

THE VILLAGE OF MUKWONAGO POLICE DEPARTMENT

Annual Report 2016

Kevin B. Schmidt • Chief of Police
627 S. Rochester Street • Mukwonago, WI 53149 • Phone (262) 363-6434

The Vision and Mission of the Village of Mukwonago Police Department

VISION

A Village of Mukwonago where all citizens can live safely and without fear, protected by a police department with the highest ethical and professional standards.

MISSION

The staff of the Village of Mukwonago Police Department strives to provide all citizens, residents and visitors with professional law enforcement. We accept our obligation to protect the rights and liberties of all persons, regardless of race, sex, religious background, or ethnicity. We understand the importance that people place on their personal safety and the safety of their property.

We pledge to:

- Be responsive to the community and understand that the needs of the community may change over time.
- Be proactive in matters of crime prevention and community involvement.
- Be impartial in our contacts with all.
- Work in partnership with the members of the community, to make Mukwonago a better place to live, work and visit.

CORE VALUES

COMPETENCE

We are prudent stewards of the public's grant of authority and resources. We are accountable for the quality of our performance and the standards of our conduct. We are exemplary leaders and exemplary followers.

COURAGE

We place the safety of others before our own and accept our moral responsibility to take action against injustice and wrongdoing. Police members are expected to take prudent risks on behalf of the public.

INTEGRITY

We recognize the complexity of police work and exercise discretion in ways that are beyond reproach and worthy of public trust. Honesty and truthfulness are fundamental elements of integrity. It is our duty to earn public trust through consistent words and actions. We are honest in word and deed.

LEADERSHIP

We seek to influence human behavior to achieve organizational goals that serve the public while developing individuals, teams and the organization for future service. We accept our responsibility to be leaders, both within the community and among our peers, and for the actions of our colleagues and ourselves. We are all responsible for the performance, reputation and morale of the department.

RESPECT

We hold life in the highest regards. We treat all citizens and colleagues with dignity and respect, and are fair and impartial as we perform our duties.

RESTRAINT

We use the minimum force and authority necessary to accomplish a proper police purpose. We demonstrate self-discipline, even when no one is listening or watching.

Message from the chief

Message from the Chief

As Chief of Police, I am pleased to share with you the Village of Mukwonago Police Department's 2016 Annual Report.

The department is located at 627 S. Rochester Street (STH 83), about ½ a mile north of I-43. The department consists of 14 officers, which includes command staff, 7 dispatchers/clerks, and currently 9 Police Reserve Officers who assist the department at special events.

The department provides police service to the Village of Mukwonago 24-hours-per-day, 7 days-per-week. Our dispatch center provides dispatch service to the Village of Mukwonago PD, the Town of Mukwonago PD and boat patrol, the Town of Eagle Boat Patrol, and the Mukwonago Fire Department.

The Village of Mukwonago Police Department members remain committed to our core values (Competence, Courage, Integrity, Leadership, Respect, and Restraint). We strive to achieve our vision of a community where all citizens can live safely and without fear. We are dedicated to our mission of providing professional law enforcement to all by being responsive to the community needs, be proactive in crime prevention and community involvement, be impartial in our contacts with everyone and work together with all members of the community.

I would like to thank the Village Board, Police Commission and all other employees of the Village of Mukwonago. Together we can and have made a difference. On behalf of all the members of the department, thank you for providing us with the resources to complete our mission.

In 2016, we saw some changes in personnel at the department. We bid farewell to two dispatcher/clerks. Sarah Ebert was with us for over 2 years. She left to fulfill a dream of becoming a police officer. Kathy Reimesch served the department and the citizens of Mukwonago for 29 years. As colleagues and friends, we will miss not seeing Kathy in the department every day. We wish Sarah and Kathy the very best.

We welcome their replacements, Sarah Shaw and Italia Nusser to the department. Sarah and Italia are doing a great job.

We also had our first year with the Police and Fire Chaplains, Pastor Kevin Clark and Pastor Rob Jadrnicek. Later in this report, you will see the Chaplains report for 2016. I want to thank Chaplain Kevin and Chaplain Rob for the many hours they have volunteered to the program. The dedication and passion for the program is very evident in both of them.

A long time Police Commission member, Thomas Stobber, also decided to step down from the Police Commission after many years of service. Mr. Stobber volunteered countless hours on the Commission, interviewing potential officers and candidates for promotions within the department and disciplinary matters. Thank you to Mr. Stobber for all he did for the Village of Mukwonago and the Police Department.

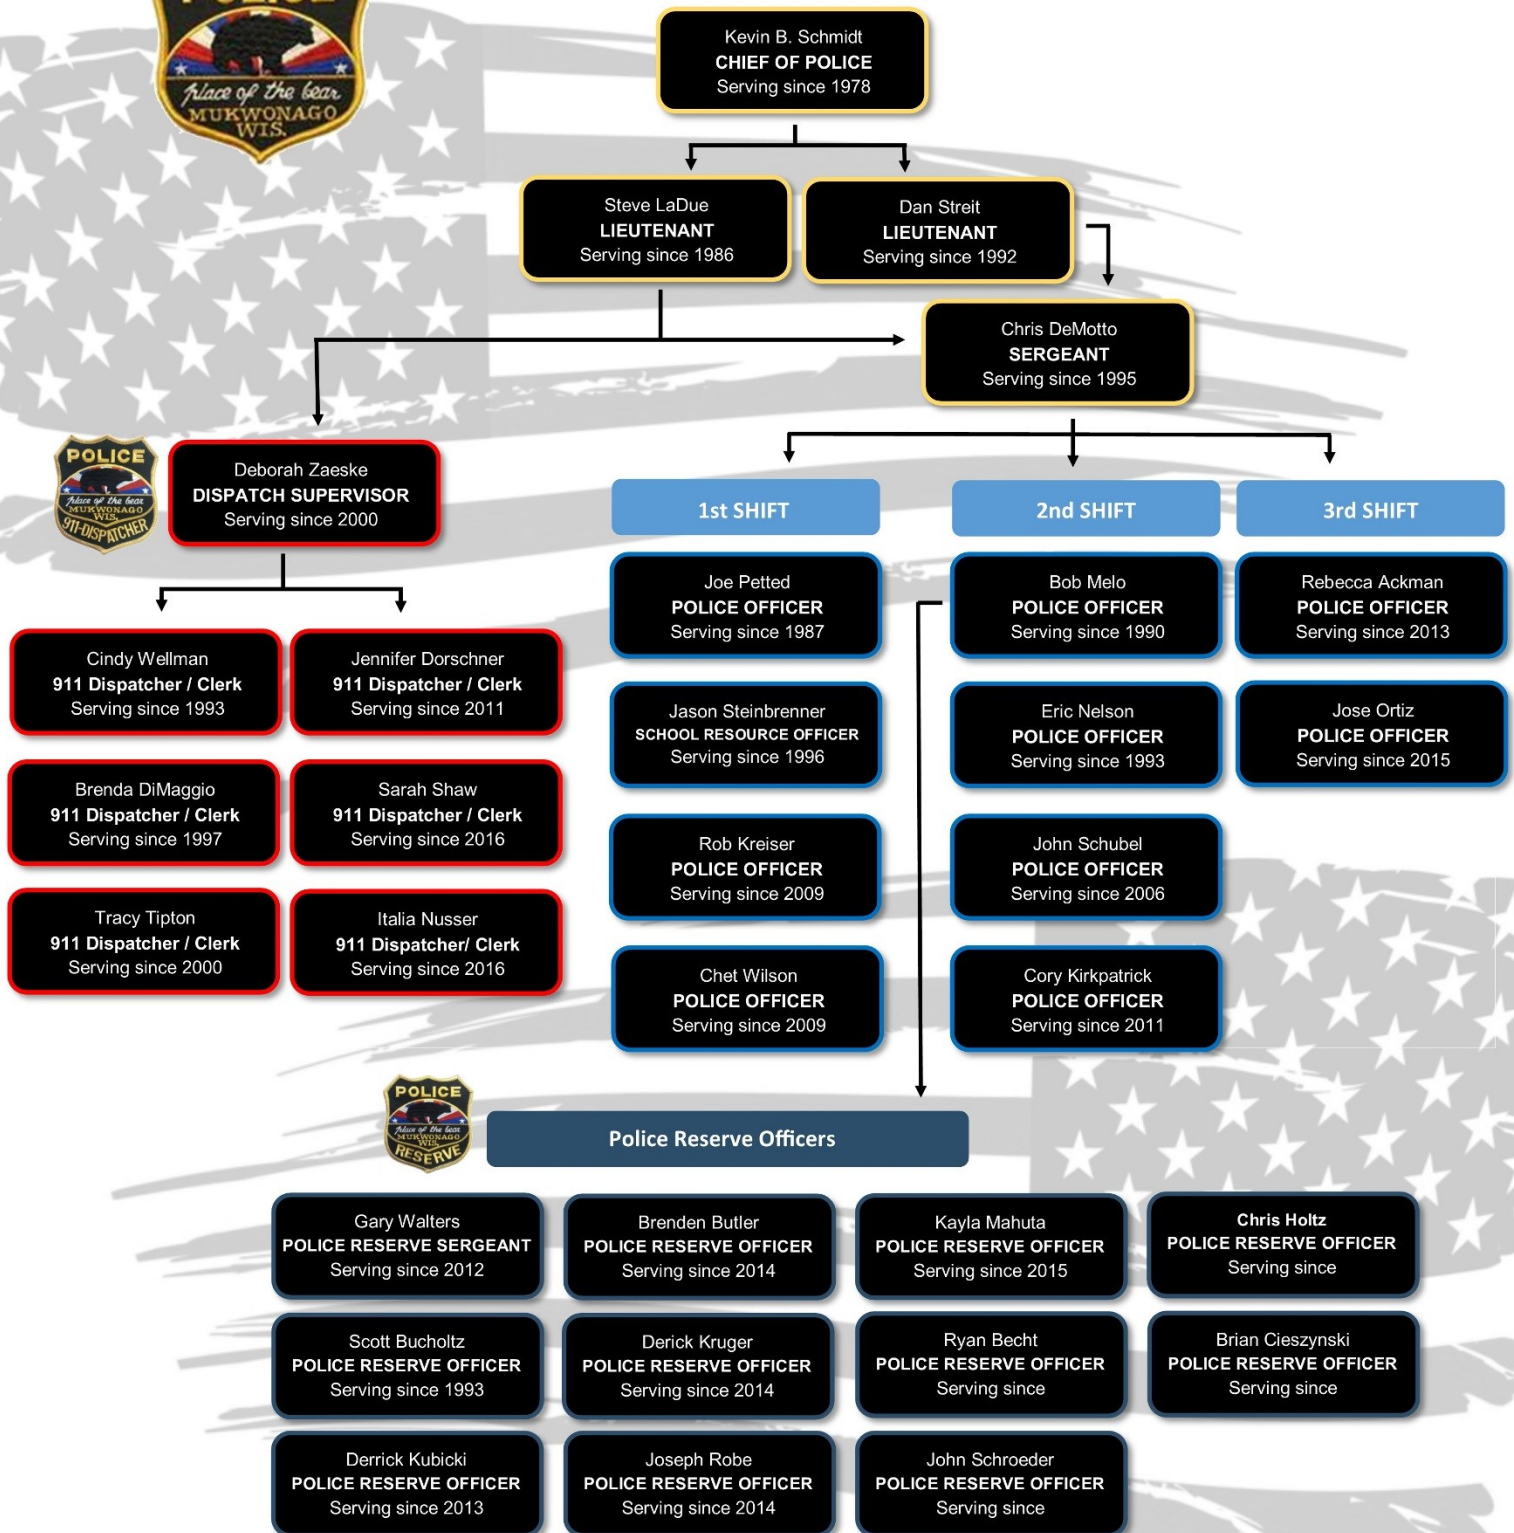

I am confident with the commitment of our staff, the continued support of our public officials and leadership, along with the unending support from community members, we will continue to face and overcome the challenges ahead.

Kevin B. Schmidt
Chief of Police

Village of Mukwonago Police Department

New in 2016

9-1-1 Upgrade and New Phone System in Dispatch

Submitted by Lieutenant LaDue

In 2001 the Police Department moved into a remodeled village hall. In conjunction with that project, the Village dispatch center became a Public Safety Answering Point (PSAP) accepting 911 calls for police, fire and EMS requests in the Village and Town of Mukwonago. The Village purchased a Positron Lifeline system to process those incoming calls. The system was a workhorse, was very robust and served our citizens well.

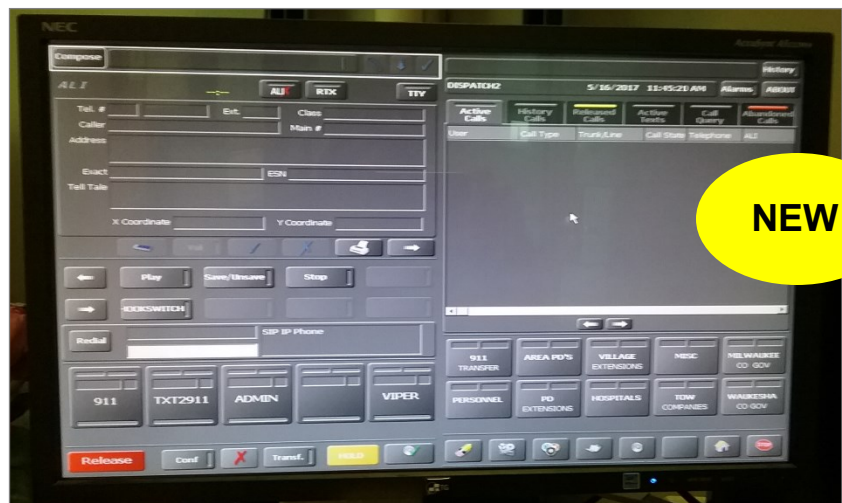

In the 15 years since that time, technology has shown significant advances. New systems are able to provide mapping (call location displayed on a dispatch screen map) for both landline and cellular 911 callers. Texting has become mainstream among a large portion of the population. The user interface has become user friendly and displays more information. The police administration began preparing for the eventual retirement and replacement of the aging 911 system.

Mukwonago was not alone with this problem. All of the PSAPs in Waukesha County faced the same issue. In 2015 the police department administrators entered into talks with the Muskego and Elm Grove Police Departments, to explore the option of sharing a 911 system. Then City of Muskego Information Technology Director, John Wisniewski presented a concept of a host and node system. Wisniewski proposed utilizing the internet to connect the sites. By utilizing this novel concept, all three agencies anticipated a significant cost savings in replacing their 911 systems. After a proof of concept was developed and validated, the three agencies began working with a vendor to develop the system.

After significant effort, the system was brought online in February 2016. This setup has worked as it was anticipated it would. All three communities now enjoy a robust state of the art system, at a significant cost savings. The new system is interfaced with the department Computer Aided Dispatch (CAD) and Records Management Systems allowing for a data "dump" directly into those systems. The three agencies continue working to provide greater integration and the ability to provide a backup facility for each other.

OLD

NEW

Police Chaplain Program

Following the approval of the chaplain program at the end of 2015, volunteer chaplains Rev. Kevin Clark (Pastor at First Congregational Church) and Rev. Rob Jadrnicek (Lead Pastor at LifePoint Church), immediately began doing regular ride-alongs with the Police Department and attending the monthly meetings of the Fire Department. The chaplains averaged about two hours per ride-along and rode 27 times. The chaplains were directly called upon six times: three times for department personnel and three times for community members in crisis situations. In addition, the chaplain's services and participation were requested in numerous other ways in 2016:

- National Night Out Planning and Execution
- 9/11 Memorial Ceremony at the Fire Department
- Get Out the Vote Rally at Field Park
- C.O.P.S. Kid's Camp
- Waukesha County Police Memorial Service
- Hosting a Prayer Vigil for the Five Officers Killed in Dallas
- Fire Fighter's Annual Banquet
- Memorial Day Parade
- Police Department Trainings
- Wisconsin Fire Chief's Association: Fire Chaplain Basic Training
- The International Police Chaplain's Core Training

The continuing mission of the Chaplain program is to provide assistance to Police and Fire Department members, their families, and the community in crisis or emergency situations. The chaplains will offer comfort to those in need who request the service

Rev. Rob Jadrnicek

Rev. Kevin Clark

High Visibility Traffic Grants

The Village of Mukwonago Police Department was targeted by the Wisconsin Department of Transportation, Bureau of Traffic Safety (BOTS) for High Visibility Enforcement grants. BOTS targets local police departments for grants based on traffic crash data. Based on our data, we were awarded three joint grants with the Town of Mukwonago Police Department to combat traffic crashes by targeting speeding, seatbelt usage, operating while intoxicated offenses and aggressive driving. The grant money reimburses the village for the officer's wages and benefits, as well as mileage for the squads.

In all, village officers were deployed 70 times in 4-hour high visibility deployments. The result was 385 written citations and 68 verbal warnings

Mukwonago Police is on Facebook

A committee was formed in 2016 and challenged with the task of getting the police department up and running on Facebook. The page is used to provide citizens that live and work in Mukwonago useful information and also as a platform to interact with the community.

Get Out the Vote Mukwonago

Submitted by Sgt. DeMotto

On Saturday, November 5th, 2016 from 11:00am to 2:00pm the First Congressional District Republican Party of Wisconsin rented Field Park for its “Get Out the Vote Mukwonago” event. This was the second time Field Park hosted this event, the prior event occurring in 2014. The expected turnout for this event ranged from 1,000 to 10,000 spectators. The event was to motivate and rally Republican voters, from across the state, to get out and vote.

Featured speakers for this event were Vice Presidential Candidate Pence, Speaker Ryan, Senator Johnson, Congressman Sensenbrenner, Governor Walker, Lt. Governor Kleefisch, Attorney General Schimel and many more of our state and local politicians.

Lt. LaDue and Sgt. DeMotto worked with the event coordinator and various staff members for event security. In addition to event security they spent weeks of preparation to plan and coordinate; things such as dignitary protection, traffic control, crowd control and the normal operations of the police department. Those plans had to be modified at the last moment when the Vice Presidential candidate committed to his appearance.

During the “Get Out the Vote Mukwonago” event Lt. LaDue was overall command of approximately 100 federal, state and local law enforcement officers. Dispatch Supervisor Debbie Zaeske assisted with coordinating communications prior to, and the day of the event. Sgt. DeMotto maintained operational control over events within the park. To successfully plan this event Lt. LaDue and Sgt. DeMotto worked with members of the US Secret Service, US Capital Police, TSA, Wisconsin State Patrol, Milwaukee Intelligence Fusion Center, Suburban Critical Incident Team, Waukesha County Sheriff’s Department, Walworth County Sheriff’s Department, City of Waukesha Police Department, Town of Mukwonago Police Department, Mukwonago Police/Fire Chaplains and Mukwonago Police Reserves. The successful event ended without any arrests or issues. The department gratefully acknowledges the First Congregational Church and its members who not only allowed a briefing to take place, but provided food service for the officers.

Suburban Critical Incident Team (S.C.I.T)

The Suburban Critical Incident Team was formed in 2013. The team consists of select officers from nine area police departments. Current police departments on S.C.I.T. are the City of Brookfield, City of New Berlin, City of Muskego, City of Delafield, Village of Mukwonago, Village of Pewaukee, Village of Chenequa, Village of Hartland and the Village of Elm Grove.

In 2016 S.C.I.T. was activated 21 times; one search warrant, one barricaded subject, one armed robbery, three times for armed subjects, four separate areas search and eleven times for dignitary protection details.

The Village of Mukwonago Police Department used S.C.I.T. for an area search for a possible sexual assault subject(s) and for a dignitary protection detail for the 2016 Get Out the Vote Mukwonago.

Officer Melo remains on the team as a negotiator while Sergeant DeMotto retired from the team. Sergeant DeMotto first went to basic S.W.A.T. in 1998. While a member of the S.C.I.T. he assisted the team with firearms training and attended specialized training as one of two explosive breachers.

Mukwonago Police Reserve & Explorer Program

Submitted by Officer Melo

With the recent closing of 2016 the Village of Mukwonago Police Reserve Officers have again shown how valuable they are to the Village of Mukwonago and the Village of Mukwonago Police Department. This year as in past years the Reserve Officers have contributed through their dedication and commitment a flawless record at all of the special assignments, special events and squad hours. The Village can be proud to have this group of individuals representing our community. This year was a special year as we have combined Mukwonago Police Explorer Post #429 with the Reserve Officer program. This move has given both groups a chance to benefit from each other. The Explorers will now be attending all of the Reserve Officer training classes and riding along in the squad with regular officers. All in preparation for them to advance into the law enforcement field.

I am also pleased to announce that Reserve Officer Kayla Mahuta has just graduated the new State of Wisconsin 720 hour police recruit academy at WCTC. She was the first Mukwonago reserve officer to complete the new 720 hour program.

Also I would like to congratulate Reserve Officer Gary Walters on his promotion to Sergeant. Through his years of service Gary has been one of the most dedicated officers that I have had the pleasure of working with. Gary's involvement in the Reserve program typifies the exact reason the reserve program was started.

Civilian Response to an Active Shooter

The Advanced Law Enforcement Rapid Response Training (ALERRT) Center at Texas State University and the Federal Bureau of Investigation teamed up in 2013 to train police officers throughout the country in how to respond to an active shooter event. The training is a dynamic force-on-force scenario based training. Utilizing the train-the-trainer model, the ALERRT curriculum has been adopted by numerous states and agencies as their standard active shooter training. Some examples of this are Mississippi, Alabama, Oklahoma, Texas, Iowa, Louisiana, Maryland, Georgia, and Virginia. In addition, the New York City Police Department, Miami Police Department, Dallas Police Department, Houston Police Department, San Antonio Police Department, Memphis Police Department, and the Atlanta Police Department are among the major cities across the nation, who have adopted the ALERRT curriculum as their standard. Since its inception they have expanded their training to include training for civilians.

This new program is called Civilian Response to an Active Shooter. Sgt Chris DeMotto was selected to be an instructor ALERRT, both civilian and law enforcement. In 2016 several local businesses and local government departments have reach out to the police department for this training. As such, in 2016 the police department has instructed 52 civilian student in this program, Civilian Response to an Active Shooter.

Prescription Drop Box

The medication disposal unit installed in the lobby in 2014 was again put to good use throughout 2016. **In 2016 we accepted approximately 232 pounds of medications in the drop box!** This drop box can be accessed in the lobby 24-hours-per-day.

Making a difference

Salvation Army Bell Ringing

In 2016, department members attended the 5th annual Salvation Army bell ringing competition against the Fire Department. It took place on December 9th at WalMart from 4:00 PM to 8:00 PM. The Village Police Department again teamed up with the Town of Mukwonago Police Department. The competition has been held since 2012 and every year, the police department has collected more money. This year, Chief Schmidt was asked to be on the Salvation Army Mukwonago Board. The money collected at Pick n Save and WalMart stays in the Mukwonago area to help local families. Those that attend are in uniform and are invited to bring along their family members as they greet shoppers, ring the bell and collect money for this great cause. It's a great way for us to interact with the community and show our support for those in need.

And the totals are in for 2016 ...

| | |
|-------------------|-------------------|
| Fire Department | \$596.31 |
| Police Department | \$1,121.27 |

The real winners are the local residents who will benefit from the funds raised by the Salvation Army.

Trunk or Treat

In 2016 Waukesha County / Victim Witness Assistance and Lola's Hope Inc. presented the 3rd annual Trunk or Treat at the Waukesha County Courthouse. Trunk or Treat is a fun, safe way to Trick or Treat for Halloween. Rather than going "door to door" through out the neighborhood, children in their costumes go from "trunk to trunk" collecting goodies from volunteers who have decorated the trunks of their vehicles. It's a great opportunity for citizens to trick or treat with their local police and enjoy fun kids activities.

Lt. LaDue attended the event in 2016 and advised approximately 200 children were in attendance. Members of the department donated decorations and candy. It was a great opportunity to interact with parents and children of various ages and abilities. The organizers were very grateful for the participation from local police departments.

Trunk or Treat

Making a difference

Concerns of Police Survivors Kid Camp

C.O.P.S. Kids Camp is planned for surviving children (6-14 years of age) and their parent/guardian of law enforcement officers who died in the line of duty, as determined by C.O.P.S. criteria. Children **MUST** be accompanied by a parent or guardian. The children come from all over the United States.

C.O.P.S. Kids Camp provides family interaction, camp activities, grief counseling, relaxation and lots of old-fashioned fun! Campers will have the opportunity to attend age appropriate grief counseling sessions and participate in activities such as: swimming, fishing, arts and crafts, canoeing, ropes courses, archery, shooting sports and campfire skits. It is our goal for campers to leave the week with a continuing support system of peers who truly understand and gain a sense of personal growth with hope for the future. The camp is held at Salvation Army Lake Camp in East Troy.

In 2016 members of the Village of Mukwonago Police Department and their families baked desserts for the campers. Chief Schmidt, Lt LaDue, Chaplain Kevin, Chaplain Rob and Officer John Schubel then delivered the desserts to the camp and spent time interacting with campers.

Chaplain Kevin Clark interacts with campers as they select their desserts.

Special Olympics Bowling Tournament

In 1986, compassion, joy and hope ignited a movement among law enforcement in Wisconsin to spread awareness of individuals with intellectual disabilities. In Wisconsin, year-round events for LETR include the Final Leg Run, which kicks off the State Summer Games each June; fourteen statewide Polar Plunge® winter fundraisers; Tip-A-Cop® events; Cop on a Rooftop events; motorcycle rides; raffles; Over the Edge events; the World's Largest Truck Convoy®; and other miscellaneous fundraising events. One of these events is the Special Olympics Bowling Tournament.

For the past several years, members of the Mukwonago Police Department have participated in the annual bowling tournament to benefit Special Olympics of Wisconsin and the Law Enforcement Torch Run. In March of 2016 six members of the department and their spouses participated and bowled for a great cause, raising money for Special Olympics. Teams are comprised of law enforcement personnel and a special Olympics athlete. Members of the department will again be participating in 2017.

The mission of the Law Enforcement Torch Run® for Special Olympics Wisconsin is to raise funds for and awareness of the Special Olympics movement.

National Night Out *Submitted by Officer Ackman*

The Village of Mukwonago Police Department, working in conjunction with the Mukwonago Neighborhood Watch group, is very proud of the growing popularity of this annual event held at Field Park on the first Tuesday of August each year.

The National Night Out event aims to heighten crime and drug prevention awareness, generate support for and the participation in local anti-crime efforts, strengthen neighborhood spirit and police-community partnerships, and send a message to local criminals that neighborhoods are organized, on the look out, and fighting back!

The Village of Mukwonago Police Department was proud to partner with the Town of Mukwonago Police Department, Village of Mukwonago Public Works, and Mukwonago Fire Department to host the event. Donors included:

- Walmart
- WE Energies
- Kwik Trip
- Citizen's Bank of Mukwonago
- Mukwonago AB U-Stor
- AM Towing
- John Amato Ford
- Aerogas
- Pick N Save
- Garden Mart
- Yerkes Greenhouse
- Mukwonago Animal Hospital
- Mukwonago YMCA
- Sweet Delight Kettle Corn
- Waukesha County Emergency Mngmt.

Their financial and material support of the above donors helped greatly to make the event a huge success.

Displays included Mukwonago Fire Department apparatus, Mukwonago Department of Public Works vehicles, Wisconsin State Patrol motorcycle, HAWS, Mukwonago Animal Hospital, ProHealth, Mukwonago YMCA, several area Boy Scout troops, AM Towing vehicles, and bounce houses courtesy of the Orchard Hill Assembly of God. The face painters continue to hold the record for the longest line of the night, staying long after the official end of the event. Coming in a close second was the henna tattoo artist. The delicious food

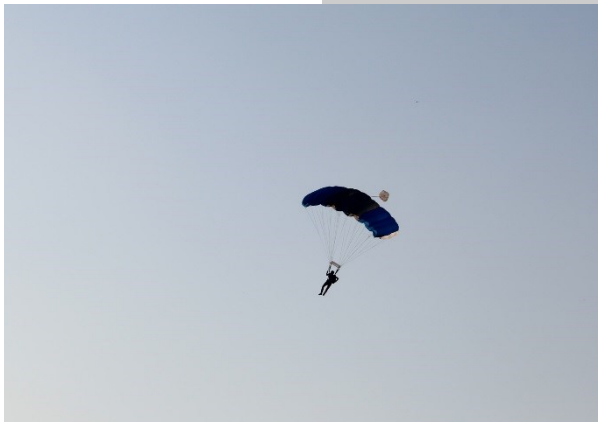

National Night Out *continued*

was provided by Scott the Hot Dog guy, David Alan Alan's Smokehouse & Saloon and Sweet Delight Kettle Corn. A HUGE thank you to both the United States Army who was in attendance with a basketball game and the popular dog tag machine and to Skydive Milwaukee for the sky dive jump demonstration. We are looking forward to continuing the growth of this awesome event with so many wonderful people that make up the fabric of our community - all in the name of keeping Mukwonago a safe place to work, visit and play!

We are also very proud to partner with the Village of Mukwonago Board of Trustees and President who all attended this event as well as the staff of the Mukwonago Police who also volunteered for this event.

Bike Patrol Program

The bicycle patrol program was started in 2004 with donations from the Knights of Columbus and Wonago Biking.

In 2016, Officer Kreiser utilized the bicycle patrol for the following events:

| | |
|----------------------------|------------|
| ProHealth Care Cancer Walk | 9.3 miles |
| Bike Race/Mud Run | 9.7 miles |
| Summerfeste | 9.0 miles |
| Summerfeste Bike Rodeo | 8.3 miles |
| Father's Day Parade | 7.6 miles |
| Patrol (1st shift) | 17.0 miles |
| Patrol ** | 4.9 miles |
| Patrol | 10.8 miles |
| Training | 23.2 miles |
| Patrol | 23.4 miles |
| Homecoming Parade | 6.9 miles |
| Trick or Treat | 28.0 miles |

TOTAL miles 158.1

*** included (2) underage drinking arrests and probation hold*

Neighborhood Watch Program

Neighborhood Watch is a program that joins the residents of Mukwonago and the police officers sworn to protect Mukwonago. Our goal is to work together to deter crime, reduce crime and feel safe in our community. As a member of your neighborhood you may notice a stranger or cars that are out of place at your neighbors' house.

The first step to creating your own Neighborhood Watch program is to talk with your neighbors. Find out who would be interested in participating and set up a meeting. Meetings can be held at someone's home, community meeting room or the police department. Once you have a location, date and time, contact Sergeant Chris DeMotto at (262) 363-6436 or email to: cdemotto@mkpd.org.

Talks / Tours / Events

In 2016 officers conducted (10) talks at the Door to Door Driving School. In Mukwonago.

We also provided Girl Scout and Boy Scout tours at the police department. The groups are shown all facets of the department, from dispatch to the evidence lab, to interview/interrogation room and patrol squads. The officer facilitator then hands out items that contain anti-drug, crime prevention, stranger danger and general safety messages.

School Resource Officer Program

The Police Resource Officer program began in December 1999 and is the result of a partnership with the Village of Mukwonago Police Department and the Mukwonago Area School District. This program is a proactive approach towards reducing and preventing problems associated with adolescents in the school. The program assists in providing the students with a safe learning environment and preventing incidents of school violence. The Officer is also involved in many programs in the High School and the community.

Prime for Life - a program which provides drug and alcohol information to at risk students.

Tobacco Abatement Resolution – Developing measures to stop using tobacco products.

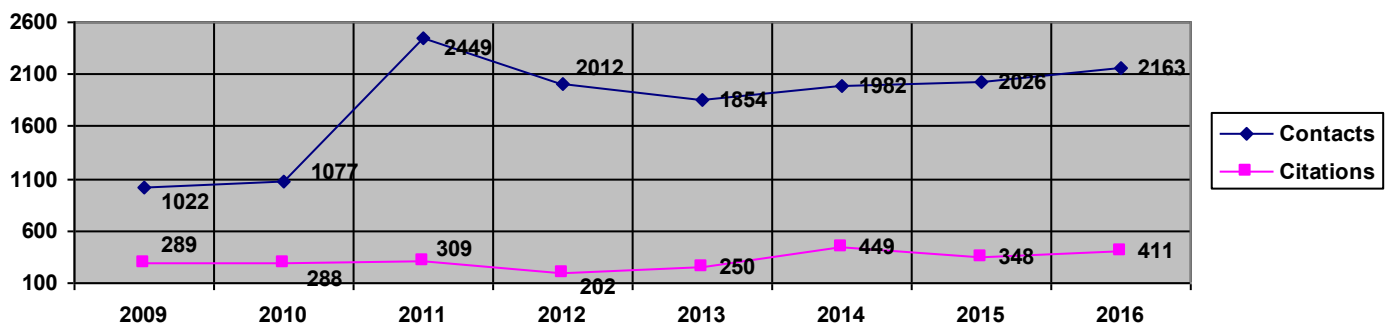

Quick 25/50 Program - Coordinator of crime stoppers and the Quick 25/50 Program.

Our current School Resource Officer is Jason Steinbrenner.

| OFFICER CONTACTS | | CITATIONS | |

- **Student Contacts** - any contact with a student regarding behavior or any other issue that includes officer involvement (theft, harassment, criminal damage, etc..)
- **Other** - Prime for Life Program, Crime Stoppers, Tornado & Lock Down drills, etc.

2016 NIBRS Data

National Incident Based Reporting System

In 2015, Lt. Streit began working to upgrade the department's crime reporting from the Uniform Crime Report (UCR) to the National Incident Based Reporting System (NIBRS). He obtained a grant to fund updating the department's ProPhoenix Records Management System and developed tools to assist officers with NIBRS compliant data entry.

UCR and NIBRS are both regulated by the FBI and both use the same general concepts. NIBRS goes into greater detail than UCR and has 46 Group A offenses while UCR only has 8 Part I offenses. UCR does not differentiate between completed and attempted crimes while NIBRS does. Also, UCR tends to only report the most serious offense reported when multiple crimes are reported in the same period of time, location, and person/group of people. The great thing about NIBRS is the data can be submitted electronically in the form of ASCII text files, needing no manual input. UCR data is written documents that have to be hand entered into a computer system for analysis. Within a few years, the FBI will require all law enforcement agencies to report NIBRS data instead of UCR data.

| Group A Reported Arrests | | |
|--|----------|---------------|
| Crimes Against Persons | Offenses | Total Arrests |
| Murder & Non-Negligent Manslaughter | 0 | 0 |
| Manslaughter by Negligence | 0 | 0 |
| Sex Offenses | 11 | 2 |

| Extortion/Blackmail | 0 | 0 |
| Bribery | 0 | 0 |
| Destruction/Vandalism | 24 | 4 |

2016 NIBRS Data *continued*

National Incident Based Reporting System

NIBRS only reports the highest level arrest for any incident where UCR report all arrests. For example, if you look at our Drug Equipment number, we had 26 incidents but only 2 arrests. That is because in most of those incidents, we also arrested the person for Possession of a Controlled Substance so only that arrest is reported, not the Narcotic Equipment arrest.

| Crimes Against Society | Offenses | Total Arrests |
|---------------------------------|----------|---------------|
| Weapon Law Violations | 1 | 1 |
| Prostitution Offenses | 0 | 0 |
| Prostitution | 0 | 0 |
| Prostitution - Assisting | 0 | 0 |
| Prostitution - Purchasing | 0 | 0 |
