## **The Vision and Mission of the Village of Mukwonago Police Department**

### *VISION*

A Village of Mukwonago where all citizens can live safely and without fear, protected by a police department with the highest ethical and professional standards.

### *MISSION*

The staff of the Village of Mukwonago Police Department strives to provide all citizens, residents and visitors with professional law enforcement. We accept our obligation to protect the rights and liberties of all persons, regardless of race, sex, religious background, or ethnicity. We understand the importance that people place on their personal safety and the safety of their property.

*We pledge to:*

- Be responsive to the community and understand that the needs of the community may change over time.
- Be proactive in matters of crime prevention and community involvement.
- Be impartial in our contacts with all.
- Work in partnership with the members of the community, to make Mukwonago a better place to live, work and visit.

# CORE VALUES

## COMPETENCE

We are prudent stewards of the public's grant of authority and resources. We are accountable for the quality of our performance and the standards of our conduct. We are exemplary leaders and exemplary followers.

## COURAGE

We place the safety of others before our own and accept our moral responsibility to take action against injustice and wrongdoing. Police members are expected to take prudent risks on behalf of the public.

## INTEGRITY

We recognize the complexity of police work and exercise discretion in ways that are beyond reproach and worthy of public trust. Honesty and truthfulness are fundamental elements of integrity. It is our duty to earn public trust through consistent words and actions. We are honest in word and deed.

## LEADERSHIP

We seek to influence human behavior to achieve organizational goals that serve the public while developing individuals, teams and the organization for future service. We accept our responsibility to be leaders, both within the community and among our peers, and for the actions of our colleagues and ourselves. We are all responsible for the performance, reputation and morale of the department.

## RESPECT

We hold life in the highest regards. We treat all citizens and colleagues with dignity and respect, and are fair and impartial as we perform our duties.

## RESTRAINT

We use the minimum force and authority necessary to accomplish a proper police purpose. We demonstrate self-discipline, even when no one is listening or watching.

## **Message from the Chief**

I am pleased to share with you the Village of Mukwonago Police Department's 2019 Annual Report.

The department is located at 627 S. Rochester Street (STH 83), about ½ a mile north of I-43. The department consists of 15 officers, which includes command staff, 7 dispatchers/clerks, and currently 8 Police Reserve Officers who assist the department at special events.

The department provides police service to the Village of Mukwonago 24-hours-per-day, 7 days-per-week. Our dispatch center provides dispatch service to the Village of Mukwonago PD, the Town of Mukwonago PD and boat patrol, the Town of Eagle Boat Patrol, and the Mukwonago Fire Department.

The Village of Mukwonago Police Department members remain committed to our core values (Competence, Courage, Integrity, Leadership, Respect, and Restraint). We strive to achieve our vision of a community where all citizens can live safely and without fear. We are dedicated to our mission of providing professional law enforcement to all by being responsive to the community needs, be proactive in crime prevention and community involvement, be impartial in our contacts with everyone and work together with all members of the community.

I would like to thank the Village Board, Police Commission and all other employees of the Village of Mukwonago. Together we can and have made a difference. On behalf of all the members of the department, thank you for providing us with the resources to complete our mission.

In 2019, we had two new employees join the Department.. In January, Kati Haines was hired as a Police Dispatcher/Clerk. In September, part-time Police Reserve Officer Richard Rogers was promoted to a full-time Police Officer position. This is our 15th police officer position in the Village, and our first addition to the department since 2000.

We also said goodbye to a former Police Officer/Police Chief. Retired Police Chief James N. Frank passed away in December after a brief illness. Please see the next page for a tribute to Chief Frank.

I want to thank Chaplain Kevin and Chaplain Rob for the many hours they have volunteered to the department. The dedication and passion for the Chaplain program is very evident in both of these fine men. They have assisted our officers with grieving residents in the Mukwonago area who have lost a loved one. Both Chaplains have a dedication to serve our Community and I cannot thank them enough for all they do.

Lastly, I want to give my sincere thanks to the men and women of the department. Our job is not an easy one. We put in long hours, work nights, weekends and holidays when our families want us with them. Many times, we see the worse in people and the unthinkable things one human being does to another human being. Thank you for all your hard work and support. Great employees are the ones who inspire their boss as much as the boss inspires them. Thank you all for being an inspiration to me. And on behalf of all the residents, business owners and visitors in Mukwonago, thank you for working to keep us all safe.

Kevin B. Schmidt  
Chief of Police

# In Remembrance

It is with great sadness that we announce that 2019 brought the passing of retired Chief James N. Frank. Chief Frank passed away after a brief illness on December 27, 2019. He was 80 years old.

Jim was born in Milwaukee on May 14, 1939, where he graduated high school and continued his education in the Police Academy. Jim was a proud police officer for over 40 years, working for the Milwaukee Police Department, Montello, the Town of East Troy and retiring with the Village of Mukwonago as their Police Chief. After serving as a police officer in Milwaukee and Montello, he was hired as a police officer in Mukwonago in 1971. In 1972, he was promoted to Chief of Police. Chief Frank retired in 1999. We thank him for his service to our department and community.

On July 22, 1994 he married Margie May Dunnington who preceded him in death in 2013. Jim loved to fish and follow his favorite Wisconsin football teams, the Packers and Badgers. Up until his illness he still resided in the Village of Mukwonago.

# Welcome

## Welcome to Our Newest Officer!

(Left) The Village of Mukwonago Police Department welcomes Officer Richard Rogers to the department. He was sworn in as the newest member of the department on Thursday, September 5, 2019 at the Mukwonago Village Hall. You may recognize Richard as he has been a police reserve officer with the department since 2018.

## Employee Recognition

Congratulations are in order to Officer Chet Wilson on this much deserved award. **Law Enforcement Officer of the Year** presented by the Rotary Club of Mukwonago.

## Years of Service Recognition

The Village held their employee recognition dinner in January of 2020. Several police department employees were recognized for their years of full-time service to the Village. The Village acknowledges 5/10/15/20/25/30/35 years of service. Some of the employees have passed their anniversary date while others will reach it in 2020. Below are the employees who were recognized.

Officer Robert Melo - 30 years  
 Lt. Chris DeMotto - 25 years  
 Dispatcher Cynthia Wellman - 25 years  
 Dispatcher Deborah Zaeske - 20 years  
 Dispatcher Tracy Tipton - 20 years  
 Officer Robert Kreiser - 10 years  
 Officer Chet Wilson - 10 years

## Ice Rescue Recognition

On Thursday, December 26<sup>th</sup> 2019, at approximately 3:45pm, Mukwonago Dispatcher Tracy Tipton answered a 911 call about two children who had fallen through the ice on a manmade retention pond. The caller, Danielle Castro, reported the children were hanging on to the edge of the hole in the ice screaming for help. Recognizing the sense of urgency, Dispatcher Tipton quickly dispatched the Mukwonago Fire Department and Officers.

Danielle and Estanislado Castro were driving in the area when they noticed an unoccupied bicycle and the two children in the icy water. Mr. Castro ran to the edge of the pond, attempting to calm the children after directing Mrs. Castro to quickly retrieve rope from their residence nearby. She returned with an extension cord.

There was approximately 50 feet of thin ice to get to the children in water that was later found out to be approximately 7 feet deep.

It was at this point that Officer Wilson and Mr. Castro entered the icy water and began breaking the ice to make their way to the children. It was at this time that the Mukwonago Water Rescue arrived on scene.

As Officer Wilson neared the children, Mukwonago FD Lt. Ryan Moeller found three people in the water. One of the kids was treading water strongly but the other child was struggling to stay above the water. The ice to the children had been broken open by Officer Wilson who was tethered to Mr. Castro at the shoreline by the extension cord. Lt. Moeller entered the water and joined Officer Wilson. The last section of ice between them and the breached hole was broken. Officer Wilson grabbed the hand of the closest child. Lt. Moeller was able to circle around Officer Wilson and grab both children in his arms. All four were then pulled back to shore. Once on shore, both children and the Officer Wilson were escorted into the awaiting ambulance.

The Mukwonago Police Department and Mukwonago Fire Department recognized Estanislado and Danielle Castro, MKPD Dispatcher Tracy Tipton, MKPD Officer Chet Wilson and MFD Lt. Ryan Moeller for the lifesaving steps they took during this treacherous situation. It was truly a team effort by all involved that prevented this incident from becoming a tragedy. They were presented awards at the February 5, 2020 village board meeting.

# New in 2019

## Mindshare

In 2019, the Mukwonago Dispatch Center replaced two Motorola Centracome Elite dispatch consoles that were purchased in 2008 and 2010. These consoles originally came out in 1995; they are no longer serviced and they reached their end of life. They were replaced with two Mindshare VOIP dispatch consoles.

These new consoles have P25 technology, a Linux operating system, are scalable for the future, have advanced interfaces with other radio manufacturers, no single point failure and provide mobile dispatch capabilities. We were able to use similar, but enhanced, screen layout to provide a seamless transition.

## Live Scan Electronics Fingerprint System

In 2019, the National Criminal History Improvement Program awarded Wisconsin \$451,000 in funds to purchase and install electronic fingerprint capturing devices throughout Wisconsin. The Mukwonago Police Department applied for some of these funds and was awarded just over \$17,000. The cost to the department was a 10% overall match.

The LiveScan system replaces officers taking ink fingerprints and mailing the fingerprint cards to WI DOJ and the FBI. The system purchased is an IDEMIA LiveScan station and it went live in May.

It is fully compatible with and shares information with State and Federal fingerprint systems. LiveScan is a digital system that not only takes fingerprints (also known as tenprints) but will scan and submit palmprints and the "blade" edge of each hand. It can also be used as a Fast ID to get an individual's name in minutes and it digitally adds the individual's photo to their fingerprints. Upgrades were also purchased to intergrade the department's report management system with the LiveScan.

The Mukwonago Police Department averages about 60 walk-in fingerprint request a year. These requests are generally for licensing verification for teachers, federal employees, concealed weapon request and securities. We also fingerprint about 200 municipal arrests per year.

# Support from the Community

We cannot do our job without the support and help of the community. Below are just a few examples of the wonderful support we received from the community this year.

(Left) The Village and Town of Mukwonago Police Department Officers handed out Green Bay Packer cards while on patrol. We would like to thank Lynch of Mukwonago for partnering with the Department in their sponsorship of the program. Pictured left to right are Police Chief Kevin Schmidt, Lynch of Mukwonago's General Manager Mark Greene, Sales Representative Chris Walker and Used Car Manager Matt Weinstock.

(Right) Thank you to the Bay View Veterinary Clinic staff for their donation of a microchip scanner. They raised funds to purchase the microchip scanners. With the generous donations of many, Bay View Veterinary was able to purchase a microchip scanner for the Village and Town of Mukwonago and East Troy Police Departments. This will allow us to check any stray cats or dogs for a microchip and return the pet to the owner. Pictured are staff of Bay View Veterinary Clinic presenting the scanners to the Police Departments.

(Above) Thank you to the Mukwonago VFW Post #7221 for their donation to the Village of Mukwonago Police Department. VFW Post #7221 has supported our department for many years with donations and their Police Officer of the Year program.

Pictured is Commander James Paar presenting the check to Lieutenant Chris DeMotto.

(Below) Thank you to Moose Lodge #1057 of Muskego for their donation of Tommy Moose stuffed animals. Tommy Moose program provides plush Tommy Moose dolls at no cost to police officers, firefighters, and ambulance personnel all over North America. The first-responders keep Tommy in their vehicles, ready to be given to children when they are involved in fires, accidents or other traumatic situations.

Pictured are members of the Moose Lodge #1057 presenting Tommy Moose dolls to the Village of Mukwonago and Muskego Police Departments and the Mukwonago and Tess Corners Fire Departments.

# Support from the Community

## Prescription Drop Box / Drug Take Back Events

The medication disposal unit installed in the lobby in 2014 was again put to good use throughout 2019. **In 2019 we accepted approximately 346 pounds of medications in the drop box!** The red drop box can be accessed in the lobby 24-hours-per-day.

We also participated in Drug Take Back events at DNG ProHealth (125 pounds) in the spring and Walgreens (75 pounds) in the fall. Including the take back events, that is a total of approximately 546 pounds collected and properly disposed of.

## Traffic Safety Grants

Once again the Village of Mukwonago Police Department and our partners (City of Muskego and Town of Mukwonago Police Departments) were targeted by the Wisconsin Department of Transportation - Bureau of Traffic Safety (BOTS) for three traffic safety grants.

The three grants targeted, impaired driving, aggressive driving, speeding, and lack of seatbelt usage; to help reduce traffic crashes and injuries from those accidents. In all the Village police department deployed 34 times with our partners. Deployments ran in the spring, summer and fall months in four-hour blocks. During the 18 deployments for the Impaired Driving grant, our task force as a whole made 360 traffic stops.

We also participated in all three national mobilizations; Click It or Ticket, Drive Sober Get Pulled Over and Drive Sober Winter.

## Civilian Response to an Active Shooter Event

Since 2002, the Advanced Law Enforcement Rapid Response Training (ALERT) Program at Texas State University has been used to train law enforcement officers across the nation in how to rapidly respond to dangerous active threat situations. Over the years we've seen response times shorten and the capabilities of law enforcement increase. As a result of increased public awareness, many citizens have asked what individuals can do protect themselves and reduce the dangers faced during one of these events. **Avoid | Deny | Defend** has been developed as an easy to remember method for individuals to follow. As we've seen that hiding and hoping isn't a very effective strategy. Watch the Avoid Deny Defend Video below on You Tube (<https://www.youtube.com/watch?v=j0lt68YxLQQ>) for an 11.5 minute overview of how to save your life in an Active Shooter Event. What You Do Matters.

The Mukwonago Police Department held three Civilian Response to an Active Shooter Event classes in Mukwonago, in 2019. Officer Mike Kubiak is the newest trainer and will be working with Lt Chris DeMotto on hosting future classes. Lt DeMotto was also a guest speaker on the topic for the Wisconsin Congregational Association - Smart Church 3<sup>rd</sup> annual summit which was held in May.

## Police Chaplain Program

Since its inception at the end of 2015, the chaplain program continues to be staffed by volunteers: Rev. Rob Jadrnicek (Lead Pastor at LifePoint Church) and Rev. Kevin Clark (Pastor at First Congregational Church). Having received formal training in police and fire chaplaincy and Critical Incident Stress Management, our chaplains are available whenever a crisis arises.

They are also proactively involved in the police and fire departments by:

- Regularly riding along
- Attending various department trainings
- Assisting with National Night Out
- Attending swearing in ceremonies of new officers
- Participating in the 9/11 Memorial Ceremony at the Fire Department
- Attending the Waukesha County Police Memorial Service
- Providing support to officers, EMS and their families

*Rev. Rob Jadrnicek*

*Rev. Kevin Clark*

## Mukwonago Police Reserve & Explorer Program

*Submitted by Officer Melo, Reserve Director*

The success story of the Mukwonago Police Reserve program showed itself again in 2019. The men and women of the program once again stepped up and assisted the department in covering all of the village's special events without incident. I would like to commend these officers for their efforts.

Once again we had one of our Reserve Officers, Richard Rogers, advance through the program and earn a position as a full time officer with the Village of Mukwonago Police Department. Congratulations Richard!

We also sponsored three Reserve Officers, Tanya Perez, Kevin Gregg and Ronald Xiong, in the 2019 720 hour police recruit academy. I am please to say that all three successfully completed the academy in December and are ready to continue on with their attempts to achieve a full time law enforcement position.

Lastly, with my upcoming retirement in March of 2020, we have been grooming Officer Brian Cieszynski to take over as director of the Reserve Program. Brian started out his career with the Mukwonago Police Department as a Reserve Officer and advanced through the ranks to a full time position. I have every bit of confidence in Brian and I'm sure he will not let down the department or the community down as he takes over leadership of the Reserve Officers.

## Suburban Critical Incident Team (S.C.I.T)

The Suburban Critical Incident Team has 28 tactical officers, 2 K9 handlers, 3 command positions, and 17 negotiators. These officers are from nine area police departments; City of Brookfield, City of New Berlin, City of Muskego, City of Delafield, Village of Mukwonago, Village of Pewaukee, Village of Chenequa, Village of Hartland and the Village of Elm Grove. Officer Melo is currently assigned to the team as a negotiator and Officer Cory Kirkpatrick is assigned as a tactical operator.

To join SCIT; officers must demonstrate skill, knowledge and competence, at their department, to be selected by their supervisor to apply for the team. There are three main phases to the application process; physical fitness, marksmanship and an oral interview. Failure in any one area results in removal from the process however officers may be able to participate in the application process the following year. If an officer is selected to join the team, they attend a basic swat training class and will continue to training with the team until approved by command to be operational, which can take a year.

Team activity was up from 2018 however still slightly below the average since the team's inception. There were 13 team activations in 2019 and the team completed their 125<sup>th</sup> operation. Of the 13 activations there were 4 dignitary protection activations and 7 search/arrest warrant activations. In 2019, dignitary protection activations were down however this is expected to increase in 2020 due to the Democratic National Convention event in Milwaukee.

In 2019, the team also received approval from the nine jurisdictions served to purchase a Terradyne rescue vehicle. The acquisition of the rescue vehicle will result in added protection for tactical officers on operations. This rescue vehicle is a key asset when removing injured civilians or officers from a hostile environment. Delivery of the rescue vehicle is expected in late April 2020.

# Making a difference

## Salvation Army Bell Ringing

In 2019, department members once again attended the annual Salvation Army bell ringing competition against the Fire Department. It took place on December 8th at WalMart from 4:00 PM to 8:00 PM. The Village Police Department again teamed up with the Town of Mukwonago Police Department. The competition has been held since 2012 and every year, the police department has collected more money. The money collected at Pick n Save and WalMart stays in the Mukwonago area to help local families.

Those that attend are in uniform and are invited to bring along their family members as they greet shoppers, ring the bell and collect money for this great cause. It's a great way for us to interact with the community and show our support for those in need.

And the totals are in for 2019 ...

Fire Department	\$ 924.11
Police Department	\$ 1,588.67

That is a total of \$2512.78 to help people in the Mukwonago community, up almost \$1000 from 2018's total.

(Above) Officer Petted and Reserve Officer Perez representing the Village of Mukwonago at a Police Party for a very special kindergarten student at Eagle Elementary. The party included pizza, dancing and bonding including officers from several area departments.

## Bike Patrol Program

The bicycle patrol program was started in 2004 with donations from the Knights of Columbus and Wonago Biking.

Officer Kreiser is the current bike patrol officer and will often utilize the bicycle patrol for special events such as parades, bikes races, community events and also regular patrols.

## Neighborhood Watch Program

The Neighborhood Watch program is one of the department's oldest community programs. The program helps join police officers with the residences they serve. The goal is to work together to deter crime and help keep Mukwonago safe. We rely on members of the community to help notice strangers or activity that is out of place.

To start your own Neighborhood Watch program, talk to your neighbors. Find out who is interested in participating and set up a meeting. Meetings can be held at someone's home or a community room. Contact Lt Chris DeMotto at (262) 363-6436 or email him at [cdemotto@mkpd.org](mailto:cdemotto@mkpd.org) to help you get started.

## Talks / Tours / Events

The Mukwonago Police Department provides numerous educational talks and tours to the public. Several times a year Girl and Boy Scout troops meet at the department to earn a merit badge in crime prevention. The tour takes the children to our dispatch center where they can see where 911 calls go to and see how police and fire units are dispatched. They also see the officer work areas, prisoner process area, armory, squad cars and the officer's equipment. We also educate them and provide handouts containing anti-drug messages, crime prevention, stranger danger and other general safety practices.

We also participate in talks at the local driver's education school and helped out with knife safety for a Boy Scout merit badge.

Pictured is Officer Zajichek with Girl Scout Troop #31558 providing a tour in May of 2019.

## National Night Out

The Village of Mukwonago Police Department, working in conjunction with the Mukwonago Neighborhood Watch group, is very proud of the growing popularity of this annual event held at Field Park on the first Tuesday of August each year.

The National Night Out event aims to heighten crime and drug prevention awareness, generate support for and the participation in local anti-crime efforts, strengthen neighborhood spirit and police-community partnerships, and send a message to local criminals that neighborhoods are organized, on the look out, and fighting back!

The Village of Mukwonago Police Department was proud to partner with the Town of Mukwonago Police Department, Village of Mukwonago Public Works, and Mukwonago Fire Department to host the event. Donors included:

- WE Energies
- Kwik Trip
- Citizen's Bank of Mukwonago
- Mukwonago AB U-Stor
- AM Towing
- John Amato Ford
- Aerogas
- Pick N Save
- Garden Mart
- Mukwonago Animal Hospital
- Mukwonago YMCA
- Sweet Delight Kettle Corn

Their financial and material support of the above donors helped greatly to make the event a huge success.

We are looking forward to continuing the growth of this awesome event with so many wonderful people that make up the fabric of our community - all in the name of keeping Mukwonago a safe place to work, visit and play!

## National Night Out *continued*

We are also very proud to partner with the Village of Mukwonago Board of Trustees and President who all attended this event as well as the staff of the Mukwonago Police who also volunteered for this event.

## School Resource Officer Program

The School Resource Officer Program began at the Mukwonago High School in December 1999 as a result of a partnership with the Village of Mukwonago Police Department and the Mukwonago Area School District. In September 2018, we also partnered to place a School Resource Officer in the Park View Middle School.

This program is a proactive approach towards reducing and preventing problems associated with adolescents in the school. The program assists in providing the students with a safe learning environment and preventing incidents of school violence. The Officers are also involved in many programs in the Schools and the community.

Prime for Life - a program which provides drug and alcohol information to at risk students.

Tobacco Abatement Resolution – Developing measures to stop using tobacco products.

Quick 25/50 Program - Coordinator of crime stoppers and the Quick 25/50 Program.

Our current School Resource Officer at Mukwonago High School is **Officer Jason Steinbrenner** and at Park View Middle School is **Officer Joseph Petted**.

## 2019 NIBRS Data

### National Incident Based Reporting System

In 2015, Lt. Streit began working to upgrade the department's crime reporting from the Uniform Crime Report (UCR) to the National Incident Based Reporting System (NIBRS). He obtained a grant to fund updating the department's ProPhoenix Records Management System and developed tools to assist officers with NIBRS compliant data entry.

UCR and NIBRS are both regulated by the FBI and both use the same general concepts. NIBRS goes into greater detail than UCR and has 46 Group A offenses while UCR only has 8 Part I offenses. UCR does not differentiate between completed and attempted crimes while NIBRS does. Also, UCR tends to only report the most serious offense reported when multiple crimes are reported in the same period of time, location, and person/group of people. The great thing about NIBRS is the data can be submitted electronically in the form of ASCII text files, needing no manual input. UCR data is written documents that have to be hand entered into a computer system for analysis. Within a few years, the FBI will require all law enforcement agencies to report NIBRS data instead of UCR data.

## 2019 NIBRS Data *continued*

National Incident Based Reporting System

NIBRS only reports the highest level arrest for any incident where UCR report all arrests. For example, if you look at our Drug Equipment number, we had 26 incidents but only 2 arrests. That is because in most of those incidents, we also arrested the person for Possession of a Controlled Substance so only that arrest is reported, not the Narcotic Equipment arrest.
