## Winter Parking Rules

Remember, if you park your vehicle on the street between **November 1, 2022 and March 31, 2023**, you are required to obtain a parking permit from the Mukwonago Police Department, 627 S. Rochester St.

During this time period, 30-minute-parking-only is permitted on street between the hours of 2:00 a.m. and 6:00 a.m. On even dates, you must park on the even side of the street, and on odd dates, you must park on the odd side of the street. If you live in a subdivision where it is one-side parking all the time, you must park on that side every night.

The cost for permits is \$60.00 for the season or \$14.00 per month. Permits **MUST** be posted where they are visible to the police officer (lower driver side corner of the dashboard not covered by the vehicle identification number).

If you do not have a parking permit, Section 82.191 of the Village of Mukwonago Municipal Code takes effect, and you will be issued a \$20 parking citation. Also, please remember that you cannot overnight park on a County or State highway for more than 30 minutes between hours of 2:00 am and 6:00 am during the winter months.

## Fire Department Reminders

MFD would like to wish One and all a Merry Christmas and Happy Holidays! Here are a few important winter safety Reminders.

Please remember to keep all fire hydrants clear of snow by at least 3 feet on all sides. If for some reason you need 911, the last thing you want us spending time doing is clearing snow. Also, don't forget, sidewalks and driveways without snow are much safer for walking than sidewalks with snow. Next, we have some video reminders not to forget to water your real Christmas trees, check your smoke detectors, and close your doors when you sleep.

Don't forget to check all your smoke detectors and close all the bedroom doors when you sleep!

## Recycling Fees

As of January 1, 2023 new recycling fees will go into effect. The fee will increase 3.5% from 22.17 to 22.95 per quarter. These fees are on your quarterly utility bill. For more information about recycling in the Village visit <https://www.johnsdisposal.com/municipalities/mukwonago-village/>
