## **The Vision and Mission of the Village of Mukwonago Police Department**

### *VISION*

A Village of Mukwonago where all citizens can live safely and without fear, protected by a police department with the highest ethical and professional standards.

### *MISSION*

The staff of the Village of Mukwonago Police Department strives to provide all citizens, residents and visitors with professional law enforcement. We accept our obligation to protect the rights and liberties of all persons, regardless of race, sex, religious background, or ethnicity. We understand the importance that people place on their personal safety and the safety of their property.

#### *We pledge to:*

- Be responsive to the community and understand that the needs of the community may change over time.
- Be proactive in matters of crime prevention and community involvement.
- Be impartial in our contacts with all.
- Work in partnership with the members of the community, to make Mukwonago a better place to live, work and visit.

# CORE VALUES

## COMPETENCE

We are prudent stewards of the public's grant of authority and resources. We are accountable for the quality of our performance and the standards of our conduct. We are exemplary leaders and exemplary followers.

## COURAGE

We place the safety of others before our own and accept our moral responsibility to take action against injustice and wrongdoing. Police members are expected to take prudent risks on behalf of the public.

## INTEGRITY

We recognize the complexity of police work and exercise discretion in ways that are beyond reproach and worthy of public trust. Honesty and truthfulness are fundamental elements of integrity. It is our duty to earn public trust through consistent words and actions. We are honest in word and deed.

## LEADERSHIP

We seek to influence human behavior to achieve organizational goals that serve the public while developing individuals, teams and the organization for future service. We accept our responsibility to be leaders, both within the community and among our peers, and for the actions of our colleagues and ourselves. We are all responsible for the performance, reputation and morale of the department.

## RESPECT

We hold life in the highest regards. We treat all citizens and colleagues with dignity and respect, and are fair and impartial as we perform our duties.

## RESTRAINT

We use the minimum force and authority necessary to accomplish a proper police purpose. We demonstrate self-discipline, even when no one is listening or watching.

# *Message from the chief*

## **Message from the Chief**

As Chief of Police, I am pleased to share with you the Village of Mukwonago Police Department's 2017 Annual Report.

The department is located at 627 S. Rochester Street (STH 83), about ½ a mile north of I-43. The department consists of 14 officers, which includes command staff, 7 dispatchers/clerks, and currently 11 Police Reserve Officers who assist the department at special events.

The department provides police service to the Village of Mukwonago 24-hours-per-day, 7 days-per-week. Our dispatch center provides dispatch service to the Village of Mukwonago PD, the Town of Mukwonago PD and boat patrol, the Town of Eagle Boat Patrol, and the Mukwonago Fire Department.

The Village of Mukwonago Police Department members remain committed to our core values (Competence, Courage, Integrity, Leadership, Respect, and Restraint). We strive to achieve our vision of a community where all citizens can live safely and without fear. We are dedicated to our mission of providing professional law enforcement to all by being responsive to the community needs, be proactive in crime prevention and community involvement, be impartial in our contacts with everyone and work together with all members of the community.

I would like to thank the Village Board, Police Commission and all other employees of the Village of Mukwonago. Together we can and have made a difference. On behalf of all the members of the department, thank you for providing us with the resources to complete our mission.

In December of 2017, Police Commission Chairman Gary Jorgensen passed away. Community service, especially to the public safety of the Village of Mukwonago, was something Gary was involved in for many years. Chairman Jorgensen served the Village of Mukwonago for over 40 years on the Police Commission, and 20 years on the Mukwonago Fire Department, retiring as a Captain. Chairman Jorgensen was part of the Police Commission that has hired every police officer currently on the department. We cannot thank Gary enough for his service to our community. His family is in our hearts and prayers.

Police Commission member Robert Posekany resigned from the Police Commission after he moved out of Mukwonago. We welcome Timothy Spersted, who was appointed by the Village President to take Mr. Posekany's place. Thank you Bob for your years of service to our community.

Adam Boyd and Taylor Zajicheck were hired as Police Reserve Officers in 2017. Welcome to both of you. They replaced Reserve Officer Brenden Butler, who left to become a full-time police officer for the Town of Madison, and Reserve Officer Kayla Mahuta, who left to become a full-time police officer for the Village of Pewaukee. We wish Brenden and Kayla well in their new careers.

Thank you to Chaplain Kevin and Chaplain Rob for the many hours you have volunteered to the Police Chaplain program.

Thank you also to the men and women of the department for your commitment to making Mukwonago a better place to live, work and play. I don't tell each and everyone of you enough that I truly appreciate your work. And thank you to the community, for your unending support to our department.

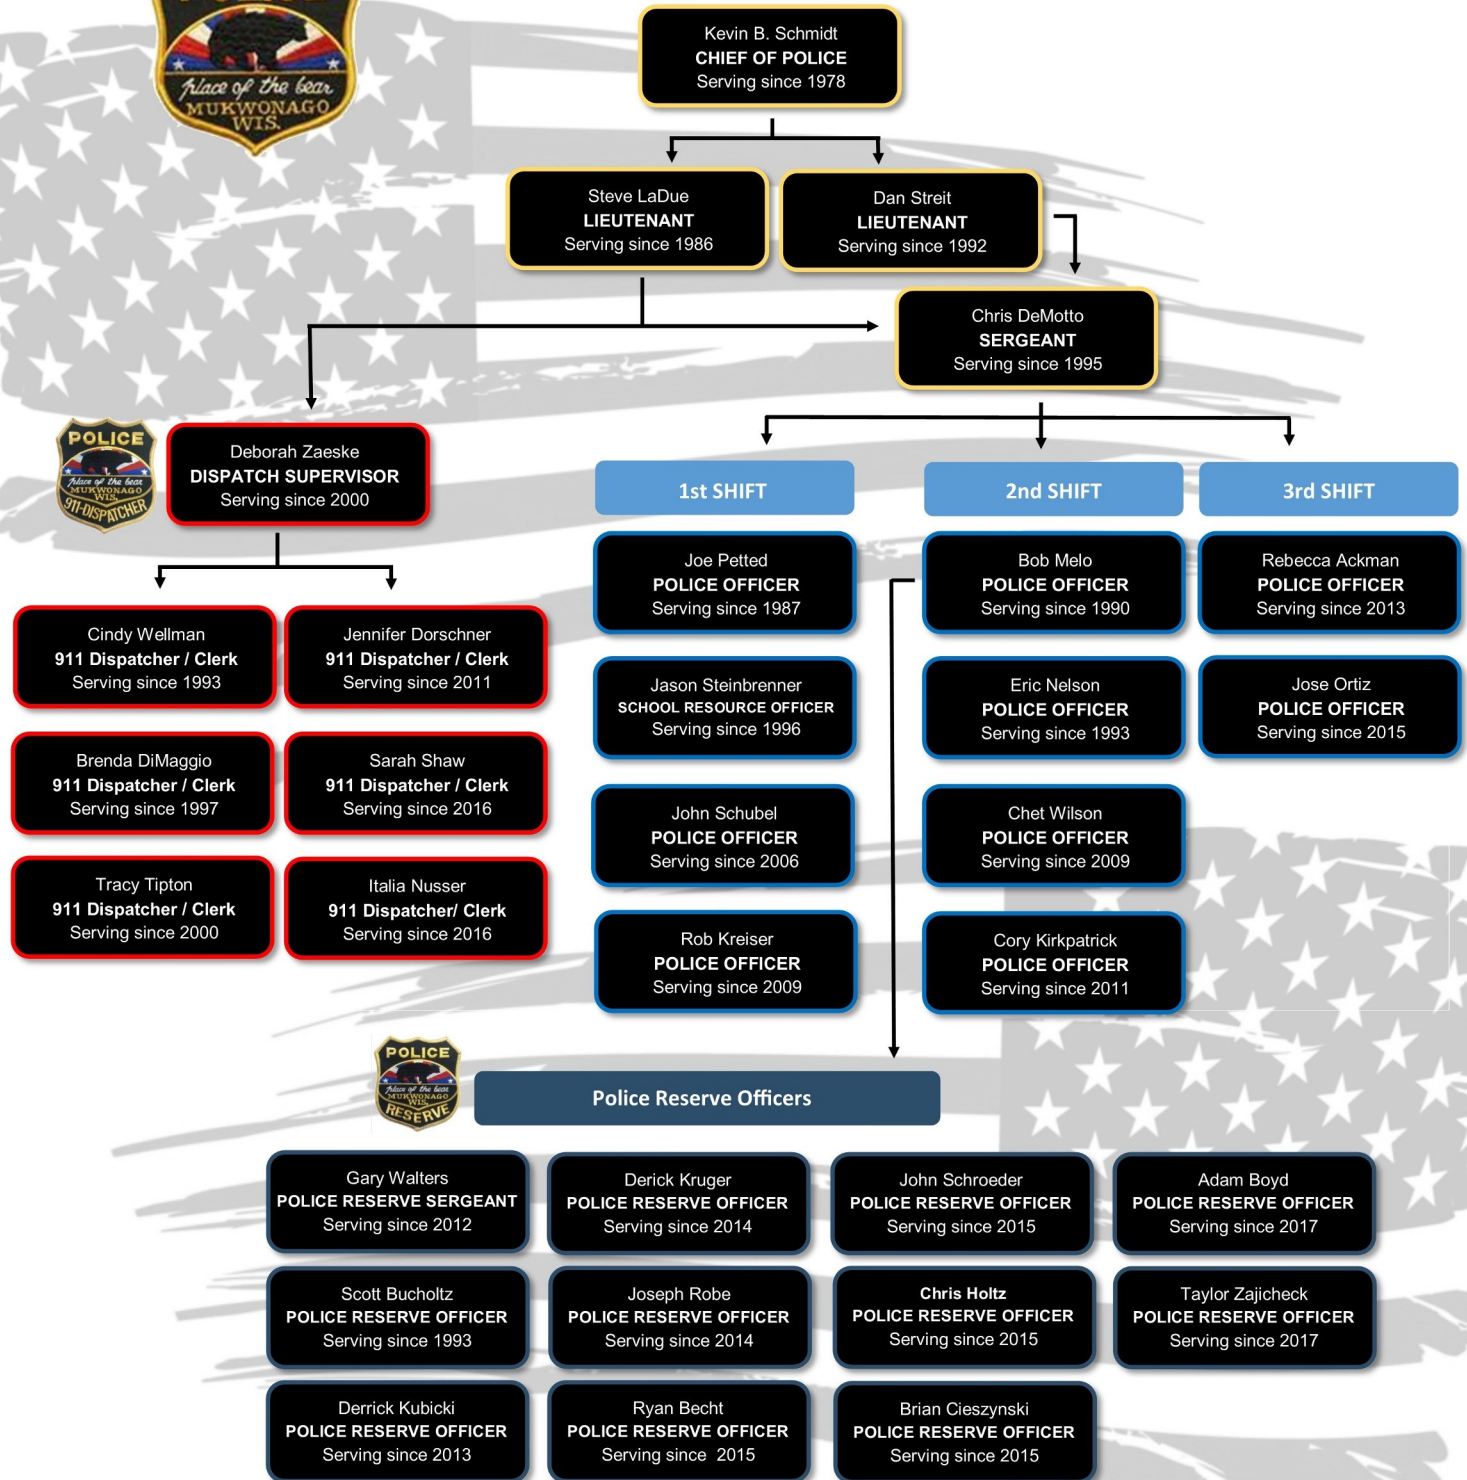

Working together, we can and will make a difference.

## Support from the Community

We cannot do our job without the support and help of the community. Below are just a few examples of the wonderful support we received from the community this year.

Residents of the Orchards Subdivision organized a donation of Baby Jack Blankets to the Mukwonago Police Dept. Officer Kirkpatrick and Reserve Officer Becht stopped to visit and show the young residents the squad during a block party during the summer at which time they accepted the donation. These blankets can be given to children during incidents the police and fire departments respond to to help them feel safe. Special thank you to Kelley Legler and Lisa Taylor for organizing this donation.

Thank you to Mrs. Witte's Parkview Middle School class for the card and cookies.

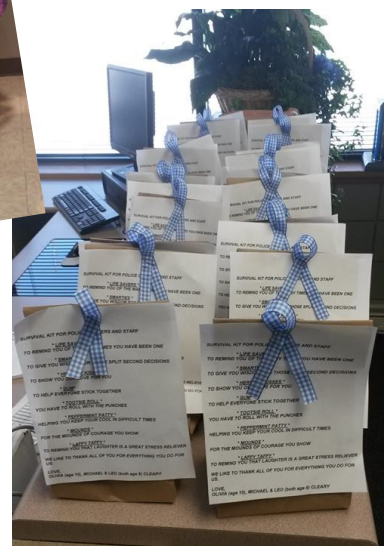

(Above) Kevin Olp from Allstate Insurance of Mukwonago donated \$1000 to the Police and Fire Departments to be used toward the pre-emption devices that are being installed at intersections with traffic lights.

(Above) The Paprocki family stopped in during the holidays with this thoughtful gift and Christmas card.

(Left) Thank you Kettle Moraine High School Senior Kyenna Stanley-Reckin for her donation of her artwork to the Village of Mukwonago Police Department.

Thank you to Olivia, Michael & Leo Cleary for the Survival Kits for our officers and staff.

# New in 2017

## Meet Up Spot Created in Parking Lot

The Village of Mukwonago Police Department has long encouraged area residents to conduct internet purchase transactions in our parking lot or lobby. We now have a designated area in our parking lot to conduct these transactions. The area is marked by green parking stall lines and "MeetUp Spot" signs donated by offerup.com. OfferUp's MeetUp Spot program helps serve the much needed purpose of providing an easy and free way to

establish a community location that is public, surveilled, well lit and monitored by the police department. Two cameras monitor this area of the lot. People can also conduct transactions in our lobby, also monitored by camera and in view of our 24-hour dispatch center. There is no need to call ahead or check in with the dispatcher.

This Spot has been a huge success as dispatch monitors cars coming and going utilizing this space all hours of the day. We are happy citizens know and are reassured they can conduct their transactions in a safe place!

## Donation to the Police Department

The Mukwonago Police Department would like to thank the **American Legion Post #375, Sons of the American Legion** and an **anonymous business owner** for money to purchase plate carriers like the one pictured below.

These vests are designed to be worn over an officer's patrol uniform. It gives them added protection for active shooting situations or other violent calls. This vest is different than the personal body armor officers wear.

This plate carrier is heavier and will stop rifle rounds, like those from an AK-47 or AR-15.

Pictured are Officer Wilson (left) and Sergeant DeMotto (right) accepting the donation.

## Police Chaplain Program

Following the approval of the chaplain program at the end of 2015, volunteer chaplains Rev. Kevin Clark (Pastor at First Congregational Church) and Rev. Rob Jadrnicek (Lead Pastor at LifePoint Church), immediately began doing regular ride-alongs with the Police Department and attending the monthly meetings of the Fire Department. The chaplains averaged about two hours per ride-along and rode with officers several times. The chaplains were directly called upon three times for community members in crisis situations,. In addition, the chaplain's services and participation were requested in numerous other ways in 2017:

- National Night Out Planning and Execution
- 9/11 Memorial Ceremony at the Fire Department
- Waukesha County Police Memorial Service
- Fire Fighter's Annual Banquet
- Police Department Trainings
- Sponsored/conducted the following training:
  - ▶ Critical Incident Stress Management debriefing for Fire & Police Command Staff
  - ▶ Kent Williams Breachpoint Consulting "Spiritual Officers Are Resilient"
- Other training attended:
  - WI Department of Justice Police Chaplain Summit
  - Crisis Incident Stress Management Intervention

The continuing mission of the Chaplain program is to provide assistance to Police and Fire Department members, their families, and the community in crisis or emergency situations. The chaplains will offer comfort to those in need who request the service.

*Rev. Rob Jadrnicek*

*Rev. Kevin Clark*

## High Visibility Traffic Grants

The Village of Mukwonago and Town of Mukwonago Police Departments have again been targeted by the Wisconsin Department of Transportation, Bureau of Traffic Safety (BOTS) for High Visibility Enforcement grants. BOTS targets local police departments for grants based on traffic crash data. Based on their data, they have awarded our task force with grants to combat traffic crashes by targeting speeding, seatbelt usage, operating while intoxicated offenses and aggressive driving. The deployments were conducted throughout the spring, summer and fall.

In addition, we participated in the National Mobilizations and Crackdowns known as Click It or Ticket, Drive Sober or Get Pulled Over and Drive Sober Winter.

In all, village officers were deployed 29 times in 4-hour high visibility deployments. The result was 338 written citations.

## Prescription Drop Box

The medication disposal unit installed in the lobby in 2014 was again put to good use throughout 2017. **In 2017 we accepted approximately 409 pounds of medications in the drop box!** The red drop box can be accessed in the lobby 24-hours-per-day. We also participated in Drug Take Back events at DNG ProHealth in the spring and Walgreens in the fall. We took in approximately an additional 400 pounds from these two events. That is a total of over 800 pounds collected and properly disposed of.

## Mukwonago Police Reserve & Explorer Program

*Submitted by Officer Melo*

With the recent closing of 2017 the Village of Mukwonago Police Reserve Officers have again shown how valuable they are to the Village of Mukwonago and the Village of Mukwonago Police Department. This year as in past years the Reserve Officers have contributed through their dedication and commitment a flawless record at all of the special assignments, special events and squad hours. The Village can be proud to have this group of individuals representing our community. This year was a special year as we have combined Mukwonago Police Explorer Post #429 with the Reserve Officer program. This move has given both groups a chance to benefit from each other. The Explorers will now be attending all of the Reserve Officer training classes and riding along in the squad with regular officers. All in preparation for them to advance into the law enforcement field.

In 2017 we welcome new Police Reserve Officers Adam Boyd and Taylor Zajicheck. Welcome to both of them! They replaced Reserve Officer Brenden Butler, who left to become a full-time police officer for the Town of Madison. We also said good bye to Reserve Officer Kayla Mahuta, who left to become a full-time police officer for the Village of Pewaukee. We wish Brenden and Kayla well in their new careers.

## Civilian Response to an Active Shooter

*Submitted by Sergeant DeMotto*

Since 2002, the Advanced Law Enforcement Rapid Response Training (ALERT)™ Program at Texas State University has been used to train law enforcement officers across the nation in how to rapidly respond to dangerous active threat situations. Over the years we've seen response times shorten and the capabilities of law enforcement increase.

As a result of increased public awareness, many citizens have asked what individuals can do protect themselves and reduce the dangers faced during one of these events. The Civilian Response to Active Shooter Events (CRASE) course, provides strategies, guidance, and a proven plan for surviving an active shooter event. Topics include the history and prevalence of active shooter events, civilian response options, medical issues, and considerations for conducting drills. Sgt Chris DeMotto was trained as an ALERT instructor, for civilians and law enforcement officers. In 2017 the police department has instructed 30 civilian students in this program. Watch the attached Avoid, Deny, Defend YouTube link for an overview of the CRASE course.

## Suburban Critical Incident Team (S.C.I.T)

The Suburban Critical Incident Team was formed in 2013. The team consists of select officers from nine area police departments. Current police departments on S.C.I.T. are the City of Brookfield, City of New Berlin, City of Muskego, City of Delafield, Village of Mukwonago, Village of Pewaukee, Village of Chenequa, Village of Hartland and the Village of Elm Grove.

In 2017 S.C.I.T. was activated 24 times; which included activities from a search warrant in Mukwonago to multiple dignitary protections, including President Trump.

Officer Melo remains on the team as a negotiator.

# Making a difference

## Salvation Army Bell Ringing

In 2017, department members attended the 5th annual Salvation Army bell ringing competition against the Fire Department. It took place on December 16<sup>th</sup> at WalMart from 4:00 PM to 8:00 PM. The Village Police Department again teamed up with the Town of Mukwonago Police Department. The competition has been held since 2012 and every year, the police department has collected more money. The money collected at Pick n Save and WalMart stays in the Mukwonago area to help local families. Those that attend are in uniform and are invited to bring along their family members as they greet shoppers, ring the bell and collect money for this great cause. It's a great way for us to interact with the community and show our support for those in need.

And the totals are in for 2017 ...

Fire Department	\$ 428.68
Police Department	\$1,026.41

That is a total of \$1,455.09 to help people in the Mukwonago community. Since we have been "competing" against each other, we have raised \$10,331.18 that has stayed in the Mukwonago area.

## Mukwonago Police is on Facebook

A committee was formed in 2016 and challenged with the task of getting the police department up and running on Facebook. The page is used to provide citizens that live and work in Mukwonago useful information and also as a platform to interact with the community as an example, the bell ringing referenced above.

## Concerns of Police Survivors Kid Camp

C.O.P.S. Kids Camp is planned for surviving children (6-14 years of age) and their parent/guardian of law enforcement officers who died in the line of duty, as determined by C.O.P.S. criteria. Children **MUST** be accompanied by a parent or guardian. The children come from all over the United States.

C.O.P.S. Kids Camp provides family interaction, camp activities, grief counseling, relaxation and lots of old-fashioned fun! Campers will have the opportunity to attend age appropriate grief counseling sessions and participate in activities such as: swimming, fishing, arts and crafts, canoeing, ropes courses, archery, shooting sports and campfire skits. It is our goal for campers to leave the week with a continuing support system of peers who truly understand and gain a sense of personal growth with hope for the future. The camp is held at Salvation Army Lake Camp in East Troy.

In 2017 members of the Village of Mukwonago Police Department and their families baked desserts for the campers. The treats were delivered to the camp for the outdoor movie night. by Chief Schmidt and Sergeant DeMotto.

## Special Olympics Bowling Tournament

In 1986, compassion, joy and hope ignited a movement among law enforcement in Wisconsin to spread awareness of individuals with intellectual disabilities. In Wisconsin, year-round events for LETR include the Final Leg Run, which kicks off the State Summer Games each June; fourteen statewide Polar Plunge® winter fundraisers; Tip-A-Cop® events; Cop on a Rooftop events; motorcycle rides; raffles; Over the Edge events; the World's Largest Truck Convoy®; and other miscellaneous fundraising events. One of these events is the Special Olympics Bowling Tournament.

For the past several years, members of the Mukwonago Police Department have participated in the annual bowling tournament to benefit Special Olympics of Wisconsin and the Law Enforcement Torch Run. In March of 2017 six members of the department and their family members participated and bowled for a great cause, raising money for Special Olympics. Teams are comprised of law enforcement personnel and a special Olympics athlete. Members of the department will again be participating in 2018.

The mission of the Law Enforcement Torch Run® for Special Olympics Wisconsin is to raise funds for and awareness of the Special Olympics movement.

## Trunk or Treat

In 2017 Waukesha County / Victim Witness Assistance and Lola's Hope Inc. presented the 4th annual Trunk or Treat at the Waukesha County Courthouse. Trunk or Treat is a fun, safe way to Trick or Treat for Halloween. Rather than going "door to door" through out the neighborhood, children in their costumes go from "trunk to trunk" collecting goodies from volunteers who have decorated the trunks of their vehicles. It's a great opportunity for citizens to trick or treat with their local police and enjoy fun kids activities.

Lt. LaDue attended the event in 2017 and advised it was again a huge success. Members of the department donated decorations and candy. It was a great opportunity to interact with parents and children of various ages and abilities. The organizers were very grateful for the participation from local police departments.

## Coffee with a Cop

On June 7, 2017 officers from Mukwonago Police Department and community members came together in an informal, neutral space to discuss community issues, build relationships, and drink coffee. The event was held at The Mukwonago Farmer's Market, in Field Park from 2-5:30pm.

Coffee with a Cop provides a unique opportunity for community members to ask questions and learn more about the department's work in Mukwonago.

The majority of contacts law enforcement has with the public happen during emergencies, or emotional situations. Those situations are not always the most effective times for relationship building with the community, and some community members may feel that officers are unapproachable on the street. Coffee with a Cop breaks down barriers and allows for a relaxed, one-on-one interaction.

"We hope that community members will feel comfortable to ask questions, bring concerns, or simply get to know our officers," said Chief Kevin Schmidt. "These interactions are the foundation of community partnerships."

Coffee with a Cop is a national initiative supported by The United States Department of Justice, Office of Community Oriented Policing Services. Similar events are being held across the county, as local

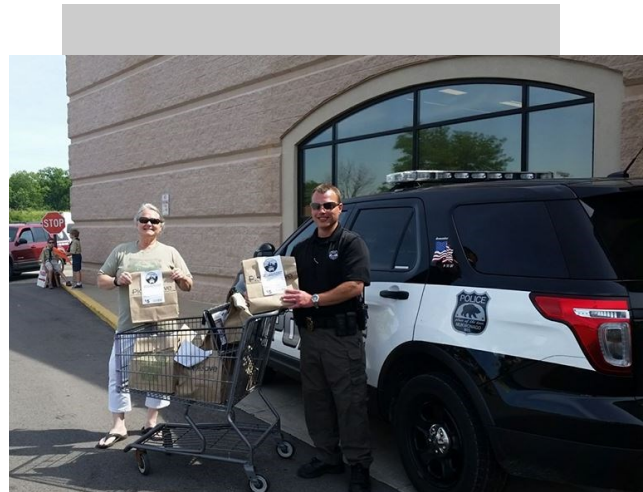

police departments strive to make lasting connections with the communities they serve.

The program aims to advance the practice of community policing through improving relationships between police officers and community members one cup of coffee at a time. Community members are invited to attend the first Wednesday of each month in conjunction with the Mukwonago Farmer's Market at Field Park. Coffee with a Cop was held four times in 2017 and plans are in place to continue in 2018.

## Stuff the Squad

*Supporting the Mukwonago Food Pantry*

Lieutenant Dan Streit was out at Pick N Save on June 10, 2017 along with Cindy Eggleston of the Mukwonago Food Pantry collecting food donations. Individuals were able to purchase a \$5 pre-bagged donation. Lt. Dan advised at the end of the four hours the squad was stuffed with donations directly benefiting the Mukwonago Food Pantry and citizens of Mukwonago.

## National Night Out *Submitted by Officer Ackman*

The Village of Mukwonago Police Department, working in conjunction with the Mukwonago Neighborhood Watch group, is very proud of the growing popularity of this annual event held at Field Park on the first Tuesday of August each year.

The National Night Out event aims to heighten crime and drug prevention awareness, generate support for and the participation in local anti-crime efforts, strengthen neighborhood spirit and police-community partnerships, and send a message to local criminals that neighborhoods are organized, on the look out, and fighting back!

The Village of Mukwonago Police Department was proud to partner with the Town of Mukwonago Police Department, Village of Mukwonago Public Works, and Mukwonago Fire Department to host the event. Donors included:

- WE Energies
- Kwik Trip
- Citizen's Bank of Mukwonago
- Mukwonago AB U-Stor
- AM Towing
- John Amato Ford
- Aerogas
- Pick N Save
- Garden Mart
- Mukwonago Animal Hospital
- Mukwonago YMCA
- Sweet Delight Kettle Corn

Their financial and material support of the above donors helped greatly to make the event a huge success.

Displays included Mukwonago Fire Department apparatus, Mukwonago Department of Public Works vehicles, Wisconsin State Patrol motorcycle, HAWS, Mukwonago Animal Hospital, ProHealth, Mukwonago YMCA, several area Boy Scout and Girl Scout troops, AM Towing vehicles, and bounce houses courtesy of the Orchard Hill Assembly of God. The face painters continue to hold the record for the longest line of the night, staying long after the official end of the event. Coming in a close second was the henna tattoo artist. The delicious food was provided by Scott the Hot Dog guy, David Alan Alan's Smokehouse & Saloon and Sweet Delight

## National Night Out *continued*

Kettle Corn. A HUGE thank you to both the United States Army who was in attendance with a basketball game and the popular dog tag machine. In 2017 we added a kid's kickball game that entertained kids all evening. Accent of Dance gave several group performances that get better every year. We are looking forward to continuing the growth of this awesome event with so many wonderful people that make up the fabric of our community - all in the name of keeping Mukwonago a safe place to work, visit and play!

We are also very proud to partner with the Village of Mukwonago Board of Trustees and President who all attended this event as well as the staff of the Mukwonago Police who also volunteered for this event.

## Bike Patrol Program

The bicycle patrol program was started in 2004 with donations from the Knights of Columbus and Wonago Biking.

In 2017, Officer Kreiser utilized the bicycle patrol for the following events:

ProHealth Care Cancer Walk	20.3 miles
Memorial Day Parade	27.8 miles
Father's Day Parade	8.9 miles
Homecoming Parade	8.3 miles

**TOTAL 65.3 miles**

(2) citations were issued during the above patrols

## Neighborhood Watch Program

Neighborhood Watch is a program that joins the residents of Mukwonago and the police officers sworn to protect Mukwonago. Our goal is to work together to deter crime, reduce crime and feel safe in our community. As a member of your neighborhood you may notice a stranger or cars that are out of place at your neighbors' house.

The first step to creating your own Neighborhood Watch program is to talk with your neighbors. Find out who would be interested in participating and set up a meeting. Meetings can be held at someone's home, community meeting room or the police department. Once you have a location, date and time, contact Sergeant Chris DeMotto at (262)363-6436 or email to: [cdemotto@mkpd.org](mailto:cdemotto@mkpd.org).

## Talks / Tours / Events

In 2017 officers conducted 9 talks at the Door to Door Driving School in Mukwonago. We also gave talks to service organizations such as the Kiwanis and Rotary Clubs.

We also provided Girl Scout and Boy Scout tours at the police department. The groups are shown all facets of the department, from dispatch to the evidence lab, to interview/interrogation room and patrol squads. The officer facilitator then hands out items that contain anti-drug, crime prevention, stranger danger and general safety messages. The department also participates in the Parkview Middle School Career Day, where students come into the department for a tour and observe employees performing their duties. Officers also participated in Coffee with a Cop during the first Wednesday of the month from June through October at the Mukwonago Farmers Market in Field Park. Other events we participated in were the YMCA Healthy Kids day event and a cancer bicycle/walk event,

## School Resource Officer Program

The Police Resource Officer program began in December 1999 and is the result of a partnership with the Village of Mukwonago Police Department and the Mukwonago Area School District. This program is a proactive approach towards reducing and preventing problems associated with adolescents in the school. The program assists in providing the students with a safe learning environment and preventing incidents of school violence. The Officer is also involved in many programs in the High School and the community.

Prime for Life - a program which provides drug and alcohol information to at risk students.

Tobacco Abatement Resolution – Developing measures to stop using tobacco products.

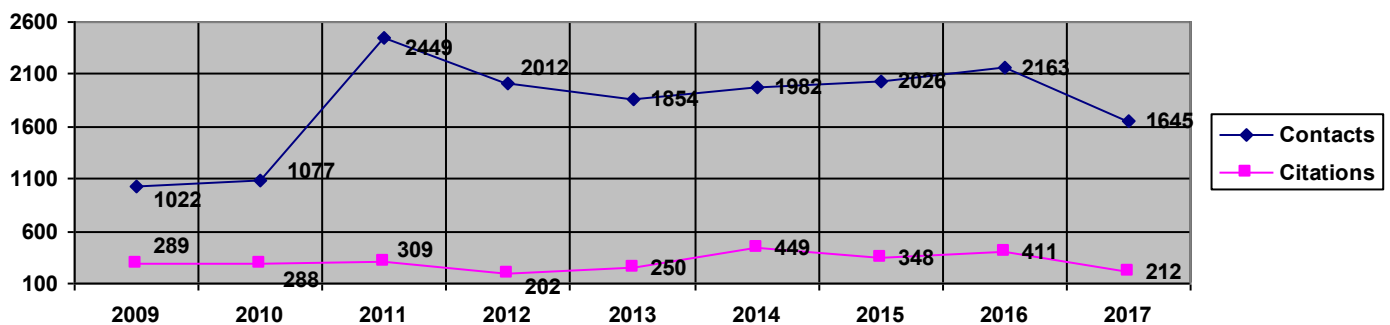

Quick 25/50 Program - Coordinator of crime stoppers and the Quick 25/50 Program.

Our current School Resource Officer is Jason Steinbrenner.

## 2017 NIBRS Data

### National Incident Based Reporting System

In 2015, Lt. Streit began working to upgrade the department's crime reporting from the Uniform Crime Report (UCR) to the National Incident Based Reporting System (NIBRS). He obtained a grant to fund updating the department's ProPhoenix Records Management System and developed tools to assist officers with NIBRS compliant data entry.

UCR and NIBRS are both regulated by the FBI and both use the same general concepts. NIBRS goes into greater detail than UCR and has 46 Group A offenses while UCR only has 8 Part I offenses. UCR does not differentiate between completed and attempted crimes while NIBRS does. Also, UCR tends to only report the most serious offense reported when multiple crimes are reported in the same period of time, location, and person/group of people. The great thing about NIBRS is the data can be submitted electronically in the form of ASCII text files, needing no manual input. UCR data is written documents that have to be hand entered into a computer system for analysis. Within a few years, the FBI will require all law enforcement agencies to report NIBRS data instead of UCR data.

### National Incident Based Reporting System

NIBRS only reports the highest level arrest for any incident where UCR report all arrests. For example, if you look at our Drug Equipment number, we had 26 incidents but only 2 arrests. That is because in most of those incidents, we also arrested the person for Possession of a Controlled Substance so only that arrest is reported, not the Narcotic Equipment arrest.
