

## DOWNTOWN MUKWONAGO'S

# Beautification Program

**Clean, lively streetscapes  
attract tourists, shoppers,  
and new residents giving a  
boost to business.**

Downtown beautification programs are cornerstones of their communities. Mukwonago's Downtown Development Committee is pleased to expand the Downtown Mukwonago Beautification program after a successful pilot year launched in 2022.

The Village of Mukwonago is turning the community-driven streetscape concepts into a reality! With the community's eager response to invest in improving the downtown through the Sponsor-a-Planter program it was apparent the need to expand this program to offer additional streetscape beautification sponsorship opportunities.

Continued success of the beautification program is critically dependent on the support of generous contributions from local businesses and residents. Donations are fully tax-deductible.
