## **The Vision and Mission of the Village of Mukwonago Police Department**

### *VISION*

A Village of Mukwonago where all citizens can live safely and without fear, protected by a police department with the highest ethical and professional standards.

### *MISSION*

The staff of the Village of Mukwonago Police Department strives to provide all citizens, residents and visitors with professional law enforcement. We accept our obligation to protect the rights and liberties of all persons, regardless of race, sex, religious background, or ethnicity. We understand the importance that people place on their personal safety and the safety of their property.

#### *We pledge to:*

- Be responsive to the community and understand that the needs of the community may change over time.
- Be proactive in matters of crime prevention and community involvement.
- Be impartial in our contacts with all.
- Work in partnership with the members of the community, to make Mukwonago a better place to live, work and visit.

# CORE VALUES

## COMPETENCE

We are prudent stewards of the public's grant of authority and resources. We are accountable for the quality of our performance and the standards of our conduct. We are exemplary leaders and exemplary followers.

## COURAGE

We place the safety of others before our own and accept our moral responsibility to take action against injustice and wrongdoing. Police members are expected to take prudent risks on behalf of the public.

## INTEGRITY

We recognize the complexity of police work and exercise discretion in ways that are beyond reproach and worthy of public trust. Honesty and truthfulness are fundamental elements of integrity. It is our duty to earn public trust through consistent words and actions. We are honest in word and deed.

## LEADERSHIP

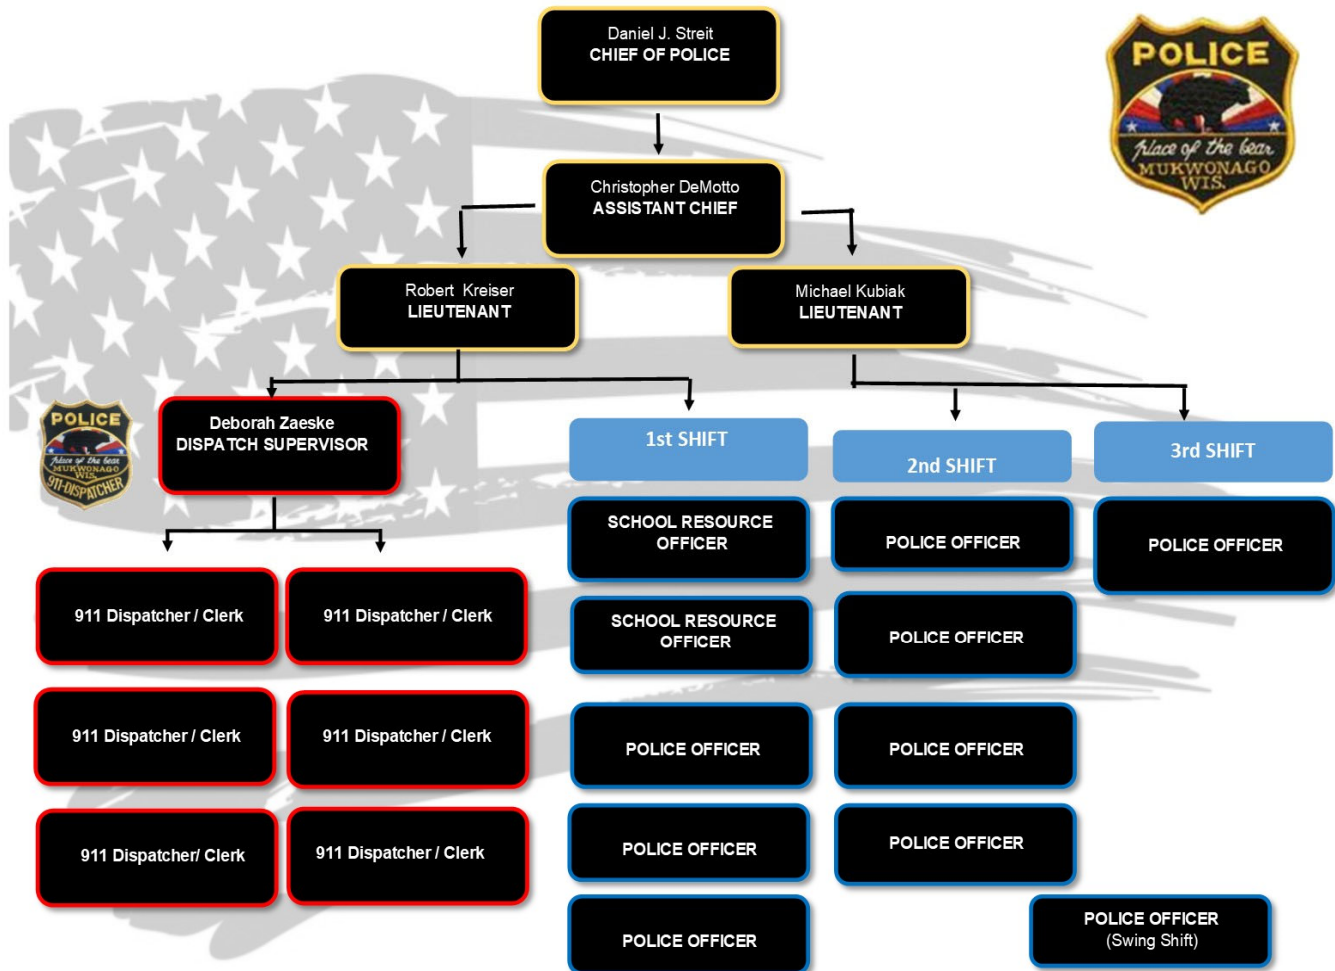

We seek to influence human behavior to achieve organizational goals that serve the public while developing individuals, teams and the organization for future service. We accept our responsibility to be leaders, both within the community and among our peers and for the actions of our colleagues and ourselves. We are all responsible for the performance, reputation and morale of the department.

## RESPECT

We hold life in the highest regards. We treat all citizens and colleagues with dignity and respect, and are fair and impartial as we perform our duties.

## RESTRAINT

We use the minimum force and authority necessary to accomplish a proper police purpose. We demonstrate self-discipline, even when no one is listening or watching.

# *Message from the chief*

## **Message from the Chief**

I am pleased to share with you the Village of Mukwonago Police Department's 2021 Annual Report.

Your Village Police Department consists of 15 sworn officers including command staff, 7 dispatchers/clerks, and currently 5 Police Reserve Officers who assist the department at special events.

The department provides police service to the Village of Mukwonago 24-hours-per-day, 7 days-per-week. Our dispatch center provided dispatch service to the Village of Mukwonago PD, the Town of Mukwonago PD and boat patrol and the Town of Eagle boat patrol.

Every member of the department remains committed to our core values (Competence, Courage, Integrity, Leadership, Respect, and Restraint). We strive to achieve our vision of a community where all citizens can live safely and without fear. We are dedicated to our mission of providing professional law enforcement to all by being responsive to the community needs, be proactive in crime prevention and community involvement, be impartial in our contacts with everyone and work together with all members of the community.

I would like to thank the Village Board, Police Commission and all other employees of the Village of Mukwonago. Together we can and have made a difference. On behalf of all the members of the department, thank you for providing us with the resources to complete our mission.

In 2021, we said goodbye to Chief Kevin Schmidt after 43 years of service with the department. I personally want to thank Chief Schmidt for being a mentor to me and preparing me to lead this department. I have big shoes to fill and promise to do my very best.

I want to thank Chaplain Kevin and Chaplain Rob for the many hours they have volunteered to our community. The dedication and passion for the Chaplain program is very evident in both of these fine men. They have assisted our officers with grieving residents who have lost a loved one. Both Chaplains have a dedication to serve our Community and I cannot thank them enough for all they do.

Lastly, I want to give my sincere thanks to the men and women of the department. Our job is not an easy one. We put in long hours, work nights, weekends and holidays when our families want us with them. Many times, we see the worst in people and the unthinkable things one human being does to another human being. Yet every member of this department remains dedicated to our mission. Thank you for all your hard work and support. And on behalf of all the residents, business owners and visitors in Mukwonago, thank you for working to keep us all safe.

Daniel J. Streit

Chief of Police

*Daniel J. Streit*

# Goodbye & Thank you

On June 11, 2021, Chief Kevin Schmidt retired after 43 years with the Village of Mukwonago Police Department.

Chief Schmidt was hired as a Police Cadet on February 1, 1978. He was promoted to Police Officer in 1981, Sergeant/Investigator in 1988, Lieutenant Investigator in 2001 and Chief of Police in 2011.

His personnel file is filled with commendations and letters of recognition, many related to his work as an investigator. Chief Schmidt is known for his thorough investigations, thoughtfulness and consideration for victims of crimes. This is not only recognized by members of the Village of Mukwonago Police Department but by other law enforcement agencies and the Waukesha County District Attorney's Office.

Shortly after he became Chief of Police, Chief Schmidt rewrote the department's mission and vision statements to reflect what he believed the department should stand for.

In 2021, Chief Schmidt reorganized the department creating a new position of Assistant Chief of Police. He mentored his subordinate supervisors to prepare them for future leadership of the department.

Chief Schmidt led by example over his career while demonstrating our department core values of competence, courage, integrity, leadership, respect and restraint.

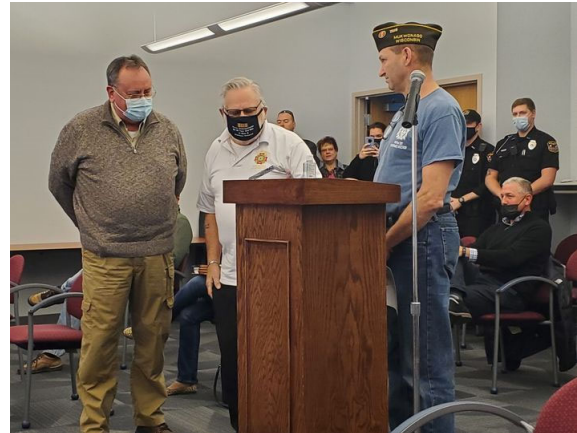

# Employee Recognition

## Employee Recognition/Promotion

On March 18<sup>th</sup>, 2021 Officer Shaun Pinkowski received a “Unit Award” from the Waukesha County Sheriff’s Department for being a member of the Civil Disturbance Unit. The unit was deployed 30 times in 2020. Shaun is seen here with Chief Streit, who was with him when he received this award.

On April 25th, 2021, Chief Kevin Schmidt (Retired) received the Officer of the Year award from the VFW post. Kevin was with the Village of Mukwonago for 43 years. Happy Retirement Chief!

On June 28, 2021, Lieutenant Chris DeMotto was promoted to the position of Assistant Chief of Police.

(Left) Linda Gourdoux administers the Oath of Honor to Assistant Chief DeMotto.

# Support from the Community

Thank you to everyone in our community and local businesses for your support. We can not express enough how much we appreciate all that you do for us.

Thank you to David Alan Alan's for bringing lunch for our department on June 30<sup>th</sup>, 2021. It was delicious and very much appreciated.

Thank you to the anonymous citizen(s) who dropped off this beautiful gift for our department in July, 2021. A note with kind words was attached. We truly appreciate the time and effort you put in to making this for us.

# Support from the Community

(Above) Chief Dan Streit receives a generous donation again this year from Jim Khasria, owner of the Village Pumper and Village Wine & Liquor. The donation is for the department's bullet proof vest fund.

(Above) Lt. Kreiser saying thank you to Midwest Heating and Cooling for bringing in lunch to our Department on August, 31<sup>st</sup>, 2021.

(Left) Officer Wilson accepting a donation of snacks for our officers from Waukesha State Bank who were participating in #Payit Forward Patrol on April 7, 2021.

There were many other donations of food, packaged goods, equipment, or money to purchase equipment made to our department in 2021. However, due to space, we cannot list them all.

We want all of our supporters to know that we truly appreciate each and every one of you. When part of the country is shouting to defund or get rid of us, you tend to feel not so appreciated. Then, you come into the department and see or hear about all of the donations from our citizens and local businesses and your spirits are lifted. We realize how lucky and privileged we are to work for such a wonderful community.

From the bottom of our hearts, thank you so much for all you do for the department.

## Traffic Safety Grants

Once again, the Southern Waukesha Traffic Task Force, consisting of the Village of Mukwonago, City of Muskego and City of New Berlin Police Departments, were targeted by the Wisconsin Department of Transportation - Bureau of Traffic Safety (BOTS) for three traffic safety grants. The three grants targeted impaired driving, aggressive driving, speeding and lack of seatbelt usage. The goal is to help reduce traffic crashes and injuries from those accidents. We also participated in all three national mobilizations; Click It or Ticket, Drive Sober Get Pulled Over and Drive Sober Winter.

Our task force provided extra patrol within our communities for primary enforcement of seatbelt violations, speeding violations, OWI and reckless driving violations. These deployments focused on the areas that are most impacted by crashes and traffic related issues. Higher visibility and adding the additional officers to primarily focus on traffic related issues helped to work towards lowering the amount of traffic crashes and enforced seat belt violations. Our task force monitored Community Maps and crash data to focus deployments in the areas that are believed to have the greatest amount of issues.

In 2021, the Southern Waukesha Traffic Task Force was deployed and conducted 259 traffic stops to help increase safety on the road.

---

## Civilian Response to an Active Shooter Event

Law enforcement officers and agencies are frequently requested by schools, businesses and community members for direction and presentations on what they should do if confronted with an active shooter event. The Civilian Response to Active Shooter Events (CRASE) course, designed and built on the Avoid, Deny, Defend (ADD) strategy developed by ALERTT in 2004, provides strategies, guidance, and a proven plan for surviving an active shooter event. Topics include the history and prevalence of active shooter events, civilian response options, medical issues, and considerations for conducting drills.

In 2021, the Village of Mukwonago Police Department presented Avoid, Deny, Defend to local businesses as an option for them in these events. The Village of Mukwonago Police Department is available to present this plan. If interested in having this presentation at your business, contact Lt. Michael Kubiak at [mkubiak@mkpd.org](mailto:mkubiak@mkpd.org).

## Police Chaplain Program

Since its inception at the end of 2015, the chaplain program continues to be staffed by volunteers: Rev. Rob Jadrnicek (Lead Pastor at LifePoint Church) and Rev. Kevin Clark (Pastor at First Congregational Church). Having received formal training in police and fire chaplaincy and Critical Incident Stress Management, our chaplains are available whenever a crisis arises.

They are also proactively involved in the police and fire departments by:

- Regularly riding along
- Attending various department trainings
- Assisting with National Night Out
- Attending swearing in ceremonies of new officers
- Participating in the 9/11 Memorial Ceremony at the Fire Department
- Attending the Waukesha County Police Memorial Service
- Providing support to officers, EMS and their families

*Rev. Rob Jadrnicek*

*Rev. Kevin Clark*

## Suburban Critical Incident Team (S.C.I.T)

The Suburban Critical Incident Team has 33 tactical officers, 1 K9 handler, 3 command positions, and 18 negotiators. These officers are from nine area police departments; City of Brookfield, City of New Berlin, City of Muskego, City of Delafield, Village of Mukwonago, Village of Pewaukee, Village of Chenequa, Village of Hartland and the Village of Elm Grove. Officer Cory Kirkpatrick is currently assigned as a tactical officer and Officer Petted is assigned to the crisis negotiator team.

To join SCIT; officers must demonstrate skill, knowledge and competence, at their department, to be selected by their supervisor to apply for the team. There are three main phases to the application process; physical fitness, marksmanship and an oral interview. Failure in any one area results in removal from the process however officers may be able to participate in the application process the following year. If an officer is selected to join the team, they attend a basic swat training class and will continue to training with the team until approved by command to be operational, which can take a year.

SCIT was faced with many difficult challenges during 2021 and experienced an increase in activations from 2020. A total of 21 activations occurred in 2021. Of the 21 activations, SCIT assisted the City of Milwaukee with the Milwaukee Bucks championship events, the City of Muskego with a suspect actively shooting at law enforcement, and the Waukesha parade tragedy. In addition to the major events, SCIT conducted two dignitary protection details, eight warrants, and three barricaded suspect calls.

## Prescription Drop Box / Drug Take Back Events

The medication disposal unit installed in the lobby in 2014 was again put to good use throughout 2021. **In 2021 we accepted approximately 360 pounds of medications in the drop box!** The red drop box can be accessed in the lobby 24-hours-per-day.

We also participated in the Drug Take Back event at Walgreens and took in 98 pounds of prescription pills. Between the drop box and the event, we collected approximately 458 pounds of prescription pills to be properly disposed of.

# Making a difference

In December, we held our second “Shop with a Cop” program. Through donations from WalMart, the Mukwonago Professional Police Association and anonymous donors, we were able to raise money for the event. We worked with some local churches to identify families who needed a little help at Christmas time. Thank you to all officers, reserve officers and dispatchers for volunteering their time. We also would like to thank all the donors for helping us make this event successful.

## Neighborhood Watch Program

The Neighborhood Watch program is one of the department's oldest community programs. The program helps join police officers with the residents they serve. The goal is to work together to deter crime and help keep Mukwonago safe. We rely on members of the community to help notice strangers or activity that is out of place. To start your own Neighborhood Watch program, talk to your neighbors, find out who is interested in participating and set up a meeting. Meetings can be held at someone's home or a community room. Contact Lt. Michael Kubiak at (262) 363-6435 or email him at [mkubiak@mkpd.org](mailto:mkubiak@mkpd.org) to help you get started.

## Talks / Tours / Events

The Mukwonago Police Department provides numerous educational talks and tours to the public. Several times a year Girl and Boy Scout troops meet at the department to earn a merit badge in crime prevention. The tour takes the children to our dispatch center where they can see where 911 calls go to and see how emergency vehicles are dispatched to calls. They also see the officer work areas, prisoner process area, armory, squad cars and the officer's equipment. We also educate them and provide handouts containing anti-drug messages, crime prevention, stranger danger and other general safety practices.

If you have a group that would like a tour, please call the department for more information. You can reach us at 262-363-6435. information or to schedule your tour, or talk.

## National Night Out

The Village of Mukwonago Police Department, working in conjunction with the Mukwonago Neighborhood Watch group, is very proud of the growing popularity of this annual event held at Field Park on the first Tuesday of August each year.

The National Night Out event aims to heighten crime and drug prevention awareness, generate support for and the participation in local anti-crime efforts, strengthen neighborhood spirit and police-community partnerships, and send a message to local criminals that neighborhoods are organized, on the look out, and fighting back!

The Village of Mukwonago Police Department was proud to partner with the Town of Mukwonago Police Department, Village of Mukwonago Public Works, and Mukwonago Fire Department to host the event.

Donors included:

- WE Energies
- Kwik Trip
- Citizen's Bank of Mukwonago
- Culvers
- AM Towing
- Lynch Mukwonago
- Walmart
- Brew 52
- David Allen Alan's
- Mukwonago Animal Hospital
- Mukwonago YMCA
- Sweet Delight Kettle Corn
- Siege Paintball
- Aurora Clinic
- Mukwonago Family Dentistry
- Newby's Seasonal Service
- Track 42
- Fork in the Road
- Klements Sausage
- Green Bay Packers
- Dousman Transport
- Milwaukee Brewers

The financial and material support of the above donors helped greatly to make the event a huge success.

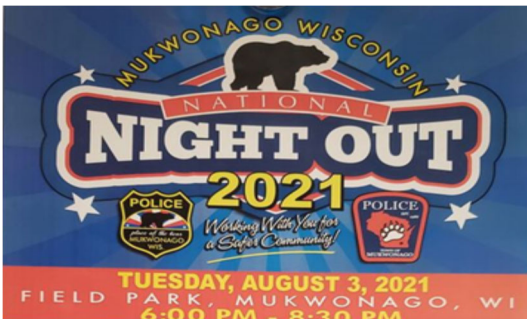

Thank you to all the wonderful people that make up the fabric of our community - all in the name of keeping Mukwonago a safe place to work, visit and play!

## National Night Out *continued*

We are also very proud to partner with the Village of Mukwonago Board of Trustees and President who attended this event as well as the staff of the Mukwonago Police who also volunteered for this event.

## School Resource Officer Program

The School Resource Officer Program began at the Mukwonago High School in December 1999 as a result of a partnership with the Village of Mukwonago Police Department and the Mukwonago Area School District. In September 2018, we also partnered to place a School Resource Officer in the Park View Middle School.

This program is a proactive approach towards reducing and preventing problems associated with adolescents in the school. The program assists in providing the students with a safe learning environment and preventing incidents of school violence. The Officers are also involved in many programs in the Schools and the community.

Prime for Life - a program which provides drug and alcohol information to at risk students.

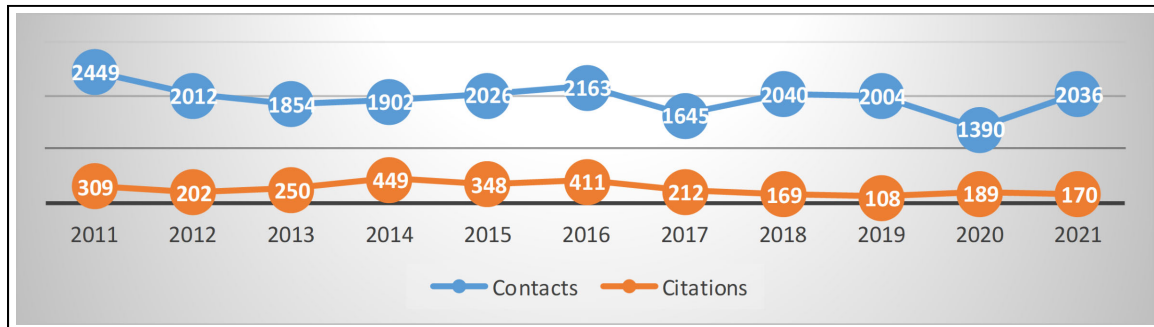

Tobacco Abatement Resolution – Developing measures to stop using tobacco products.

Quick 25/50 Program - Coordinator of crime stoppers and the Quick 25/50 Program.

Our current School Resource Officer at Mukwonago High School is **Officer Jason Steinbrenner** and at Park View Middle School is **Officer Joseph Petted**.

## Reserve and Explorer Programs

2021 took some steps toward “getting back to normal.” The majority of the Village’s special events returned this year. Though our numbers were stretched a bit thin, our Reserve Officers continued to take on these events, providing excellent service to our citizens, visitors and third party associates. I would like to extend my gratitude to all for a job well done.

The Department hired four new Reserve Officers throughout the year- Jeremy Peterson, Kade Cribb-Wimer, Anthony Gonzalez and Anna Becker. Reserve Officer Peterson is an Army Veteran who served as a Military Police Officer. He wished to continue his career in Law Enforcement. Reserve Officer Cribb-Wimer is a current Marine Reserve, hoping to pursue a career in Law Enforcement. Reserve Officer Gonzalez is currently finishing his four-year degree at Northern Michigan University, and hopes to pursue a career in Law Enforcement. Reserve Officer Becker recently completed her two-year degree in Criminal Justice from Waukesha County Technical College, and is hoping to gain experience working toward her career goals.

We sponsored three Reserve Officers to attend the 720-hour Police Recruit Academy at Waukesha County Technical College in January 2021. Reserve Officer Paulson, Reserve Officer Mayek and Reserve Officer Roberts all successfully completed the program and graduated in June 2021.

Reserve Officer Mayek was hired full-time by the Village of Pewaukee Police Department shortly after completion of the Academy, and Reserve Officer Roberts was hired by the City of New Berlin Police Department upon graduation. Reserve Officer Becht resigned his position in March of 2021, to focus on his new career with the Veteran’s Administration Police at the Zablocki Medical Center in Milwaukee. Reserve Officer Perez resigned from her position in April of 2021. Reserve Officer Boyd resigned from his position in December of 2021. Reserve Officer Xiong also resigned from his position in 2021. We would like to wish all of our former Reserve Officers continued success in their career fields.

Reserve Officer Paulson was hired as a full time Police Officer for the Village of Mukwonago Police Department in September 2021. Officer Paulson was a long-time Police Explorer and Reserve Officer for the Village of Mukwonago.

Our Explorer Post has grown exponentially this year. We currently have nine Police Explorers with the Post- the most we have had in recent memory. Officer Paulson and I have been working together to improve the program, adding separate Explorer meetings each month, improving the curriculum and making those meetings more enjoyable for all. We also visited the City of Muskego to see how their program is run and look for areas where our program could be improved. A huge thank you to Officer Paulson for her assistance and ideas for improving the program.

As 2022 begins, I am confident our Reserve Officers will continue providing outstanding service to the community and Department.

## 2021 NIBRS Data

### National Incident Based Reporting System

In 2015, the Department began working to upgrade crime reporting from the Uniform Crime Report (UCR) to the National Incident Based Reporting System (NIBRS). We obtained a grant to fund updating the department's ProPhoenix Records Management System and developed tools to assist officers with NIBRS compliant data entry.

UCR and NIBRS are both regulated by the FBI and both use the same general concepts. NIBRS goes into greater detail than UCR and has 46 Group A offenses while UCR only has 8 Part I offenses. UCR does not differentiate between completed and attempted crimes while NIBRS does. Also, UCR tends to only report the most serious offense reported when multiple crimes are reported in the same period of time, location, and person/group of people. The great thing about NIBRS is the data can be submitted electronically in the form of ASCII text files, needing no manual input. UCR data is written documents that have to be hand entered into a computer system for analysis. Within a few years, the FBI will require all law enforcement agencies to report NIBRS data instead of UCR data.

**2021 NIBRS Data *continued****National Incident Based Reporting System*

NIBRS only reports the highest level arrest for any incident where UCR report all arrests. For example, if you look at our Drug Equipment number, we had 12 incidents but only 6 arrests. That is because in most of those incidents, we also arrested the person for Possession of a Controlled Substance so only that arrest is reported, not the Narcotic Equipment arrest.

## Training and Career Development

Over the course of 2021, Mukwonago Dispatch Center logged 229.5 hours of training for dispatcher/clerks. This is an average of almost 33 hours of training per dispatcher. Mukwonago Dispatch is here 24 hours a day, 7 days a week and are the first point of contact whether you show up at the police department lobby or call in to the department via one of the three 911 lines or on one of the eight non-emergency lines.

Each fiscal year the State of Wisconsin requires law enforcement officers to receive a minimum of 24 hours of training. In 2021, our 15 fulltime police officers logged 1660.25 hours of training. They received training in use of force, pursuit and emergency vehicle operations, responding to an active shooter, de-escalation and officer override training, to name a few topics. Some of these trainings are held at local departments, technical colleges or are in house trainings presented by the departments five State certified instructors.

## Department Members

### *Years of service to the department and the community*

#### **41 - 45 Years**

Chief Kevin Schmidt (1978)  
Crossing Guard Judy Podany (1978)

#### **36 - 40 Years**

#### **30-35 Years**

Officer Joseph Petted (1987)

#### **25 - 29 Years**

Assistant Chief Daniel Streit (1992)  
Dispatcher/Clerk Cynthia Wellman (1993)  
Reserve Officer Scott Buchholtz (1993)
