Revaluation 2024

FAQ

In 2024 we are conducting an exterior revaluation of all taxable property in the Village.

For more information visit www.villageofmukwonago.gov/revaluation2024

HYDRANT FLUSHING APRIL 15- MAY 3

The Utilities Department will be flushing hydrants between April 15th and May 3rd around the village. Hydrant Flushing helps ensure water quality by removing mineral deposits that naturally occur inside distribution lines. Regularly exercising valves and flushing hydrants helps keep our lines clean. If you have any questions, contact our Utilities Department at (262) 363-6416

Mukwonago Community Library

Here's a preview of what's new at the Mukwonago Community Library:

We have made it easier to find what you are looking for! Comfortably browse the larger new book section, search our more accessible catalog computers with high-visibility keyboards, or discover your next favorite book from the dozens of staff and book club recommendations right on the bookshelves.

Bug in the Rug Children's Theater will perform Little Red Hen Remix at the Library on Tuesday, April 30, at 6:00 pm! The performance is free, and no registration is needed. For more information about this and other events and programs, visit the Event Calendar on our website.

NEW OPPORTUNITY! Teens ages 16 to 18 are invited to apply to be a Maker-In-Residence (MIR). A MIR works with our MetaSpace 511 Lead Innovator to create a program to teach the community based on their skills and interests. This mentor-based residency allows the MIR to develop critical career skills while sharing their talents with the community. Learn more or apply at www.mukwonagolibrary.org/metaspaces511

Discover regional history and experience contemporary art with two NEW Explore Passes to local destinations: The Waukesha County Historical Society and Museum, and the Racine Art Museum! These and other Explore Passes are free and grant you and your family access to exciting locations throughout Wisconsin. Funding for all of the Library's Explore Passes is generously provided by the Friends of the Library.

While it might be spring, we are already preparing for this year's Summer Library Program! This year's theme is "Adventure Begins at Your Library!" Mark your calendars for our SLP Kick-Off event taking place Saturday, June 8. More information to come.
