The Vision and Mission of the Village of Mukwonago Police Department

VISION

A Village of Mukwonago where all citizens can live safely and without fear, protected by a police department with the highest ethical and professional standards.

MISSION

The staff of the Village of Mukwonago Police Department strives to provide all citizens, residents and visitors with professional law enforcement. We accept our obligation to protect the rights and liberties of all persons, regardless of race, sex, religious background, or ethnicity. We understand the importance that people place on their personal safety and the safety of their property.

We pledge to:

- Be responsive to the community and understand that the needs of the community may change over time.
- Be proactive in matters of crime prevention and community involvement.
- Be impartial in our contacts with all.
- Work in partnership with the members of the community, to make Mukwonago a better place to live, work and visit.

CORE VALUES

COMPETENCE

We are prudent stewards of the public's grant of authority and resources. We are accountable for the quality of our performance and the standards of our conduct. We are exemplary leaders and exemplary followers.

COURAGE

We place the safety of others before our own and accept our moral responsibility to take action against injustice and wrongdoing. Police members are expected to take prudent risks on behalf of the public.

INTEGRITY

We recognize the complexity of police work and exercise discretion in ways that are beyond reproach and worthy of public trust. Honesty and truthfulness are fundamental elements of integrity. It is our duty to earn public trust through consistent words and actions. We are honest in word and deed.

LEADERSHIP

We seek to influence human behavior to achieve organizational goals that serve the public while developing individuals, teams and the organization for future service. We accept our responsibility to be leaders, both within the community and among our peers, and for the actions of our colleagues and ourselves. We are all responsible for the performance, reputation and morale of the department.

RESPECT

We hold life in the highest regards. We treat all citizens and colleagues with dignity and respect, and are fair and impartial as we perform our duties.

RESTRAINT

We use the minimum force and authority necessary to accomplish a proper police purpose. We demonstrate self-discipline, even when no one is listening or watching.

Message from the chief

Message from the Chief

I am pleased to share with you the Village of Mukwonago Police Department's 2018 Annual Report.

The department is located at 627 S. Rochester Street (STH 83), about ½ a mile north of I-43. The department consists of 14 officers, which includes command staff, 7 dispatchers/clerks, and currently 12 Police Reserve Officers who assist the department at special events.

The department provides police service to the Village of Mukwonago 24-hours-per-day, 7 days-per-week. Our dispatch center provides dispatch service to the Village of Mukwonago PD, the Town of Mukwonago PD and boat patrol, the Town of Eagle Boat Patrol, and the Mukwonago Fire Department.

The Village of Mukwonago Police Department members remain committed to our core values (Competence, Courage, Integrity, Leadership, Respect, and Restraint). We strive to achieve our vision of a community where all citizens can live safely and without fear. We are dedicated to our mission of providing professional law enforcement to all by being responsive to the community needs, be proactive in crime prevention and community involvement, be impartial in our contacts with everyone and work together with all members of the community.

I would like to thank the Village Board, Police Commission and all other employees of the Village of Mukwonago. Together we can and have made a difference. On behalf of all the members of the department, thank you for providing us with the resources to complete our mission.

In 2018, we saw some changes in personnel at the department. We bid farewell to four officers. Lieutenant Steven LaDue and Officer Eric Nelson retired from the department. Steve was with us for 32 years and Eric was with us for 25 years. Officer Rebecca Ackmann and Officer Jose Ortiz resigned from the department. Becca was with us for 5 years and Jose was with us for 3 years. Dispatcher/Clerk Sarah Shaw resigned after being with us for 2 years. We thank Steve, Eric, Becca, Jose and Sarah for their service to our community and wish them nothing but the very best.

With the loss of the officers, we welcome their replacements: Michael Kubiak comes to us after 20 years with the Waukesha County Sheriff's Department. Brian Cieszynski and Taylor Zajichek were Police Reserve Officers for us, Brian for 3 years and Taylor for 1 year. Shaun Pinkowski came to the department after a short time with the Milwaukee County Sheriff's Department. All four officers have completed their field training and are doing a great job.

I want to thank Chaplain Kevin and Chaplain Rob for the many hours they have volunteered to the program. They have begun officer wellness programs for all members. The dedication and passion for the program is very evident in both of them.

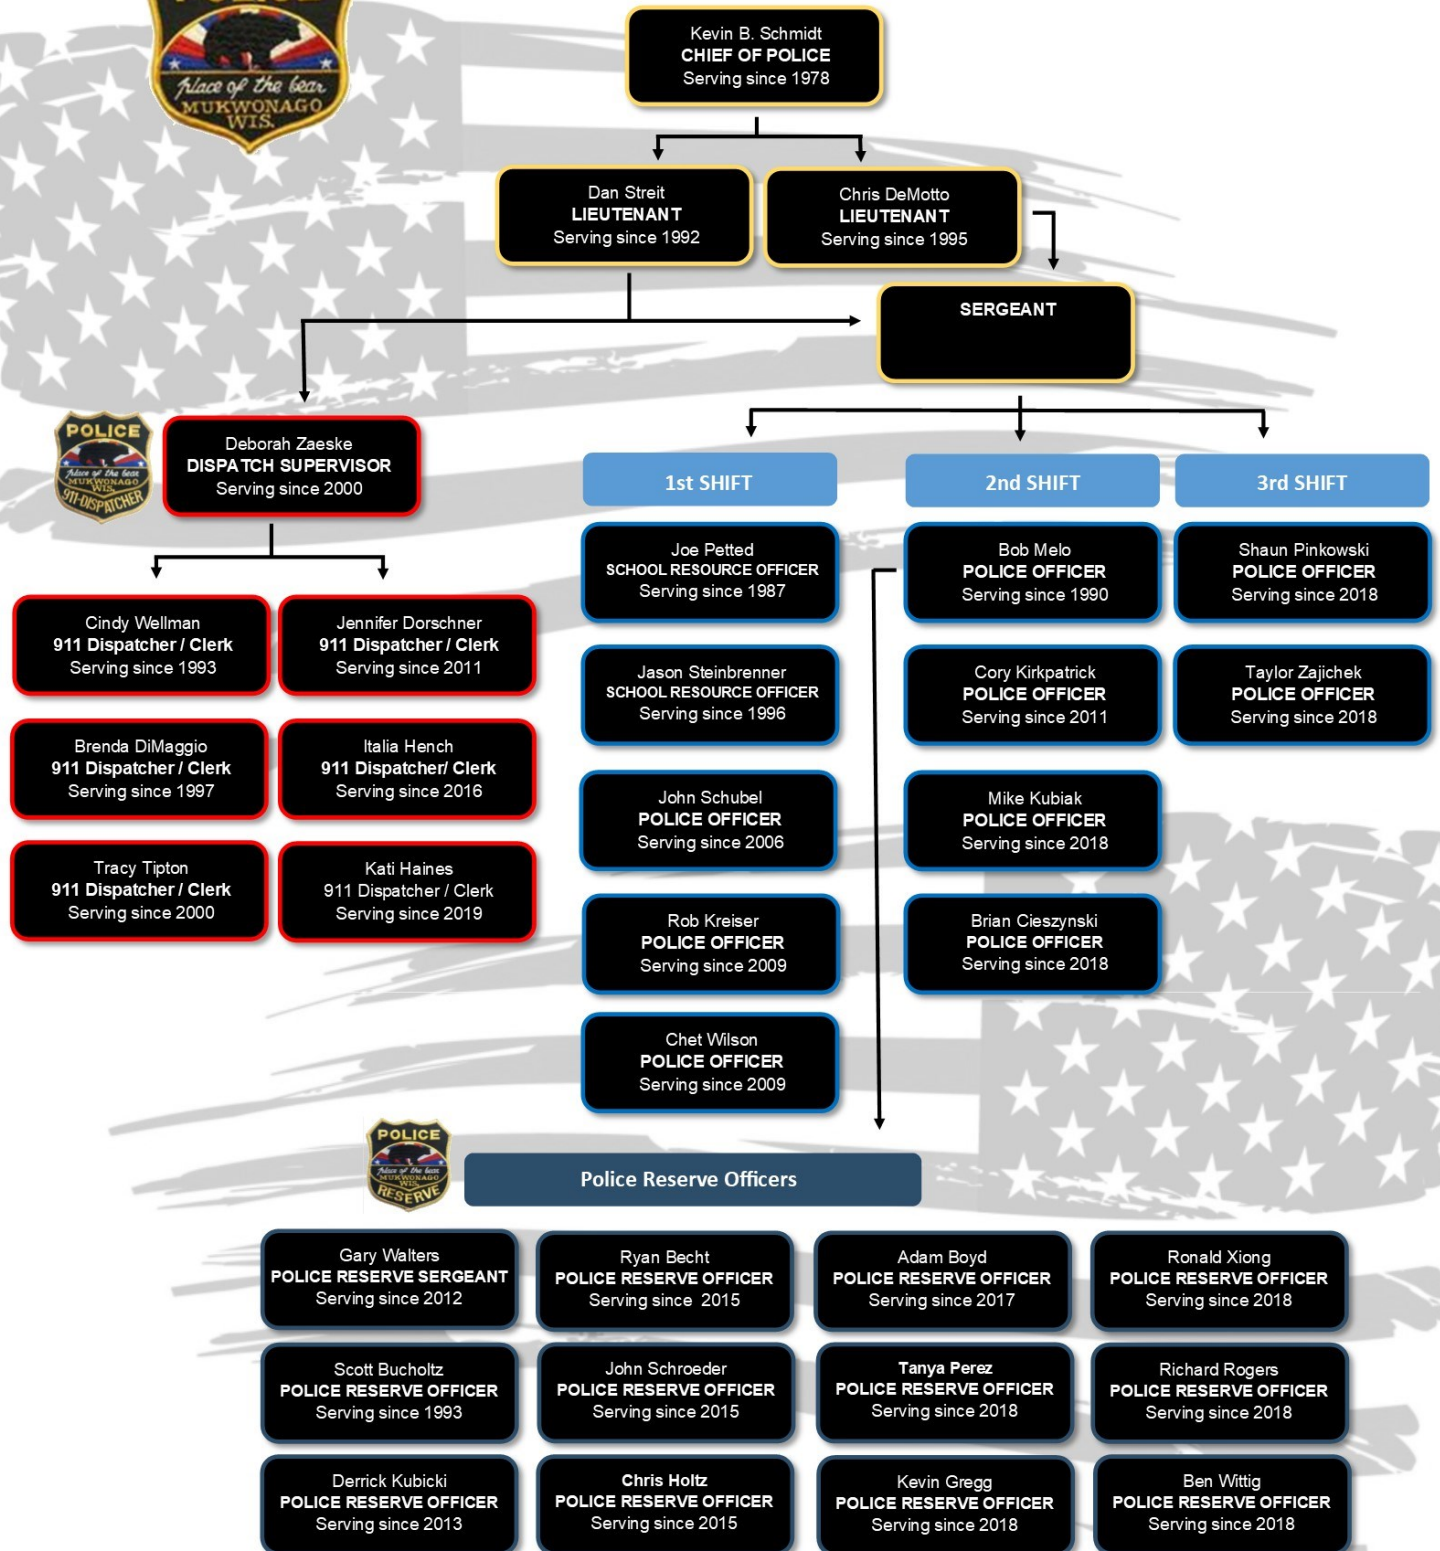

I want to give my sincere thanks to the men and women of the department. Your commitment to making Mukwonago a safe place is truly appreciated by both myself and the public.

Support from the Community

We cannot do our job without the support and help of the community. Below are just a few examples of the wonderful support we received from the community this year.

"For all you have done and all you will do, I know I am safe because of you."

Narcan Training / Success Story

In April of 2018, ALL department personnel received training from the Waukesha County Health Department in the use of Naloxone. Naloxone is a non-prescription medication that is injected as a nasal spray to reverse an opioid overdose. It works by blocking the effects of the opioid on the body. Also commonly known as Narcan.

The police departments first record save was on Thursday, October 4th, 2018. Officer Kubiak and Officer Melo were dispatched to the area of I-43 north of STH 83 for a possibly impaired driver that just drove into the ditch. Upon their arrival numerous citizens had stopped and directed them to the female driver. The female driver was ash in color and had bluish lips. Officer Kubiak checked her pulse and it was faint, she was taking shallow breaths and was making a gasping/gurgling noise. Attempts were made to wake her but she was unresponsive. From their training and experience, they believed this to be the cause of a drug overdose.

Officer Melo administered 4 milligrams of Narcan while Officer Kubiak keep her airway open. After the first dose of Narcan did not appear to work Officer Kubiak administered another 4 milligrams of Narcan. Mukwonago Ambulance crew arrived a short time later and took over patient care. Medical staff stated

Employee Recognition

(Left) On Wednesday, July 18, 2018 dispatchers Debbie Zaeske and Cindy Wellman, along with Mukwonago Fire Department members and Town of Mukwonago Police Officer Adam Germanis were recognized for their actions providing emergency, life-saving care to Mr. Goelz (pictured with his family) who suffered a severe heat related emergency Memorial Day

(Right) Congratulations to Officer Joseph Petted on receiving the Veterans Foreign Wars Post 7221 Thomas R. Wolter Award for Police Excellence. Thank you to VFW Post #7221 for honoring our law enforcement officers.

Police Chaplain Program

Following the approval of the chaplain program at the end of 2015, volunteer chaplains Rev. Kevin Clark (Pastor at First Congregational Church) and Rev. Rob Jadrnicek (Lead Pastor at LifePoint Church), immediately began doing regular ride-alongs with the Police and Fire Departments. The chaplains averaged about two hours per ride-along and rode with officers and EMS several times.

In addition, the chaplain's services and participation were requested in numerous other ways in 2018:

- National Night Out Planning and Execution
- Swearing in of newly appointed officers
- 9/11 Memorial Ceremony at the Fire Department
- Waukesha County Police Memorial Service
- Fire Fighter's Annual Banquet
- Police Department Trainings
- Helping with Stuff the Squad
- CISM Debriefings
- Attending Funerals for Fallen Milwaukee Officers
- Providing Support to Officers and EMS
- Other training attended:
 - WI Department of Justice Police Chaplain Continuing education

High Visibility Traffic Grants

The Village of Mukwonago Police Department has been targeted by the Wisconsin Department of Transportation, Bureau of Traffic Safety (BOTS) for High Visibility Enforcement grants. We belong to the Impaired Driving Task Force of Southwest Waukesha County. We are partnered with the City of Muskego, Town of Mukwonago and Village of Eagle Police Departments. BOTS targets local police departments for grants based on traffic crash data. Based on their data, they have awarded grants to combat traffic crashes by targeting speeding, seatbelt usage, operating while intoxicated offenses and aggressive driving. The deployments were conducted throughout the spring, summer and fall. We also participate in the National Mobilizations and Crackdowns known as Click It or Ticket, Drive Sober or Get Pulled Over and Drive Sober Winter.

In all, village officers were deployed 42 times in 4-hour high visibility deployments.

Mukwonago Police Reserve & Explorer Program

Submitted by Officer Melo, Reserve Director

Once again the Village of Mukwonago Police Department is very proud of the outstanding job that the Reserve Officers have done throughout 2018. We are maintaining a roster of 12 Reserve Officers and are now up to 4 active Explorers. The Village of Mukwonago is very fortunate to have this group of dedicated individuals serving in a very difficult capacity. This service has again proved to be an invaluable asset to the police department and the community. We are very proud of Reserve Officers Taylor Zajichek and Brian Cieszynski who were both promoted to full time officer positions with the Village of Mukwonago from the reserves in 2018. I have no doubt that the program will continue to maintain this level of success in 2019.

Civilian Response to an Active Shooter

The Advanced Law Enforcement Rapid Response Training (ALERRT) Center is among the leading training programs at [Texas State University](https://www.texasstate.edu/). The ALERRT Center is a part of the [School of Criminal Justice](https://www.texasstate.edu/school-of-criminal-justice/), in the College of Applied Arts and Science at Texas State, and they work closely with the [Office of Research and Federal Relations](https://www.texasstate.edu/office-of-research-and-federal-relations/). As of the Fall of 2018, the ALERRT Center had been awarded more than \$72 million in state and federal grants to deliver active shooter response training around the nation.

ALERRT helps law enforcement officers answer the frequently ask question of “what should we do if confronted with an active shooter event.” ALERRT provides a course called The Civilian Response to Active Shooter Events (CRASE). It is built on the [Avoid, Deny, Defend](https://www.alerrt.com/avoid-deny-defend/) strategy developed by ALERRT in 2004. The program provides strategies, guidance, and a proven plan for surviving an active shooter event. Topics include the history and prevalence of active shooter events, civilian response options, medical issues, and considerations for conducting drills.

Lt Chris DeMotto is one of many law enforcement officers in the United States trained to instruct civilians and law enforcement officers. With the increase in demand for this training he conducted eight classes in Mukwonago in 2018, totaling 187 civilian students. Watch the attached Avoid, Deny, Defend You Tube link for an overview of the CRASE course. <https://www.youtube.com/watch?v=j0lt68YxLQQ>

Suburban Critical Incident Team (S.C.I.T)

The Suburban Critical Incident Team has approximately 40 tactical officers and over a dozen negotiators. These officers are from nine area police departments; City of Brookfield, City of New Berlin, City of Muskego, City of Delafield, Village of Mukwonago, Village of Pewaukee, Village of Chenequa, Village of Hartland and the Village of Elm Grove. Officer Melo has been on the team as a negotiator and was joined this year by Officer Cory Kirkpatrick, who is a tactical officer.

To join SCIT; officers must demonstrate skill, knowledge and competence, at their department, to be selected by their supervisor to “tryout” for the team. There are three main phases to the “tryout”; physical fitness, marksmanship and an oral interview. Failure in one area means they will not be selected but they may be able to “tryout” next year. If an officer is selected they attend training and are tested on tactics, fitness and marksmanship. They continue to training with the team, in a support role, until they can prove their proficiency, which can take a year.

Members of SCIT were deployed about 15 times in 2018. This is down from 2017 but is expected to

Making a difference

Salvation Army Bell Ringing

In 2018, department members once again attended the annual Salvation Army bell ringing competition against the Fire Department. It took place on December 8th at WalMart from 4:00 PM to 8:00 PM. The Village Police Department again teamed up with the Town of Mukwonago Police Department. The competition has been held since 2012 and every year, the police department has collected more money. The money collected at Pick n Save and WalMart stays in the Mukwonago area to help local families. Those that attend are in uniform and are invited to bring along their family members as they greet shoppers, ring the bell and collect money for this great cause. It's a great way for us to interact with the community and show our support for those in need.

And the totals are in for 2018 ...

Fire Department	\$ 641.48
Police Department	\$ 955.32

That is a total of \$1,596.80 to help people in the Mukwonago community.

Prescription Drop Box / Drug Take Back Event

The medication disposal unit installed in the lobby in 2014 was again put to good use throughout 2018. **In 2018 we accepted approximately 428 pounds (up 20 pounds from last year) of medications in the drop box!** The red drop box can be accessed in the lobby 24-hours-per-day.

We also participated in Drug Take Back events at DNG ProHealth (169 pounds) in the spring and Walgreens (100 pounds) in the fall. Including the take back events, that is a total of approximately 700 pounds collected and properly disposed of.

Mukwonago Police is on Facebook

A committee was formed in 2016 and challenged with the task of getting the police department up and running on Facebook. The page is used to provide citizens that live and work in Mukwonago useful information and also as a platform to interact with the community as an example, the bell ringing referenced above.

National Night Out

The Village of Mukwonago Police Department, working in conjunction with the Mukwonago Neighborhood Watch group, is very proud of the growing popularity of this annual event held at Field Park on the first Tuesday of August each year.

The National Night Out event aims to heighten crime and drug prevention awareness, generate support for and the participation in local anti-crime efforts, strengthen neighborhood spirit and police-community partnerships, and send a message to local criminals that neighborhoods are organized, on the look out, and fighting back!

The Village of Mukwonago Police Department was proud to partner with the Town of Mukwonago Police Department, Village of Mukwonago Public Works, and Mukwonago Fire Department to host the event. Donors included:

- WE Energies
- Kwik Trip
- Citizen's Bank of Mukwonago
- Mukwonago AB U-Stor
- AM Towing
- John Amato Ford
- Aerogas
- Pick N Save
- Garden Mart
- Mukwonago Animal Hospital
- Mukwonago YMCA
- Sweet Delight Kettle Corn

Their financial and material support of the above donors helped greatly to make the

This was Officer Rebecca Ackman's 4th and final year as Department Coordinator of the National Night Out Event. Officer Ackman did a great job working with the National Night Out Committee to put on this event. On behalf of the Village of Mukwonago, thank you Officer Ackman and the National Night Out Committee for all of your dedication and work in making our event one of the finest in the area.

National Night Out *continued*

We are looking forward to continuing the growth of this awesome event with so many wonderful people that make up the fabric of our community - all in the name of keeping Mukwonago a safe place to work, visit and play! We are also very proud to partner with the Village of Mukwonago Board of Trustees and President who all attended this event as well as the staff of the Mukwonago Police who also volunteered

Bike Patrol Program

The bicycle patrol program was started in 2004 with donations from the Knights of Columbus and Wonago Biking.

In 2018, Officer Kreiser utilized the bicycle patrol for the following events:

Memorial Day Parade	5.8 miles
June 2 Bike Races	18.2 miles
June 6 Patrol	2.8 miles

Neighborhood Watch Program

The Neighborhood Watch program is one of the department's oldest community programs. The program helps join police officers with the residences they serve. The goal is to work together to deter crime and help keep Mukwonago safe. We rely on members of the community to help notice strangers or activity that is out of place.

To start your own Neighborhood Watch program, talk to your neighbors. Find out who is interested in participating and set up a meeting. Meetings can be held at someone's home or a community room. Contact Lt Chris DeMotto at (262)363-6436 or email him at cdemotto@mkpd.org to help you get started.

Talks / Tours / Events

The Mukwonago Police Department provides numerous educational talks and tours to the public. Several times a year Girl and Boy Scout troops meet at the department to earn a merit badge in crime prevention. The tour takes the children to our dispatch center where they can see where 911 calls go to and see how police and fire units are dispatched. They also see the officer work areas, prisoner process area, armory, squad cars and the officer's equipment. We also educate them and provide handouts containing anti-drug messages, crime prevention, stranger danger and other general safety practices.

We also participate in talks at the local driver's education school and helped out with knife safety for a Boy Scout merit badge.

School Resource Officer Program

The School Resource Officer Program began at the Mukwonago High School in December 1999 as a result of a partnership with the Village of Mukwonago Police Department and the Mukwonago Area School District. In September 2018, we also partnered to place a School Resource Officer in the Park View Middle School.

This program is a proactive approach towards reducing and preventing problems associated with adolescents in the school. The program assists in providing the students with a safe learning environment and preventing incidents of school violence. The Officers are also involved in many programs in the Schools and the community.

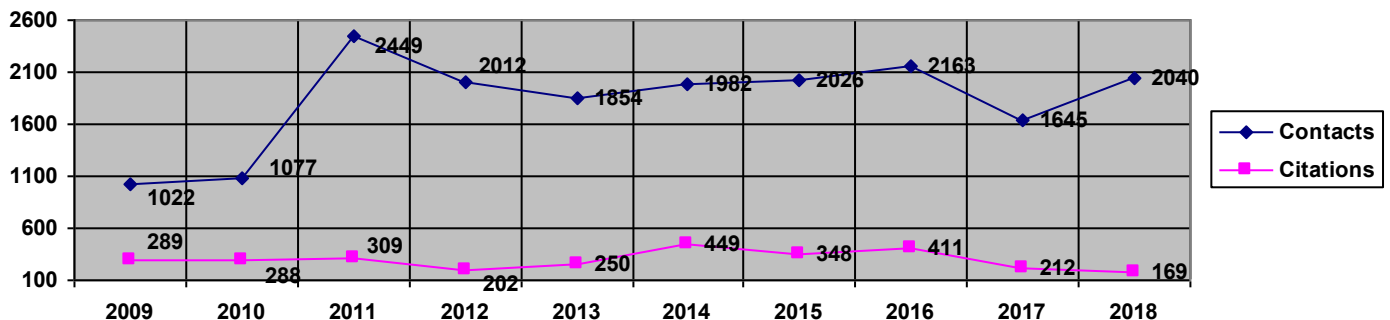

Prime for Life - a program which provides drug and alcohol information to at risk students.

Tobacco Abatement Resolution – Developing measures to stop using tobacco products.

Quick 25/50 Program - Coordinator of crime stoppers and the Quick 25/50 Program.

2018 NIBRS Data

National Incident Based Reporting System

In 2015, Lt. Streit began working to upgrade the department's crime reporting from the Uniform Crime Report (UCR) to the National Incident Based Reporting System (NIBRS). He obtained a grant to fund updating the department's ProPhoenix Records Management System and developed tools to assist officers with NIBRS compliant data entry.

UCR and NIBRS are both regulated by the FBI and both use the same general concepts. NIBRS goes into greater detail than UCR and has 46 Group A offenses while UCR only has 8 Part I offenses. UCR does not differentiate between completed and attempted crimes while NIBRS does. Also, UCR tends to only report the most serious offense reported when multiple crimes are reported in the same period of time, location, and person/group of people. The great thing about NIBRS is the data can be submitted electronically in the form of ASCII text files, needing no manual input. UCR data is written documents that have to be hand entered into a computer system for analysis. Within a few years, the FBI will require all law enforcement agencies to report NIBRS data instead of UCR data.

National Incident Based Reporting System

NIBRS only reports the highest level arrest for any incident where UCR report all arrests. For example, if you look at our Drug Equipment number, we had 26 incidents but only 2 arrests. That is because in most of those incidents, we also arrested the person for Possession of a Controlled Substance so only that arrest is reported, not the Narcotic Equipment arrest.
