtown, Highway 83, CTH ES
- near and around 83 for recreational bikers
- Everywhere. They are lacking through out our beautiful area.
- Field Park
- We don't bike
- Just the East Troy trail.
- From the village up to Lauren park area
- Mukwonago county park
- Anywhere in the village. Would love to use if we had them.
- Vernon to Mukwonago
- Around field Park and connecting to all the schools.
- N/a
- Near ES/ J
- Holz
- Along ES past Elegant Farmer into East Troy. Would follow trolley route
- By Indian head park would be a nice location for a trail.
- busy roads or roads with fast traffic
- I do not support any. All is good with existing infrastructure.
- Highway ES. Playground near river park estates.
- Along Hwy ES from Edgewood Ave to Holz Pkwy
- I would prioritize efforts to control water in Miniwaukan. This challenge affects Spring sports.
- Don't know
- Along 83
- 83,LO,NN, easy access to parks
- Throughout village
- New bike facilities near the waterfront at phantom lake. New bike route on West end of Veteran's parkway, as it seemingly "dead ends" as heading westerly to Mukwonago Campsites, if possible. Would be nice to create "circular pathway, around the Village, from Veteran's Parkway, Easterly, down the "bypass", Southerly, Crossing back Westerly, then northerly, along Highway "ES", back up to Veterans Parkway. Improved Village Directional Signage for cars/pedestrians/visitors/bicycle users would be helpful/needed as well.
- The existing ring around Mukwonago is very good - better than most communities. Hwy LO could use improvement, future connection to Hwy I and then Hwy NN as that part of the Village develops
- Connection to existing bike trails.
- Not sure about this one to be honest.
- It would be nice to have more trails near the fox river and mukwonago river, phantom lake, and extending from the village farther down LO to the county park.
- Along County Road EE.
- Highly
- Along national avenue.
- Hwy EE between town hall and the high school
- Path from Hwy E and NN to Mukwonago
- To Mukwonago Park
- I don't now
- Any new bike trails are welcomed
- I think an extended trail around the perimeter of Miniwaukan Park would be best
- It would be nice to have a trail from Waterford to Mukwonago down 83 and other way too
- Double NN and EE
- I would love a bike route from minors park west on LO towards eagle
- As said above... With routes that extend from Kwick trip to 43. Anywhere that current and future commerce and hospitality might reside in Mukwonago.
- Anything that could hook up to existing trails like with Waukesha, East Troy, Muskego, Burlington
- HWY LO from 83 west & NN past high school going west towards Eagle. We have not rode our bikes in Mukwonago in years because of safety concerns. We unfortunately have to travel to cities, like Waukesha and Burlington, to use safe bike paths.
- Highway NN may be the most scenic yet dangerous road I have ever ridden on. Hwy LO has portions of sidewalk and the potential to connect many major parks. It also does not appear to impede with many residential homes if sidewalks would be joined. Ultimately, it would be great to bike from the heart of the village all the way to the county park. Sidewalks are for walkers. Bikes ultimately need to be on bike paths or roads. Unfortunately, busy roads or mundane subdivisions seem to be the only options. Growing up around Muskego/Wind Lake, I was spoiled with miles of trails. Unfortunately my bike doesn't get as much use now unless it's with my children in our subdivision.
- The down town area
- Highway NN by rolling hills elementary
- No where
- Big Bend to Mukwonago
- Prairie view to the high school past Lauren Park
- Connect miniwaukan park to new outdoor

amphitheater near city hall

- Along Hwy 83
- Through town and down the hwy's like NN and E and EE
- Maybe near Mukwonago park?
- River walk type area would be cool
- Start/end at a park, improve main roads, STH 83, CTH ES and NN
- Miniwakan or near the Middle / High schools
- Scenic routes on CR or small roads like Beulaby Town Hall. Routes for the kids at PVMS and MHS from the schools to nearby parks.
- Elegant farmer, Minnewakin park through to 83. LO
- Along lake chains
- On hwy LO/Eagle Lake Ave between Hwy 83 and the baseball diamonds near Minors Dr. Please extend the bike/walking path, so there's safe travel to the stores and restaurants on hwy 83 in town. It's not currently safe once the the path ends.
  - Connecting subdivisions to existing paths
- To and from Mukwonago Park
- Hwy LO. Hwy NN
- Main roads
- To access parks
- Along the river! Around the lakes. Improve trail by the

canoe launch, it's usually a muddy mess.

- None
  - Hwy NN
  - Extend bike/walking path from Lauren Park to High School down EE.
  - Downtown
- Extend bike path so it will be a longer route
- I would love to have a trail running along Edgewood or National so we could safely bike into town from Vernon.
  - To get to miniwaukan park from River park subdivision
  - Path between mukwonago and eagle.
  - Connection on ES across the river. Also, the ability to connect the existing path back to Miniwaukan Park through or by the WE-Energies property to create a complete circle would complete an already well utilized path.
  - From Mukwonago to East Troy along ES.
  - Paths through the wooded sections to take bikes off-road
  - Near the band shell
  - From subdivisions to schools
  - Near high school to connect the trail that is on NN. It would be great if path could be extended West to at least Beulah Rd.

- More bike routes thru the village would be awesome! Make them kid friendly
- Trails
- It would be awesome if there was a bike / hiking trail near the Vernon marsh. It's a beautiful area!
- From the busy county hwy's (I, EE, etc) to the schools for the kids
- NN
- Don't care about biking
- Down NN from EE to Eagle! So many people would use this! Kids could ride into the village from Eagle and town of Mukwonago!
- Vernon Marsh or phantom lake
- bypass Holtz Prkway
- Not sure
- No opinion
- Low
- create a bike trail by Miniwauken park
- High - my kids and I bike all summer long.
- It's difficult to bike/walk south on ES by the bridge over the Mukwonago River; the sidewalk on the east side of the street just ends and that's the side the park is on - it should be extended, especially after the improvements to the park by the swimming hole.
- Around Phantom Lake
- all around town... ES/83/NN
